To The Secretary to the Government of Madras,

HOME (EDUCATION) Department

Sir,

In submitting herewith a copy of letter No. 20/19 dated 4th June 1919 from the Honorary Secretary to the Coimbatore College Committee together with copies of enclosures, I have the honour to request the sanction of Government to the payment to the Committee of a sum of Rs. 3840-11-9 from the current year's allotment for teaching grants to Secondary Schools for boys so that their debt on account of the recurring expenditure on the College up to 1st June 1919 may be liquidated and of a sum of Rs. 3700 from the current year's allotment for

building grants under Non-European Schools for liquidation of the debenture debt which is secured on the college buildings.

2. With regard to the former amount the Committee will be requested to pay off the debts and submit vouchers for the same to the Director and with regard to the latter the Committee will be requested to convey legally the whole property of the College including the buildings to Government.

3. Steps have already been taken to take over the college under departmental control from the 1st June 1919.

I have the honour to be,

Sir,

Your most obedient Servant,

R. A. B. R. A. B.

for Director of Public Instruction

Y. V. /19/6

Letter No.20/19 dated 4th June 1919 from the Honorary Secretary, College Committee, Coimbatore.

With reference to your R. C. No.2085/19 dated 15th May 1919 R. C. No.655/3/19 dated 28th May 1919, R. C. No.4796/19, dated 30th May 1919 and in continuation of my letter dated the 28th May 1919, I have the honour to inform you that the College committee met this morning and have passed a resolution agreeing to hand over the Coimbatore College to Government and authorising me to hand over the institution to Government on the 9th June. A copy of the resolution is sent herewith. The committee as well as the public of Coimbatore are grateful to Government for their decision to take over the institution. I may add that this gratitude is not unmingled with the hope that the institution may be raised to a First Grade college in the near future.

2. I am submitting herewith a financial statement of the College for the period from 1-4-19 to 31-5-19. No expenditure has been incurred in June and the wording of the resolution is due to the inclusion of the liability to pay the staff and the establishment until the college is actually taken over.

3. The amount actually to be disbursed amounts to Rs.4568-2-2 as follows:-

Pay due to the staff for April and May 1919	3564	2	8
Pay due to clerks, etc., for ---do	329	0	0
Bills outstanding	177	7	6
Provident fund contribution to be paid	193	0	0
Interest due to debenture holders	304	8	0
	4568	2	2

For this we have in the Bank to our credit Rs.727-6-5 leaving Rs.3340-11-9 to be met by Government grant. The debenture debt due amounts to Rs.3700 and this is secured on the College buildings. The debentures bear interest at 7% per annum.

5. There are no endowments under the control of the College Committee and so there is none to be handed

to Government as part of the assets of the institution.

6. The Reading room and sports funds have a balance of Rs. 803-13-4 to their credit and there are bills to the extent of Rs. 90-14-0 to be paid out of these funds. There will be a balance of Rs. 712-15-4 under this head.

7. The liabilities above mentioned include the contribution by the management to the Provident Fund for March, April and May and so no separate grant of half the management's contribution towards the Provident Fund seems to be necessary.

8. A statement of the Provident Fund called for in R. C. No. 655/3/19 is being sent to you through the Inspector of Schools, VIII Circle. On receipt of your order the Provident Fund will be closed and the amount due to each subscriber will be disbursed.

9. Kindly arrange to take over the Institution on the 9th June.

Proceedings of the College Committee meeting
Held on 4th June 1919.

Subject:- Letter from the Director of Public Instruction dated 15th May 1919 intimating the decision of the Government to take over the College and all the connected correspondence.

Resolution:- The Committee thank Government for their decision to take over the College and authorize the Secretary to hand over the Institution with effect from 9th instant with all its assets and liabilities as they stand on that date.

The Coimbatore College is one of the institutions recently taken over by Govt. In para 2 of his letter B 2.9.14, the D.P.I. stated that the management of the College had accepted ^{his} offer unconditionally. This seems to be the only agreement between the Govt and the College Committee. In January last, the D.P.I. recommended a special trading grant of Rs 1,330 for this College in addition to the grants for which it was eligible under the Grant-in-aid Code in order to cover the deficit in the working of the College ^{During 1919-20}. This was sanctioned as a special case, because it was to be taken over under Govt. management.

2. The present proposals are:-

- (1) that a special grant of Rs 3840-11-2 should be made to the College ^{Committee} to meet the net charges of the College upto the date of taking over by Govt and (2) that a further grant of Rs 8,700 be

be sanctioned to enable the Committee to pay up the debenture debt on the buildings and to convey them to Govt. free of encumbrance.

The College Committee has no assets ^{which} from the charges can be met. It seems reasonable that the net charges of the College should be paid by Govt. ^{up to} ~~the~~ the time of its being taken over. The D.T.D. does not appear to have brought to the notice of Govt that the College buildings were encumbered. It would, however, seem that the buildings would be worth ~~much~~ more than Rs. 700, and that if the Govt. had to ~~build~~ construct a new building for the College, it would amount to a very large sum. In the circumstances, the payment of the debt of Rs. 700 need not be objected to.

3. The draft order may, it is submitted, be accepted.

$\frac{7AS}{9.24}$

I do not think we can accept these demands without further scrutiny. According to the Statement at p. 3 of the ^{two} ~~financial~~ staff has ~~three~~ months arrears of pay due, their president ^{for the same period} paid contributing has still to the pay

Then there is a mortgage of Rs. 8,700 on the building.
Should we check with Ad. J. to ascertain
why payments to the staff are so much in
arrear what is the exact financial position
of the College - Also what the present value
of the building is if it is worth paying
Rs. 8,700 to clear the mortgage on this. It would
be interesting to know in whose hands the
debentures lie.

The Collector & Mr. Judge are on the
College Committee. There is no

has not been self-supporting because it
