for Director of Public Instruction.

building grant to St. George's Homes, Keti, in G.Os. No. 138, Home (Education), dated 3rd February 1919 and No. 109 Fl., dated 5th February 1919 has been provided out of the non-recurring Imperial Grant of 49 lakhs. This amount may be earmarked for European Education, mainly for building and furniture grants to St. George's Homes, Keti. As regards the provision of Rs. 15,000/- for opening manual training classes in two European schools suggested in my letter R.O. No. 10355/18, dated 16th January 1919, I shall, as suggested in para 2 of the G.O. under reference, endeavour to find the amount by re-appropriation within the current year's budget allotment under '22. Education'. In the same letter, I suggested a provision of Rs. 50,000/- for payment of equipment grants to European schools free of contribution by the management, but, I am not now inclined to press the provision of funds for this purpose.

3. The balance available for other purposes is Rs. 2.3223 lakhs. This sum and any balance that may remain out of the amounts provided for 1918-1919 and 1919-1920 may be devoted to the objects mentioned in the concluding portion of the G.O., viz. (1) for the construction of a building for the Government Secondary and Training School for Mistresses, Triplicane (in addition to the provision of .50 lakh made in the current year's P.W.D. budget and (2) for a building for Queen Mary's High School for Indian Girls, Vizagapatam (in addition to the provision of .62 lakh existing in the P.W.D. budget estimate for 1919-1920 for acquisition of site).

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.

from G.O. No. 392 Ed. 3, d.

(XII)

28th March 1919 it will be seen that the unexpended balance of the 49 lakhs Imperial grant at the close of 1919-20 was reckoned at 5.01 lakhs. In the same G.O. certain suggestions for the utilization of this balance were put to the D.P.P. In the current letter, the Director has, besides furnishing an up-to-date state of expenditure from the above grant, functionally expressed himself in agreement with the suggestions for the utilization of the balance conveyed in the aforesaid G.O. It may be observed that the position in regard to the grant has altered a little, since 50 lakhs provided in the Budget for 1918-19 for play-grounds has been ^{probable} disallowed by the D.P.P. This means that the balance is raised from 5.01 to 5.51 lakhs, so far as can at present be known. This amount and any savings in the amounts allotted for exp. in 1918-19 & 1919-20 may be set apart for expenditure on the terms mentioned overleaf:-

[It may be noted that any lapses that might occur in the allotments from the H & G Lakshe grant made in the budgets for 1918-19 & 19-20 will also be available for exp: on items (3) & (4) above]

2. As regards item (2) above, the Director says that the bulk of the money will be needed for the payment of furniture & building grants to the St: George's Homes, Keti. The Director has in another Communication recommended a grant of Rs 34,770 ^{to the Homes} besides the grant of Rs 15,230 already paid to it and this is under separate consideration.
