HOME (EDUCATION)

Department.

Sir,

/Through the Accountant-General, Madras/

I have the honour to request that you will be so good
as to obtain the sanction of Government to the employment
from 1st July 1919 of an additional Lecturer in English in
the Ninth or last grade of the Provincial Educational
Service and an additional Assistant Lecturer in History in
the fifth or the last grade of the Subordinate Educational
Service - Collegiate Branch - in the Ceded Districts College,
Anantapur in view to the opening of the Senior B.A. Class
in the College in July next. The present teaching staff
of the College consists of a Principal, 3 Lecturers in the

Provincial Educational Service one each for Mathematics, History and Science and 6 Assistant Lecturers 2 for English and one each for Mathematics, History, Science and Logic. The Principal reports that the time table in English provides for 40 hours of lecturing and library work in the week for all the four classes besides the correction of the composition exercises of about 150 students and that as much of the time of the Principal has to be devoted to administrative and other work including the supervision of the secondary training class attached to the College an Additional Lecturer is absolutely necessary for the efficient working of the English Department. As regards History, it is stated that the four classes will have 38 hours work a week including library classes and that when the additional assistant now proposed is appointed in the lecture work of the History staff which will then consist of one lecturer and two assistants will be distributed as below:-

Lecturer	12 hours lecturing	1 hour library work
1 Senior Assistant		
Lecturer	10	2 hours
1 Junior -do--	11	2

In this connection I extract below the opinion of the Commission appointed by the University to conduct the local enquiry in regard to the question of further affiliation of the College in Groups (V) and (VI) of the B. A. course.

In the circumstances set forth above I consider the additions to the staff proposed to be necessary and that the addition to the cadre of the Provincial Educational Service should be in the Ninth grade (Rs.200) and that to the cadre of the Subordinate Educational Service in the Fifth grade (Rs.100)

The two cadres will then stand as follows:-

3. Provincial Educational Service

I	Grade	(700)	3
II	"	(600)	3
III	"	(500)	3
IV	"	(450)	4
V	"	(400)	6
VI	"	(350)	6
VII	"	(300)	6
VIII	"	(250)	11
IX	"	(200)	17
			plus 1 temporary
			59 plus 1

Subordinate Educational Service

I	(200)	3
II	(175)	9
III	(150)	13
IV	(125)	18 plus 1 temporary
V	(100)	26 plus 1 temporary
		69 plus 2

In the Kumbakonam College besides the Principal and Senior Professor of English there is a Lecturer in English in the Provincial Educational Service and I consider that the Lecturer in English proposed for the Ceded Districts College should be a member of the same service.

2. The extra cost on account of the proposal during the eight months of the current year will amount to Rs.2400 for meeting which I shall submit a statement of reappropriation on receipt of the final edition of the Civil Budget Estimates.

I have the honour to be,

Sir,

Your most obedient Servant,

G. S. Srinivasan

Commission.

(2) The contemplated addition to the work of the College is considerable and calls for treatment in detail.

The additions are as follows:-

- i. for Part I, classes for all students in English,
- ii. for Group (v) classes for the five regular subjects, and possibly for languages as an alternative to Political Science
- iii. for Group (vi) classes for the teaching of Telugu and also of Sanskrit and Early South Indian History.

(i) The present staff (one senior Lecturer, who is also Principal and two Assistant Lecturers) is ample for the Intermediate work. The addition of B.A. classes will fully double the requirements, and an increase of the staff is plainly necessary. We understand that the Principal has applied to Government for the appointment of an additional man. In view of the fact that the Principal, who is the only teacher of English with the full status of Lecturer, must necessarily devote much of his time and energy to administration, we are of the opinion that the addition to the staff should provide for a Lecturer (i.e. of the same qualifications as regards the lecturing work as the ~~Principal~~ Principal himself) and not merely an additional assistant Lecturer. The full staff for English would then be:-

- a. one senior Lecturer
- b. one Junior ,,
- c. }
- d. } two assistant Lecturers

ii. The present staff for the teaching of History comprises one Lecturer and one Assistant Lecturer. For Intermediate work only, this provision would be generous. But the opening of B.A. classes for Group (v) involves the teaching of five new subjects, for each of which 3 or 4 hours must be set apart (say from 15 to 20 hours in the two classes), while the History staff will presumably have to provide a 3 or 4 hours' course in Early South Indian

History as the 'related subject' for Group (vi). We understood from the Principal that he would apply to Government for the appointment of an additional Assistant Lecturer. This should be regarded as the indispensable minimum; and in view of the importance of the subject it should be regarded as a sine qua non that one member of the -- History staff should possess special qualifications in Economics.

iii. In dealing with the teaching required for Group (vi) one must remember that the Pandits already have to provide for the teaching not only of vernacular Composition and Sanskrit Translation, but also of Telugu and Sanskrit as optional languages in Group (iii) of the Intermediate Course, i.e., by the current time-table, Sanskrit and Telugu ~~cannot~~ account for 5 hours each in class I and 5 in class II. The time-table contemplated for Group (vi) of the B.A. course will add nine hours (7 hours lectures, 2 hours library work) in each year for Telugu, and 2 hours for Sanskrit. Provided a first-rate man is always entertained in the position, a single Pundit should be able to overtake the work in Sanskrit, as the members in the classes are not likely to be large. But the appointment of a second and thoroughly competent teacher of Telugu must be regarded as indispensable.

The existing staff, as appointed and sanctioned for the work of Intermediate classes only, has already been augmented to meet the additional work of the Junior B.A. class. The propriety of this procedure in anticipation of affiliation it is not for us to discuss. But in looking to the future, we would point out that if the affiliation be granted immediately, and the present arrangements sanctioned ex post facto, the college will be obliged in July next to shoulder the full tale of work for both years of the B.A. course. The appointments recommended above (one lecturer in English, one assistant -- lecturer in History, and one fully qualified teacher in Telugu) -- should be regarded as indispensable conditions if the affiliation is to be granted.

Subject. Additional lecturers for
the leeded District College, Anantapur.

The D.P.I. recommends the employment of an additional lecturer in English & an additional asst lecturer in History in the leeded District College, Anantapur.

2. Lecturer in English.

The staff of the English section in the leeded District College is compared below with the staffs in the same section in the Colleges at Kumbakonam & Rajahmundry.

The University Commission ~~has~~ which inspected the leeded District College in connection with its affiliation for the B.A. (Pass) Course strongly recommends that an

additional hand, ^{a lecturer} ~~for the English~~
^(as the present Principal himself)
~~of the~~ status of ~~professor~~, should
 be employed. The Director recom-
 mends that as in the case of the
 Govt College, Kumbakonam, this
 lecturer should be an officer of
 the Prov. Educational Service,
 that an addition may be made to the last grade of the service for the purpose.
 The proposal may, it is submitted,
 be accepted.

3. Asst. lecturer in History.

The Colleges at Kumbakonam &
 Rajahmundry have one lecturer

 section. The Ananta pur College
 has at present ~~only~~ one lecturer

 to appoint another assistant
 (to be included in the last grade of the S.E.S.)
 may be approved.

The extra cost on account of the strengthening of the staff in the Coded District College, Anantapur comes to Rs 300 p.m. or Rs 3,600 per annum. It will be seen from the statement on page 1 ante that in the Rajahmundry College there are only 3 Assistant Lecturers in English (Assistant Lecturers are borne on the ~~Subordinate~~ Subordinate Educational Service) besides the Principal. Ordinarily, an additional Assistant Lecturer (S.E.S.) in English would seem sufficient in the Coded District College. But as the Inspection University Commission which inspected the College recommends the appointment of a lecturer (not an asst. lecturer) for teaching English, this dept. may

perhaps agree to the proposal. The additional appointments proposed are in the last grade of the Prov. Ed. Service, and Sub. Ed. Service (Collegiate grade). The draft order may, it is submitted,

be accepted, the sanction being registered as No. 115 of 1919-20. ~~has~~

the staff of the Rajahmundry College, it may be pointed out that this institution has been successively putting forth very bad results in English for some years both in the Intermediate & the B.A. degree examinations. The D.P. in his review on the report of this College for 1917-18 even remarked that a thorough investigation of the working of the staff in English should be made and necessary steps taken to improve it. No definite proposals have, however, been sub? in this regard.

The staffs between the two colleges are contrasted below:-

1 Asst (SES)	the same.

2. The Principal hitherto taught English. He has been transferred. He was an authority in English literature & one shall want a equally strong man to fill his place even to some extent.

I approve the draft 9.0.
