Allowance for a
games mistress

Home (Edg)

le. 1278/B, from the Committee of the L. M.
School, R.O.C. 521/19, 24.6.19.

In the School budget for
1919-20 the Committee of the Lawrence
Memorial School had included a sum
of Rs 3,000 for the provision of a play-
ground for the girls' branch and had
also provided a sum of Rs 180 ~~for~~ for
an allowance of Rs 15 p.M. to a games
mistress to supervise the girls' games.
In view of the bad feignings of the school
which the Govt: ~~has~~ ^{struck out} these two items
The now-recurring grant of Rs 3,000
for the play ground has however been
since sanctioned from Provincial fund
- G.O. No. 590 Edn. d/10th May 1919. The
Committee now enquires whether
an allowance of Rs 15 p.M. will now
be sanctioned for a games mistress.
Here again a Govt: grant of a
recurring nature would ~~probably~~ be
necessary as the Committee has no
funds of its own. It does not appear
desirable to make a ^{recurring} grant for this
small item ^(of expenditure.) ~~It is doubtful~~
not to renew whether the play ground

has been rendered fit for use and is now being actually used. In any case it will be used during the course of the year. It seems ~~therefore~~ ^{therefore} that a games mistress is necessary and the proposed allowance of Rs 15 per mensem may be sanctioned, the amount being met from the closing balance of Rs 1947 in the budget for 1919-20. Subject to ^{order} ~~approval~~ a draft order is submitted.

Information on the points raised by the W.S. may possibly be had in G.O. No. 590 Ed. 1, d/ 10th May 1919 in which the grant of Rs 3,000 was sanctioned towards the provision of the playground in question. As this G.O. is put up in the file re: telephonic installation at the school which is now in the P.W.D., the P.W.D. may be requested w/o to put up that G.O.

Q. No: 590 Ed. 2, d/ 10th May 1919 has just become available. But it does not contain sufficient particulars to answer w. 28 queries overleaf. But the extent of the play ground seems to be 300 ft. by 150 ft. (p. 3 of Q. at (1)). As for the kind of games played, all that the Committee has said is that "It is essential for the moral & physical welfare of the girls that games such as "hockey" &c should be played regularly". For orders whether full information on the point should be called for.

para 3 - p. 2 of Q. at (1)

14.7.19

I refer the Games question in the same way as the Telephone - a luxury which may be permissible if the School could afford it. In the state of the Committee's funds I hardly think their application is justified. Perhaps one of the existing mistresses can be found with a sufficient knowledge of Games. & this or some big girls at the school, one of them could take it on.
