From (Name) L.D.Venkatarama Ayyar Ayl., B.A., B.C.E.,

(Designation) Suptg. Engineer, III Circle.

To The Chief Engineer, Public Works Department,
(General & Irrigation), Madras.,

Sir,

Read - the following paper:--

From E.W.P. Walsh Esq., Executive Engineer, Madanapalle
Division, No. 6706, dated the 1st of July 1919:--

With reference to your No. 5265, dated the 18th June 1919,
communicating Chief Engineer's Orders that no case has been made
out for treating clerk N.Raja Rao's request as a special case, I
have the honour to submit for your consideration that the clerk is
conversant with every branch of work in the Division Office, and is
painstaking, intelligent, and reliable and also far above the -
average specimen of passed Matriculates or School Final candidates
met with in Divisional Offices. As his services are more valuable
than many passed candidates, it appears to me but reasonable that

Copy forwarded to the Chief Engineer, Public Works Deptt., (General & Irrigation), with reference to Memo No. 3858-C, dated the 10th June 1919 for favour of disposal.
