2. Further orders will issue in the Home (Education) Department regarding the payment of the subsidy.

Copy of letter from the Chairman, Municipal Council, Masulipatnam
No.25, dated 10th March 1919.

In forwarding herewith the Council's resolution No.17, dated 8th February 1919, I have the honour to state that the strength of the municipal girls' school at Patharamannapeta opened with the aid sanctioned in G.O. 1585, dated 15th December 1917, has been steadily growing. The present strength of the school is 89 girls. A number of girls who are daily attending the school are not admitted for want of sufficient teaching staff. If the admissions are freely allowed the strength will grow up to even 130.

2. The two teachers sanctioned for the school are working strenuously and they are unable to cope with the work of the five classes including the special subjects (i.e.) needle work and physical exercise etc. Moreover, there is a great demand for instruction in music in the school and a tutor is already engaged with ^{the} help of the private subscriptions and they are now going down. I request therefore that you will be so good as to accord sanction for the entertainment of a music teacher on Rs.10 and a second assistant on Rs.12 per mensem and to allot the funds required from the Provincial grant as the municipality is unable to go in for additional expenditure.

3

Copy of endorsement of the Director of Public Instruction, No. H.R.C. 3493/19 dated 20th May 1919.

Submitted.

2. I support the Council's proposal to employ a third teacher in the school. His pay, if he is a trained teacher may be fixed at Rs.13 per mensem, and as the Municipality spent in 1917-18, 15.7 of its income on Education against the Presidency average of 6.7, I also recommend the payment from provincial funds of an additional subsidy on this account. The amount required for the ten months of the current year, viz., Rs.130 may be met from the provision in the current year's budget for payment of subsidies in support of local bodies.

3. No subsidy is recommended for the music teacher whose pay, if he is continued, should be met from special fees and private donations. I would go further and suggest that the Council be not permitted to use its own funds on the payment of a music teacher. It may be added that the school in question is of the Lower Elementary grade and that one of the conditions laid down in G.O. No.1599 Home (Education) dated 13th December 1918 is that a special teacher of music should ordinarily be employed only in institutions of the secondary and higher elementary grade.

may be agreed to.

The Council proposes to employ an additional assistant and also a music teacher. A subsidy may be sanctioned to the council towards the employment of the former. As regards the latter, the Director refers to the conditions laid down in G.O.No.1599 Home (Edn.), dated the 13th December 1918. This G.O. refers to the employment of teachers for instrumental music. As regards vocal music, the D.P.I. is of opinion that it should be taught by class teachers. It is not known in the present case whether the teacher is for vocal music. The council may perhaps be informed in the sense of the D.P.I's endorsement on page 4 of current file.

As the school is only of the lower elementary grade, a special music teacher seems unnecessary. The D.P.I's opinion in this regard may be agreed to.

the employment of an additional assistant in the municipal girls' school at Patharamannapeta and the grant of a subsidy to meet the cost of the teacher.

2. Rate of pay:- The Council asks for an assistant on Rs.12 but the D.P.I. recommends a pay of Rs.13 which is the minimum pay of trained women teachers in elementary schools. Submitted that Financial may agree to a pay of Rs.13 per mensem provided the municipal council employs a trained woman teacher. Otherwise Rs.12 proposed by the Council would suffice.

3. Music teacher-- As pointed out by the D.P.I. no subsidy need be granted for the music teacher.

Subject to these modifications the proposals of the Municipal Council may be accepted.

With reference to the Financial Department note on the previous page, it is submitted that the minimum pay of all women teachers, whether trained or untrained, has been raised to Rs.13 per mensem. There is therefore no objection to allowing this rate of pay so long as a woman teacher is employed in the additional assistant's post to be newly created in the school. The draft order may otherwise be accepted in this Department and the file returned to E & M through the Financial Department.
