From (Name) the Hon'ble Mr. R. Littlehales, M.A.,

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir, /Through the Accountant-General, Madras/.

In their order No.199 Educational, Mis., dated 23rd February 1915 Government were pleased to sanction the employment of a Sanskrit pandit on Rs.30 per mensem for one year with effect from 1st July 1915 in the Government Secondary and Training School for mistresses, Triplicane. Since then the Pandit's post has been continued from year to year and the present sanction for its continuance expires by the end of the current month. The Inspectress of Girls' Schools, Central Circle, reports that the strength of the Sanskrit section has been increasing every year, (please vide the statistics in the margin) and considers that the Pandit's

post should be transferred without further experiment to the permanent establishment. She further recommends that the pay of the post be raised to Rs.40-4-60 in order to retain in it the services of V. Pattammal who comes of a respectable family being related to the late Sir V. Bhashyam Ayyangar, has been in charge of the section from its inception and has been responsible for its popularity. The proposal commends itself to me and I beg to submit it for the favourable consideration of Government with the modification that pay of the post be fixed at Rs.30-2-40 per mensem which is the rate of pay sanctioned for Pandits in Secondary Schools and that Pattammal be allowed three increments in advance in recognition of her three years' completed service.

2. The proposal may be sanctioned with effect from 1st July 1919 and on receipt of the orders of Government I shall submit a reappropriation statement to meet the extra cost during the current year.

3. I submit herewith a statement showing the sanctioned scale of staff for the school.

I have the honour to be,

Sir,

Your most obedient Servant,

for Director of Public Instruction

Subject - Permanent retention
of the Sanskrit Pandit, Govt.
Secondary & Training School for
mistresses, Triplicane.

Home (Edu) Department.

[CNo. 1276B]. From the D.P.D. RC No. 40761 of 14. 6. 19.

The D.P.D. requests -

① The permanent retention of the temporary
Sanskrit Pandit employed in the Govt. secondary
and training school for mistresses, Triplicane.

② The fixing of the pay of the post at Rs
30 - $\frac{2}{2}$ - 40 p.m., and

③ The grant to the present incumbent three
increments in advance of due date.

2. The temporary Pandit has been working
for the past ~~four~~ years and the Sanskrit class
has become popular, its strength having increased
from 35 in 1917 to 55 in 1919. The case for the permanent
retention of the Pandit appears to be strong and
the D.P.D.'s proposal in this respect may be
accepted.

As regards the pay also, the D.P.D.'s pro-
posal is in accordance with the scale laid
(X) down in G.O. No. 921 of 16. 10. 12. It
may be accepted.

3. The rules regarding the grant of increments
in advance of due date are contained in art.
153 of the C.S.R. They are very rigid and lay
state that "such a grant should not be
recommended or allowed excepting under
circumstances which would justify a

personal allowance to an officer whose pay is less
that is to say, seldom if ever." The D.P.O. states in
support of his recommendation to relax the rule
favour of the present incumbent of the post that
she belongs to a respectable family, and that
the school has become popular under her super-
vision and that in order to retain her services
she may be granted three increments in advance.
Ordinarily there may not be sufficient reasons
for relaxing the provisions of art. 153 of the CSB
But a respectable lady teacher is a rare
commodity and one who is competent to teach
Sanskrit is rarer still. Having regard to the
present stage of female education in this Presidency
it appears essential ~~that the rule should be relaxed~~ to relax
the rules in respect of lady teachers. In this view
the D.P.O.'s recommendation to grant the teacher
her increments ~~in advance of due date~~ may be
accepted.

4. The teacher was employed with effect
from the 1st July 1915. She has completed
four years' service on 1st July 1919 and
earned only two increments and not three
as stated by the D.P.O., the increment being
Rs 2 for every two years. She may therefore
be permitted to draw Rs 34 with effect from
the 1st July 1919.

5. A draft order is submitted. If approved,

it may be forwarded to Financial W.O.
acceptance.

The extra cost under permanent establishments is Rs 432 per annum against a saving of Rs 360 per annum under temporary establishments. In the circumstances stated by the D.P.D. the permanent retention of the pandit on the scale of pay proposed, which is the usual scale, may be agreed to.

2. The Board and the Home Dept. strongly recommend that the existing incumbent should be started at the stage of Rs 34 in the scale of Rs 30.2-40. As already pointed out in the Home Edu. notes, the

increments in advance of the due date proposed, are sanctioned, it is for orders whether the recommendations of the Home (Cdr.) Dept. may be accepted.

3. Subject to orders on para: 2 above, the draft order may, if submitted, be accepted. The sanction has been registered as No. 114 of 1919-20.

he had not perhaps object to the two increments, though it seems to me that this teacher having worked for ~~four~~ five years in a temporary appt: on 30/- wages have been constant with the ~~per~~ appt: being made permanent the prospective increase to Rs: 40/-.
