Letter—from the Hon'ble Mr. R. LITTLEHAILES, M.A., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—the 25th June 1919.

No.—R.C. 3948.

The Government Lower Elementary Training School for Muhammadan Masters, Guntur, which was opened temporarily for a period of twenty months from 1st September 1914 under the authority of G.O. No. 736, Educational, dated 23rd June 1914, has since been continued on a temporary footing up to 1st April 1920 under G.Os. No. 793, Educational, dated 19th July 1915, No. 1349, Educational, dated 12th December 1916, and No. 231, Home (Education), dated 21st February 1918. Four batches of students aggregating 122 have till now been trained and sent out of the school, while a batch of about 30 students admitted in July 1918 is now in the second year course. It is stated that the Sub-Assistant Inspectors of Schools, Vizagapatam, Bezwada and Madras Muhammadan Ranges, report that there are still many untrained Muhammadan teachers in the schools in their ranges and that at least ten candidates from each range will be available for admission every year in the Guntur Muhammadan Training School. In these circumstances both the Inspector of Schools, Second Circle, and the Inspector of European and Training Schools propose that the school be retained permanently. I have the honour accordingly to request the sanction of Government for the permanent retention of the school and for revising the scale of staff and establishment as detailed below with effect from 1st April 1920, the date on which the present sanction for the continuance of the school expires:—

Existing scale.				Proposed scale.			
			RS.				RS.
Headmaster	...	...	75	Headmaster (cadre of Sub-Assistant	...	...	75
First assistant	...	...	*50	Inspectors)	...	...	75
Second assistant	...	...	40	First assistant (cadre of supervisors)	...	...	50
Combined drawing and drill instructor	...	...	30	Second assistant (cadre of supervisors)	...	...	40
Peon	...	...	8	Gymnastic instructor	...	...	20
				Peon	...	...	8

Should have ceased with 30th April 1919, but continued in anticipation of sanction.

2. As the sanction accorded in G.O. No. 231, Home (Education), dated 21st February 1918, to the employment of the assistant on Rs. 50 per mensem in the school expired on 30th April 1919 and as his further continuance is necessary with a view to the admission of a fresh batch of students for training in July 1919, I beg to request that sanction may be accorded to the continuance of the post from 1st May 1919 up to 1st April 1920, the date on which the revised scale proposed in paragraph 1 above will come into effect. The necessary provision for the charge exists in the current year's budget.

In the circumstances explained in paragraph 1 of the Director's letter, the proposal to retain *permanently* the Government Lower Elementary Training School for Muhammadans at Guntūr may be approved. Attention is solicited to the notes to G.O. No. 231, Home (Education), dated 21st February 1918. It may also be pointed out that the percentage of *trained* teachers in elementary schools in Guntūr to the total number employed was only 30 on the 31st March 1918 as against a Presidency average of 35 per cent.

2. The establishment proposed for the school follows the scale sanctioned for other lower elementary training schools in the Presidency and calls for no remarks (G.O. No. 1231, Educational, dated 4th November 1914). The retention from 1st May 1919 up to 1st April 1920 of the additional assistant on Rs. 50 sanctioned in G.O. No. 231, Home (Education), dated 21st February 1918, may also be sanctioned in view of the admission of a fresh batch of students for training in July.

3. A draft order is submitted. If approved, it may be sent to Financial for acceptance.

Apparently the Director of Public Instruction intends to introduce the same system in the Guntūr Training School also.
