Hon'ble Sir,

I am directed to forward for the orders of His Excellency the Governor in Council five memorials addressed to the High Court from five clerks attached to the Civil Courts in the Salem District for exemption from the Examination Rules so as to enable them to hold posts carrying a pay of upwards of Rs.20/-.

A copy of a letter No.3424, dated the 9th June 1919 from the District Judge of Salem forwarding the memorials is enclosed.

I have the honour to be,
Hon'ble Sir,
Your most obedient servant,

I have the honour to forward herewith, for the orders of the High Court, five memorials addressed to the High Court by five clerks noted in the margin who are attached to the Civil Courts of this District praying for exemption from

1. V. Ramaswami Ayyar, 6th clerk, Principal District Munsif's Court, Salem.
2. R. Vedantachari, 6th clerk, District Munsif's Court, Krishnagiri, now doing duty in the Principal District Munsif's Court, Salem.
3. S. P. Govinda Rao, 9th clerk, Additional District Munsif's Court, Salem.
4. S. N. Subba Rao, 3rd clerk, Additional District Munsif's Court, Salem.
5. V. K. Srinivasa Ayyangar, Examiner of copies, District Court, Salem.

2. Copies of letters of the District Munsifs of Salem (Principal and Additional) forwarding the memorials of Nos. 1 to 4 and recommending their exemption are also forwarded herewith.

3. I do not recommend exemption myself: every one of the applicants failed in 1906 or earlier, and the last Matriculation Examination was in 1909; so that every one had ample opportunity to pass if he was ever likely to be competent.

Most Honoured Sir,

I respectfully beg to lay before your Lordships an application for exemption from Article I of the Public Service Notification, the following representation for your Lordship's benign consideration and favourable orders:--

I was entertained in this department as a Reader on Rs.15 on 17-7-1911 and with perseverance and hard and diligent work I was discharging my duties to the entire satisfaction of my superiors and I was promoted to the post of a clerk in the year 1912. I have now put in a service of nearly 8 years in this department.

Further I beg to state that I had appeared for the Matriculation examination more than once and my attainments are equal to that of a Secondary School Leaving Certificate holder and such a certificate was not in vogue in those days, and I am therefore not in possession of one. I am now doing the duties of a clerk and I am quite conversant with all the branches of work in the Judicial Department.

In these circumstances I pray that I may be exempted under the said article of the Public Service Notification and may

be given promotion under the new scheme.

For which act of kindness, I shall as in duty bound, be
ever greatful.

Dated 20-3-19.

Sir,

I have the honour to submit herewith an application for
exemption under Article I of the Public Service Notification
put in by V. Ramaswami Ayyar, a clerk of this Court.

The applicant was working under me while I was District
Munsiff of Krishnagiri and I got him transferred to this Court
as I wanted a hard-working and reliable clerk to attend to
the petition work of this Court. He has been doing his work
exceptionally well and it seems to me that his knowledge of
English is as good as that of any secondary school leaving
certificate holder. It would be a pity if he does not get any
promotion for the mere reason that he comes under the class
of unpassed men.

I have the honour to be,

Most Honoured Sir,

I beg to lay before your Lordships an application for favour of exemption under Article I of the Public Service Notification.

I was first entertained in the Revenue Department in 1908 and I was then appointed in the Judicial Department as a clerk on Rs. 20 on 17-7-1911. I have now put in a service of nearly 8 years in this department and during this period I have done good and efficient -- service under the Munsifs I have served and I am now conversant with all the branches of work in the Judicial Department.

Further I respectfully beg to state that I applied for the Matriculation examination thrice, i.e., 1905, 1906 and 1907 but failed. My knowledge of English and other subjects are equal to that of a Secondary School Leaving Certificate holder and such a certificate was not in vogue in those days.

I therefore respectfully beg that I may be exempted under the said article and promotions be given to me considering my hard case in these days of famine.

For which

For which act of kindness, I shall as in duty bound ever pray.

May it please your Lordships:-

Your Lordships' petitioner humbly begs to represent his hard case in the hope that your wisdom, generosity, and sense of justice will prompt your lordships to give him the relief that he earnestly prays for.

Your Lordships' petitioner is among those who have long awaited with a sickening heart the eagerly - expected introduction of the scheme recommended by the Honourable Mr. Justice Phillips for the betterment of the judicial staff. To his bitter disappointment and confusion he now learns that in spite of his approved service of $7\frac{1}{2}$ years he is not to share in the benefits of the scheme merely by reason of his happening to have failed at the Matriculation Examination in years gone by, when it was admittedly a very hard test, which very few students could surmount. Since those days Secondary School-Leaving Certificated candidates of far inferior abilities to your Lordships' petitioner have been freely admitted into Government Service, and any one of those raw youths may supersede your Lordships' petitioner and draw the -- higher rate of pay from which he is for ever excluded in spite of any abilities he may show, and whatever good work he may turn out. He has however, like the Secondary School Leaving Certificate holder completed his Secondary School Course, and may therefore be regarded as on a par with such candidate. Your Lordships' petitioner is

is quite as well, if not better, equipped than most S.S.L.C. candidates; he has served for 7½ years to the satisfaction of the District Munsiffs and has had no bad remarks passed on his work either by his immediate official superior or by the District Judge in his annual inspection of the Subordinate Courts. For the past 7 years he has been in charge of small ^{cause} petition work and has given satisfaction to the presiding Munsiffs. He is familiar with all the branches of work in the Munsiff's Court.

In these circumstances your Lordships' Petitioner prays that the Honourable the Judges would be graciously pleased to recommend to His Excellency the Governor in Council that your Lordships' humble petitioner may be exempted from the provisions of article 1 of the Public Service Notification so as to allow him to draw pay to the extent of Rs. 35/- which is now the pay of the 2nd clerk in every District Munsiffs Court.

I beg to remain,

Your Lordships' most obedient servant.

Sir,

I have the honour to submit herewith an application for exemption from Article I of the Public Service Notification from S.P. Govinda Rao, 9th clerk of this Court.

2. He has been serving under me for nearly 3 years as Small cause petition clerk and during this period, he has been diligent in his work and his work was satisfactory. His previous record also appears to be good.

3. As far as I am able to judge his knowledge of English and his general knowledge are as good as that of the ordinary Secondary School Leaving Certificate holder. He deserves encouragement and would have got a promotion under the scheme newly sanctioned, but for the fact that he failed in the Matriculation Examination.

I was promoted to the grade of a Reader on Rs.15 on 1-1-1914 and again gradually promoted to the grade of a clerk on Rs.20 on 21-2-1918 and I have now put in a service of nearly 8 years in this department.

Further, I beg to state that I have passed the Government Lower Secondary Examination and I have completed the course of Secondary School Leaving certificate examination and also appeared for the Matriculation examination more than once but failed. V. K. Srinivasan has been my student for two years in the High School. I know him well and have found him to be of an excellent character. He distinguished himself in class by his unusual hard work. There was no such a thing as loss of time with him, and it was well known among his fellow students. He was day and night earnestly at his studies, and in class he was no less earnest. His conduct in and out of class was quite exemplary. He speaks and writes English fluently, and he held a fair place in class always. The humble petition of V.K. Srinivasa Ayyangar, permanent Examiner of copies, District Court, Salem, most respectfully sheweth:-

That your petitioner has put in upwards of five years' service in the Judicial Department, having first been entertained as an acting clerk in the year 1913.

2. That your petitioner has completed the High School course and had appeared for the old Matriculation Examination in the years 1906, 1907, and 1908, and that your petitioner passed in the first examination held in 1908 (vide page 28 of --- Supplement to part I-B of the Fort Saint George Gazette dated the 19th January 1919, No. 9550), but unfortunately failed to succeed in the re-examination which was held in February 1909, only for such of the students as had passed in the first examination in English and Mathematics.

3. That your petitioner has herewith submitted copies of testimonials given him by the Professors during his --- scholastic career.

4. That your petitioner begs to submit that the old Matriculation Examination which was considered an unnecessarily hard and rigid test requiring candidates all round abilities with an irreducible minimum in each of the several subjects has now been superseded by the new School Final course, comparatively much easier, requiring no systematic minimum except the so-called the presidency average and only serving as a passport for men to enter Government service. Unfortunately though your petitioner was --- declared successful in the first examination he was considered to have failed in the re-examination simply because he had not secured

the required minimum in one of the several subjects. Afterwards your petitioner was constrained to give up his studies as he had no sufficient means to prosecute the same. Your petitioner possesses as much knowledge of English as, or more than, a pupil who has completed his school final course and that therefore it is but fair that your petitioner's educational attainments should be viewed on a par with those of the present school final men.

That your petitioner therefore most respectfully and humbly prays that he may be exempted from the operation of Article I of the Public Service Notifications so that he may become eligible to get promotion to appointments carrying a salary of more than Rs. 20 which are to be made now in connection with the revision of pay of the clerks of the Civil Courts.
