ORDER:-

The Government sanction the proposal to raise the board incomplete secondary school at Palakonda to the grade of a complete high school and to open the IV Form in the school in the current year subject to the conditions (1) that the Government promised sum of Rs. 10,000 is collected without delay and (2) that sufficient accommodation is made available for a complete high school. One half of the net additional cost involved will be met from Provincial funds.

2. Sanction is also accorded to the employment of a head-master on Rs. 125 per mensem and an assistant on Rs. 80 per mensem in the school in the current year.

3. Orders will issue in Home (Education) Department sanctioning a subsidy of Rs. 422 towards the provincial share of the net cost of the school for the current year.

Copy of letter from the Director of Public Instruction,
No. 4419, Dated 13th June 1919.

I have the honour to submit herewith a copy of the correspondence from the President, District Board, Vizagapatam, in regard to a proposal to raise the Board Middle School at Palakonda to the grade of a high school and to offer the following remarks thereon:-

2. According to the inspection report for 1918-19, the school works from class IV to Form III and has a total strength of 125 of whom 21 are in the III Form. The present accommodation is reported to be the best of any middle school in the First Circle. The Inspector considers that the satisfactory work of the existing school will be a good foundation on which to build the upper forms asked for by the people of Palakonda. I suggest therefore that permission may be given to open Form IV in the school this year, but would impose as conditions of sanction that the sum of Rs. 10,000 promised is actually collected and that sufficient accommodation is made available for a complete high school.

3. Calculating the expenditure for 8 months of the current year on the scale sanctioned in similar cases last year (vide G.O. No. 757 Home (Education) dated 11-6-18) the cost of staff and recurring contingencies will be as follows:-

-2-

Headmaster	Rs. 125
Assistant	80
	205
Contribution to General Provident Fund	13
	218
Cost for 8 months	1744
Contingencies	740
	2484
Probable fee income (the strength of Form IV being estimated at 20)	840
Net cost.	1644

While the Taluk Board has applied for the payment of the entire net cost, the District Board asks for only a moiety thereof. I recommend the payment of one half of the net cost, the liability to Government during the current year being Rs. 822. This may be met from the provision made for subsidies in the Civil Budget Estimate for 1919-20.

The general revision of the scale of salaries referred to in the correspondence will be considered separately.

A. S. S. S. S.

A draft order sanctioning a subsidy of Rs. 822/- is submitted for approval.
