To The Executive Engineer,
Madras Mining Suband,
Madras.

Sir
With reference to your letter No 1401, dated 1.5.4, asking me to go to Madras, for undergoing Equitation Course, I beg to request you to recommend for its postponement for a period of not less than a year for the following reasons. While I was in the College last year I had a heavy fall from my bicycle which caused the fracture of the two bones of my left forearm. After attending hospital for a month and a half I thought that my arm was cured but unfortunately one of the bones had malunited. So I had to attend hospital again for another period of 6 weeks. to have it rectified. I remained as an inpatient, in General Hospital, Madras, during which period the arm was splashed, the malunited bone was broken again and was set. After these two accidents, though it is now a year since I had this, it is still weak and I feel pain in the joint of that arm. So I beg to request you to consider my case.

I beg to
(25) L. Manickam,
Ingr. Sub. Madras.

Copy forwarded to the Chief Engineer, the
the Superintending Engineer, W. A. Cole, with
reference to memo No. 27.D. of 28.4.19.
As the Engineer has students, R. Manikam,
to work in a position to use his legs are freely
in account of the fracture from the fall
from bicycle during his college course the
equilibrium course for this student may kindly
be postponed till such time he becomes fit,
there is for about a year.
The Executive Engineer, North Presidency
Division is also being informed.
