/Through the Accountant-General, Madras/.

Sir,

page 1 of 80. 1679 (2) 29. 12. 18 In continuation of my letter R. C. No. 8370/18 dated 19th December 1918 I have the honour to address Government on the subject of employing an Assistant Lecturer in the Subordinate Educational Service in each of the Colleges at Kumbakonam, Rajahmundry and Anantapur to be in charge of the teaching of languages other than English. These institutions are affiliated in Group III of the Intermediate course and Groups V⁺ and VI⁺ of the B.A. Degree Pass courses. The subjects for study in these groups include among others translation from English into vernacular and from vernacular into English, historical and comparative Sanskrit grammar, history of Sanskrit literature, early Indian

② History, logic, classical & vernacular languages.
+ Hist. & Economics
& languages other than English.

2/
History and Dravidian Philology. These subjects cannot be handled satisfactorily by pandits who do not possess a knowledge of English and who are not conversant with modern methods of criticism. Further it is reported that the present staff of the language section in each of the colleges referred to above is numerically inadequate to cope with the work of the section. In this connection a reference is solicited to the extract from the report of ^{the} commission appointed by the University to conduct the local enquiry in regard to the question of further affiliation of the Ceded Districts College, Anantapur, in Groups V and VI of the B. A. course embodied in my letter R. C. No. 3519/1919 dated 20th June 1919. In these circumstances it is proposed to increase the staff of each institution by the entertainment of a Master of Arts or B. A. (Honours) in Sanskrit, Tamil or Telugu according to the requirements of each institution. I have the honour accordingly to request that Government will be pleased to sanction the creation in each of the colleges of a temporary post of lecturer in the V Grade of the Subordinate Educational Service-Collegiate Branch for a period of two years from 15th July 1919. I beg to add that if and when these posts are made permanent it may be necessary to include them in some other grade than the last in order that there may be an equitable distribution of officers among the different grades of that cadre.

I would mention in this connection that in the Presidency College there are 3 Assistant Professors in Sanskrit in the Subordinate Educational Service - Collegiate Branch of whom one is permanent and two are temporary.

2. The cost of the proposal amounts to Rs. 3600 per annum and I shall on receipt of the final edition of the Civil Budget Estimate submit a statement of reappropriation towards meeting the charge amounting to Rs. 2,250 during the current year.

3. A statement showing the sanctioned scale of staff and

3. / 3
establishment for each institution and the scale of appointments in the different grades of the Subordinate Educational Service - Collegiate Branch - is submitted herewith.

I have the honour to be,
Sir,

Your most obedient servant,

THE CEDED DISTRICT COLLEGE, ANANTAPUR.

(Report of the Inspection)

Commission.

(2) The contemplated addition to the work of the College is considerable and calls for treatment in detail.

The additions are as follows:-

i. for Part I, classes for all students in English,

ii. for Group (v) classes for the five regular subjects, and possibly for languages as an alternative to Political Science

iii. for Group (vi) classes for the teaching of Telugu and also of Sanskrit and Early South Indian History.

(i) The present staff (one senior Lecturer, who is also Principal and two Assistant Lecturers) is ample for the Intermediate work. The addition of B.A. classes will fully double the requirements, and an increase of the staff is plainly necessary. We understand that the Principal has applied to Government for the appointment of an additional man. In view of the fact that the Principal, who is the only teacher of English with the full status of Lecturer, must necessarily devote much of his time and energy to administration we are of the opinion that the addition to the staff should provide for a Lecturer (i.e. of the same qualifications as regards the lecturing work as the Principal himself) and not merely an additional assistant Lecturer. The full staff for English would then be:-

- a. one senior Lecturer
- b. one Junior "
- c. }
- d. } two assistant Lecturers

ii. The present staff for the teaching of History comprises one Lecturer and one Assistant Lecturer. For intermediate work only this provision would be generous. But the opening of B.A. classes for Group (v) involves the teaching of five new subjects, for each of which 3 or 4 hours must be set apart (say from 15 to 20 hours in the two classes), while the History staff will presumably have to provide a 3 or 4 hours' course in Early South Indian

History as the 'related subject' for Group (vi). We understood from the Principal that he would apply to Government for the appointment of an additional Assistant Lecturer. This should be regarded as the indispensable minimum; and in view of the importance of the subject it should be regarded as a sine qua non that one member of the History staff should possess special qualifications in Economics.

iii. In dealing with the teaching required for Group (vi) one must remember that the Pandits already have to provide for the teaching not only of vernacular Composition and Sanskrit Translation, but also of Telugu and Sanskrit as optional languages in Group (iii) of the Intermediate Course, i.e., by the current time-table, Sanskrit and Telugu cannot account for 5 hours each in class I and 5 in class II. The time-table contemplated for Group (vi) of the B.A. course will add nine hours (7 hours lectures, 2 hours library work) in each year for Telugu, and 2 hours for Sanskrit. Provided a first-rate man is always entertained in the position, a single Pandit should be able to overtake the work in Sanskrit, as the members in the classes are not likely to be large. But the appointment of a second and thoroughly competent teacher of Telugu must be regarded as indispensable.

The existing staff, as appointed and sanctioned for the work of Intermediate classes only, has already been augmented to meet the additional work of the Junior B.A. class. The propriety of this procedure in anticipation of affiliation it is not for us to discuss. But in looking to the future, we would point out that if the affiliation be granted immediately, and the present arrangements sanctioned ex post facto, the college will be obliged in July next to shoulder the full tale of work for both years of the B.A. course. The appointments recommended above (one lecturer in English, one assistant lecturer in History, and one fully qualified teacher in Telugu) should be regarded as indispensable conditions if the affiliation is to be granted.
