To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.
/Through the Accountant-General, Madras/.

Sir,

The Inspector of Schools, III Circle, reports that there are 274 untrained Muhammadan teachers in the Chittoor and Ceded Districts as detailed in the margin and that they are generally unwilling to undergo training in a place far away from their native district. In order to reduce the number of untrained teachers with a view to the better staffing of the Muhammadan Elementary schools in the Ceded Districts he recommends the opening as a temporary measure, of a training school for Muhammadans at Bellary which has been selected for the location of the

school also in consultation with the Surgeon-General who places it first among the possible Ceded Districts centres in the order of preference from ~~the~~ stand point of health. The Inspector of European and Training Schools whom I have consulted supports the proposal. In these circumstances I have the honour to request that Government will be pleased to sanction the opening of a training school for Muhammadans of the lower elementary grade at Bellary temporarily for a period of three years from 1st July 1919 and the employment of the following staff and establishment in connection with the school:-

1 Headmaster	Cadre of Sub-Assistant Inspectors (Rs.100)
1 First Assistant	Cadre of Supervisors (Rs.50)
1 Second do	do (Rs.50)
1 Gymnastic Instructor	Rs.20
1 Peon	Rs.8

Owing to the difficulty of securing trained Muhammadan teachers of the requisite qualifications the temporary additions to the cadres of Sub-Assistants and Supervisors are proposed in the V and I Grades respectively. The Second Assistant's post will be kept vacant during the first year when there will be only one class. It is requested that ^{may} sanction/also be accorded for incurring the following expenditure:-

Stipends for 40 students	Rs.420
Rent @ Rs.10-8-0 per mensem	50
Other contingencies	20
	<u>490</u> per mensem
	or Rs.5,880 per annum

Equipment Rs.2000
One of the ^{municipal} Muhammadan Elementary schools in the locality will be used as the Model school with the permission of the Chairman of the Municipal Council and the Inspector of Schools ^{Third circle} has been instructed to arrange for this.

2. The cost of the proposal amounting to Rs.7,344

3.
during the current year can be met from the lump provision of Rs.66,000 for the opening of three elementary training schools under 22 F Education in the second edition of the current year's budget estimates.

Opening of a lower ~~Latin~~ elementary training
School for Munhammadans at Bellary

With a view to the better staffing of the
Munhammadan elementary schools in
the beded Districts, the D.P.D. proposes
the opening as a temporary measure
with effect from 1-7-19 of a training
school of the lower elementary grade
at Bellary. This place has been
selected from among the possible
beded D.D. Centres in the order of preference
from stand point of health. It may
also be pointed out that the percentage
of trained teachers to the total number
in elementary schools in Bellary is only
20 as against a Presidency average of 35
per Cent. The figures for Buddapah,
Kurnool and Anantapur are 32%, 40%
and 36% respectively. The proposal
may, it is submitted, be therefore approved.
2. Establishment. The establishment
proposed for the school is the same as
that sanctioned for similar schools in
the Presidency and may be approved.
owing to the difficulty of securing
qualified Munhammadan teachers the
