To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

With reference to paragraph 2 (v) of G. O. No.844 Rev. (Special) dated 1st May 1919 communicated with Endorsment No.1112 A-1 dated 6th May 1919 requesting the Directors of Public Instruction and of Agriculture to report whether the officers who may be selected for the preparation of text-books for the use of teachers in Agricultural Middle schools should be placed on special duty or whether the work can be entrusted to them without detriment to their ordinary duties I have the honour to state that so far as

2

the preparation of the text-books on Geography and Mathematics by officers of this Department is concerned it will be necessary to place the officers selected for the purpose on deputation for a period of at least one month. Government having already approved of the utilization of the services of M. R. Ry. S. Lakshmana Ayyar Avl., Lecturer in Geography, Teachers' College, Saidapet, for the preparation of the Text-Book on Geography - please vide para 2 (v) of G. O. No. 844 Revenue (Special) dated 1st May 1919 - it remains for me to select an officer for the preparation of the Text-Books on Mathematics, and I beg accordingly to recommend that M.R.Ry. V. Raghunatha Ayyar, a Sub-Assistant Inspector of Schools may be entrusted with this task. The latter was formerly an Assistant in Mathematics in the Teachers' College, has since been in touch with his subject, having framed sets of Mathematical questions and being engaged in the preparation of a treatise on Elementary Mathematics and is in my opinion quite competent for the work proposed to be allotted to him. I request that the sanction of Government may be obtained for placing these two officers on special duty with a deputation allowance of one-fifth of their pay for the preparation of the text-books in question for one month from 7th July 1919, the date of the reopening of the Teachers' College, Saidapet after the current summer vacation by which time M. R. Ry. S. Lakshmana Ayyar Avl., will, it is expected, have returned from his tour to Calcutta and other places sanctioned in G.O. No. 645 Home (Education) dated 19th May 1919.

I have the honour to be,

Sir,

Your most obedient Servant,

Subject. Preparation of textbooks in
geography & mathematics for ~~the~~
use ⁱⁿ of agricultural middle schools

The D.P.T.'s proposal to place M.R.R.
S. Lakshman Ayyar & V. Raghunatha
Ayyar on special duty for the
preparation of ^{in geography and Mathematics} text books ^{respectively} may
be accepted.

2. The Director recommends the
grant of a deputation allowance
of one-fifth of their pay to the
two officers. He has not explained
the necessity for the grant of such
an allowance. It has been held
that deputation allowance should
be granted ordinarily only in
cases where the special duty
involves a change of station
for a period exceeding three months
^{that} and where the special duty does
not involve a change of station
for more than three months no
allowance should be given unless

The officers apprise & satisfy the
Govt that the special duty
involves substantial extra ex-
pense. As the special duty
is only for one month in the
present case the D.P.I. may
be requested to state if it is
necessary to grant the allowance.

3. There is a provision of Rs. 25,000
in the current year's budget under
the head "22 F." for the establish-
ment of agricultural middle
schools. The cost of the proposed
special duty may be met from
this provision. The D.P.I. may be
consulted on this point also.

The Honourable

Sri Alexander Cardew's note,

which was concurred in

by the Honble Mr. Rajagopala

Achariyar, put the question of the
grant of deportation allowance
dependent on 'expense'. This was not
~~concerned~~ concurred in by the ^{late} Honble Mr.
Gillman, ~~who~~ who urged that the
ground of 'increased responsibility' should
also be taken into consideration, nor
by H.E. Lord Pentland, who was inclined

to consider ^{ease} as it arose with ref. to the provisions of the C.S.D. The object of basing the question on the ground of 'expense' was that it would be difficult to assess definitely points relating to 'increased responsibility' & 'special aptitude'. In the present case, however, it seems to be not open to doubt that writing a text book on Mathematics or Geography will entail additional responsibility than holding the post of lecturer or carrying on the duties of a Sub Assistant Inspector of Schools. Though the D.P.I. has not stated explicitly that the new work proposed will entail on the officers increased responsibility, his proposal to grant them deputation allowance has obviously that factor underlying it. It may be unnecessary to make any further reference to the D.P.I. on the point. Please see, however, notes on pages 9 & 10 of the notes with fo. No 844 (Rev. Gpl) dated the 7th May 1919.

The file may be sent to Rev. Gpl & Tril. for ~~consideration~~ consideration with the support in this department of the D.P.I. proposed.

The work is specially responsible & you can get a good work turned out only if the authors are remunerated. They will get much more if they prepare the textbooks in their leisure hours & sell the copyright.

To Under Secy,

Please see notes supra. The officer selected for the preparation of the text-book on agriculture and nature study will be on special duty for six months and he will take these six months not continuously but in spells at his convenience. The Govt in para 6 of Order H 34 d 6.6.19 considered that no special remuneration was necessary for the officer as he will be "on special duty from time to time for the purpose." It seems to be the intention that neither deputation allowance nor honorarium is called for in this case.

2. In the present cases

however the two officers for the preparation of text books on Mathematics and Geography will be on special duty for one month, i.e., during this period they will have no other work and according to the Secy's view at the foot of page 9 of notes to 80844 d 1-5-19 no ^{special} remuneration seems to be necessary. The Home (Edl) dept seems however to be of a different view. For orders.

This only concerns us in so far as there is a possibility of disson (but if the various authors are treated differently. I think of that if a dept. allow is granted to the two education officers ~~then~~ we shall have to move for an honorarium for the agricultural officers.
