Resolution

Reference.

Read the following letter from P. C. Dutt, Esq., B.A.,

I.C.S., Collector of North Arcot, Ref. No. 2587-Gl./19,

dated 12th June 1919:-----

In forwarding herewith an application from Muhammad

Abdul Qadir, 2nd clerk of the Stationary Sub Magistrate's

office, Wallajah, on Rs. 20 for exemption to appear for the

special test examination (Criminal and Revenue tests).

I have the honour to state that, though the clerk is an

unpassed candidate, his knowledge of English is reported

x h. 4 mfm

x h. 5 mfm

to be better than that of many of the Secondary School Leaving certificate holders and that he bears a good character. As he belongs to the Muhammadan community, which is not adequately represented in the Revenue Department of this district I recommend that he may be granted the exemption sought for.

REFERENCE.

Submitted to Government.

2. The Board supports the Collector's recommendation.

3. In this connection the Board invites the attention of

Government to note (iii) to article 4 of the Special tests notification,

which lays down that the special tests are open to "any person who has been exempted by Government or the Board of Revenue from the examination rules in view to his holding a specified appointment for which any special test has been prescribed." The rule makes no reservation, even to Government, of the power to grant applications for permission merely to appear for a special test; permission to appear for such a test can only accompany sanction to hold the particular appointments for which the test is prescribed.

The Board doubted whether the above was the intention of Government and expected the point to be made clear when it submitted the case of N. Saiyid Muhammad of the Salem Collectorate for the orders of Government. Government, however, merely granted the permission applied

for

(G) for in that case (G.O.No.241, Home (Education) dated 24th February 1919); and the Board infers therefore that Government have reserved to themselves the power to grant such permission. If this presumption is correct, the Board would suggest that the point may be made explicit in the notification.

4. There is another point which requires notice. The Board

has power to grant permanent exemption from the examination rules only for posts on Rs.30 and less. No special tests are attached to such appointments; consequently the words "or the Board of Revenue" in note (iii) to article 4 quoted above have no meaning.

SECRETARY.

To,

The Secretary to Government, Revenue Department with an application.

The Secretary to the Government of Madras,
Educational Department,

Through

The Collector of North Arcot,
Vellore.

Honoured Sir,

I, Mohammad Abdul Kadar Sahab, Clerk, Sub-Magistrate's Office, Walajanagar most humbly beg to submit the following few lines for your honor's kind consideration and favourable orders.

That I read in the old Matriculation class for 2 years and was sent up for the Matriculation Examination in 1906 and 1907. In the latter year I failed in the examination for want of a few marks in Mathematics. Had the present School Final System been invogue then, I would have some how or other come out successful in the examination. The strained circumstances of the family did not permit me to continue studies for a year more and I had to join Government service as a clerk in the Revenue Department on RS.20 and have put in more than 6 years' service.

As I intend to appear for special test examination this year to qualify myself for a better post, I most humbly beg to request that your honor will be highly pleased to exempt me from the examination --

rules and to permit me to appear for the special test examinations this year.

For which act of kindness, I shall ever pray.

I beg to remain,

Honoured Sir,

Your most obedient servant,
