R. C. No. 2729/19

Station Madras, Dated the 17th June 1919

From (Name) the Hon'ble Mr. R. Littlehales, M.A.,
(Designation) Ag. Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.
Sir, /Through the Accountant-General, Madras/.

The Principal, Presidency College, reports that the attender in the Geology department of the College has qualified himself for his post so well that besides looking after the specimens he can copy maps and cut rock sections which work was formerly being done outside on payment. It is stated that the pay of Rs.10 attached to the post is barely inadequate considering the nature of duties required of the attender, viz., the possession of intelligence and technical skill. Apart from this, there is no post carrying a higher pay in the laboratory, such as is

found in the Botany or Zoology sections, to which he may aspire. The Principal accordingly recommends that the pay of the post be raised to Rs.15-1-20 per mensem. In this connection I beg to invite a reference to Dr. Bourne's letter R. C. No.6531/11 dated 14th November 1911 disposed of in G. O. No.130 Educational dated 14th February 1912 wherein a pay of Rs.15 was recommended for the post and to request that the pay thereof may be raised to at least Rs.12 per mensem with effect from 1st July 1919.

2. On receipt of the orders of Government sanctioning the proposal I shall submit a reappropriation statement to meet the extra cost during the current year.

3. I submit herewith a statement showing the sanctioned scale of establishment for the College and the distribution of the attenders in the several departments.

I have the honour to be,

Sir,

Your most obedient Servant,

G. S. Srinivasan
