No. 1117-Pof.1919.

From

To

Sir Stuart FRASER, K.C.S.I., C.I.E.,
Resident at Hyderabad.

The Chief Secretary to the
Government of Madras.

Hyderabad Residency, the 14th June 1919.

Sir,

His Exalted Highness the Nizam's Government have received a report from Mr. Strinivas, Curator of the Hyderabad Museum, concerning certain duplicate specimens seen by him in the Madras Museum during his recent visit, which it is thought the Madras Museum authorities might perhaps be willing and able to spare for the Hyderabad Museum.

These objects which would form a valuable addition to the Hyderabad collection, are described by His Exalted Highness' Government as follows:--

- (1) Some selections of duplicate specimens of the prehistoric antiquities excavated by Mr. A. Rea at Adichanallur, Tinnevely, Perambair and Chingleput.

(2)

2.

(2) Some selections of duplicate South Indian Stone implements.

(3) A few specimens of the Amravati sculptures not required by the Madras Museum.

At the instance of His Exalted Highness' Government, I have the honour to inquire whether the Madras Museum can afford to spare any of the above specimens for the use of the Hyderabad Museum.

I have the honour to be,
Sir,
Your most obedient servant,

S. M. Francis

Resident.

of duplicates of prehistoric antiquities consisting of stone and iron implements, urns and pottery from Adichanallur and Perumbair still remain in the Museum after distribution to the several Government Museums in India, the State Museum, Pudukkottai, the British Museum, London, the University Museum of Archaeology and Ethnology, Cambridge, the Pitt Rivers Museum, Oxford, the Royal Scottish Museum, Edinburgh, and to Dr. Meenwarth of the Imperial Academy of Sciences, Petrograd. There are also a few duplicate specimens of the Amaravati Sculptures that are not required by this Museum. Please see the notes and orders
in Gov. No 1038 (Edn) & 22.9.15 in which the
Govt. approved the proposal of the Super-
intendent, Govt. Museum, to offer free of
all charges except freight, to certain
Museums in Europe a duplicate set
of the specimens of prehistoric anti-
quities from Adichannallur and Perum-
bair and asked him to consider the
application of the State Museum, Pudu-
kottai, for a set after satisfying
the requirements of the museums in
Europe. The S.R.M. now states
that the requirements of all these
museums have been met and that
a considerable number of duplicate specimens
of prehistoric antiquities mentioned above,
of Stone and iron implements and also
of the Anuravahi sculptures required
by the Hyderabad Museum still
remain. Submitted that these sur-

to the Hyderabad Museum free of all charges except freight, as was done in the previous cases. The packing and other incidental charges will be borne by the Govt. It may be noted that H.E. # the Nizam's Government merely enquire whether the Madras Museum can spare the specimens. It seems unnecessary to tell them that we can and await their request for supply of the antiquities. We may issue an order sanctioning the supply of the duplicates.

2. Subject to order, a draft order and a draft letter are submitted for approval
