Station Madras, Dated 26 June 1919.

From (Name) The Hon'ble Mr. R. Littlehales, M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

In their order No. 1214 Home (Education) dated 11th September 1918 Government sanctioned the payment of a duty allowance of Rs.25 per mensem to M.R.Ry K.Narasimham, Headmaster, Government Training School, Vizagapatam for teaching mathematics to the students in the School of Engineering at that place, until an assistant Instructor qualified to teach the subject was employed in the school or until the date of its closing for the summer vacation whichever was earlier. The Superintendent reported in his letter R.O.No. 34/18 dated 17th April 1919 that if the mathematics assistant was relieved from 17th April 1919 the date of closing of the school for the summer vacation the work would seriously suffer as the answer

papers had to be valued and work for the next academic year -- arranged and recommended the continuance of the existing arrangement for another year.

It is stated that the work of the Assistant Instructor M.R. R. P. V. Krishna Ayyar who was appointed to the school in April 1919 is entirely different from that of the mathematics assistant and that the services of the latter cannot therefore be dispensed with.

2. In this connection it may be mentioned that in view of the formation of the second year class in July 1919 the Superintendent submitted with his letter C.No. 52 dated 2nd May 1919 proposals for a revision of the scale of staff of the school in which he recommended among other things the employment of a full time Instructor in mathematics. These proposals have been under my consideration and I have in consultation with the Principal, College of Engineering, come to the conclusion that no additions to the staff are immediately necessary and that the staff already sanctioned viz., a Superintendent, an Instructor and two Assistant Instructors was sufficient for the present but that the -- services of the mathematics assistant should be continued.

I have the honour accordingly to recommend that Government be pleased to sanction the continuance of the allowance of Rs.25 per mensem for the teaching of mathematics in the school for another year from 17th April 1919.

The provision for the charge has been included in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant,

Christiansen
