From (Name) The Honourable Mr. R. Littlehailes, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

In their order No. 845 Edl., dated 20th September 1912 Government approved the proposal to employ two instructors in Manual Training on a salary of Rs.400-20-500 with travelling allowance at first class rates and with the benefits of the European Service leave rules for a period of five years and to attach one of the officers to the Teachers' College, Saidapet, to instruct teachers for secondary schools and colleges and train persons willing to specialize as Manual Training Instructors and the other to the Inspector of European and Training Schools for the main purpose of organising and instructing classes in European Schools at Madras

and in mofussil centres. Mr. Fyfe was appointed by the Secretary of State to the latter post and he joined duty on 11th February 1915. As the term of five years for which the post was created expires by the 10th February 1920 and its continuance is very necessary in view to the development of manual training classes in European Schools, I have the honour to request that Government will be pleased to sanction its permanent retention from 11th February 1920 together with the establishment sanctioned for the office in G.O.No. 845 Edl., dated 20th September 1912. I beg further to recommend that the pay of the post be fixed at Rs. 400-25-650 per mensem and that the new incumbent of the office be granted the same terms as regards travelling allowance and leave rules as those specified in para 3 of G.O. No. 845 Edl., dated 20th September 1912 it being considered that the existing scale of pay is not adequate enough to retain in the city of Madras the services of a qualified and capable European Instructor for a reasonable period.

I recognise that this might imply the raising of Mr. Porrett's pay above Rs. 500 per mensem some years hence after the newly appointed instructor reaches Rs. 500 per mensem; but inasmuch as this eventuality is five years off and with the industrial development of India, men of Mr. Porrett's qualifications are not likely to remain satisfied with Rs. 500 per mensem, we shall be merely anticipating what will, in my opinion, eventually come to pass.

2. In their order No. 1221 Home (Edn) dated 21st November 1916 Government approved the proposal to appoint Mr. Fyfe temporarily as ^{Inspector of Industrial Schools} ~~Instructor in Manual Training~~ and to grant him an allowance of Rs. 150 per mensem in addition to his pay as Instructor and the above arrangement was allowed to continue in G.O.No. 1017 Home (Edn) dated 5-8-18, the question of appointing a fulltime officer as Inspector having been deferred for consideration. As the Director of Industries has informed me that he has proposed to Government in the Revenue Special Department in his letter No. 1560 dated 20th March 1919 of which he has favoured me with a copy, ~~and~~ that Mr. Fyfe's wholetime

3

should be placed at the disposal of that Department I have agreed subject to the approval of Government to waive the claim of the Educational Department to his services after the term of five years for which he has been engaged in the first instance has terminated i.e. after 10th February 1920 and even earlier should a suitable successor to him be meantime found.

In these circumstances I have the honour to request that Government will be pleased to take early steps for the recruitment of an officer from Home possessing the following qualifications which are considered necessary.

- (a) The City and Guilds of London Institute-Wood Work, Teachers' Final Certificate,
- (b) at least 3 years' teaching experience
- (c) some qualifications in drawing preferably the class Teachers' Drawing Diploma or similar certificate.

It would be desirable for the applicant to possess also some additional technical certificates or have experience in, for example, metalwork or weaving. The certificates possessed by Mr. Fyfe are detailed below and I consider that a person of similar qualifications and character to Mr. Fyfe would be admirably suited to the post.

- p. 39/40 225
26-2-15
1. City and Guilds of London Institute:- Woodwork, Teachers' Final Certificate; Carpentry, Ordinary Grade, 1st Class.
 2. Sloyd Association of Scotland:- Woodwork, Teachers' Higher Certificate.
 3. Board of Examinations for Educational Handwork. Metalwork, Teachers' Certificate.
 4. Board of Education, South Kensington. Building Construction and Drawing, Advanced 1st Class Geometrical Drawing, 1st Class, Clay Modelling.
 5. August Abrahamson's Stiftelse, Naas, Sweden. Woodwork, Teachers' Certificate.
 6. Glasgow School of Art. Public Elementary School Teachers' Drawing Certificate, Metal work, Silversmithing and Enamelling.
 7. Glasgow Provincial Committee for the Training of Teachers. Woodwork, 2nd year Certificate, Metalwork (Repousse) 2nd year certificate, Drawing, 3rd year Certificate.

4

Mr Fyfe suggests that if possible Mr. Grigor, Inspector, Art and Handwork, Scotch Education Department, be asked to recommend a suitable person. I understand that he knows practically all the Instructors and Assistant Instructors in Scotland and has been inspecting their work for some years past. I am of opinion that he would prove a valuable member of the selection committee for making the appointment.

It is quite probable that there will be suitable candidates for the post among the ex-Army men and if so the Secretary to the Employment Bureau may be asked to recommend one before application is made to the Secretary of State. This Presidency requires at present, inter alia, the advancement of vocational training and manual training teachers but the fringe of this aspect of educational work. It may indeed be necessary to develop a technological branch of the Educational Department. The candidate selected should therefore be one who is fully trained both in the theory and practice to supervise, direct and organise courses in vocational training and is conversant with the systems employed in the best schools in Great Britain.

I have the honour to be,

Sir,

Your most obedient servant,

SIR,

In reply to Government Home (Education) Department, No. 871-B-1, dated the 2nd May 1919, referring to this office for remarks letter R.C. No. 3159/19, dated the 28th April 1919, from the Director of Public Instruction, Madras, in para 1 of which he recommends to Government the permanent retention from 11-2-1920 of the post of Instructor in Manual Training attached to the Inspector of European and Training schools, Madras, together with the establishment connected therewith and fixing the pay of the Instructor at Rs400-25-650 per mensem and granting him first class travelling allowance and the benefit of European service leave rules, I have the honour to state that in my opinion the proposal appears to require the sanction of the Secretary of State as it was described to be a part of the general scheme viz, The Improvement of Secondary Education.

In G.O. No. 925 (Rev.) - Special.

On 10th May 1919 the Govt. have appointed as whole-time inspector of Industrial Schools Mr. Jaffe, one of the two manual training instructors in the Educational Dept. in pursuance of G.O. No. 1244 Ed., d/24th Dec: 1913. In view of the urgency of the matter, the D.P.D. was also asked if it would be practicable to relieve Mr. Jaffe from the Educational Dept. immediately - Memo at p. 6, c.f. from the Director's intermediate reply at p. 7, c.f. it may be presumed that Mr. Jaffe will in all probability be relieved without much delay. This Dept. has now to consider the question of a successor to Mr. Jaffe who will be vacating the post of the Manual Training Instructors shortly.

2 From G.O. No. 1244 Ed., d/24th Dec: 1913 it will be seen that Mr. Jaffe's post as well as the post of the other manual training instructor was sanctioned for a period of five years in the first instance through the intention was to make the post permanent eventually, if the experiment proved a success. The five-year engagement of Mr. Jaffe will expire on the 10th Feb. 1920. The Director now proposes -

(K) 24.12.13

- (i) To retain ^{permanently} the post of manual training instructor in question with the Subordinate establishment sanctioned for it in G.O. ~~845~~ Edt., d/20th Sep. 1912.
 - (ii) To raise the pay of the post from Rs 400-20-500 p. M. to Rs 400-25-650 p. M.
 - (iii) To recruit a new officer for the post either through the India Office or the Labour & Employment Bureau and to grant the officer selected the same terms as regards ~~TA~~ travelling allowances & leave privileges as are enjoyed by Mr. Jyoti.
- 3 The above proposals are examined below:- That the post with subordinate establishment should be made permanent may be considered since it is in conformity with original intention and saw a large expansion of manual training work as contemplated by the Dept.: In view of the latter consideration, the Govt. have already appointed an assistant manual training instructor - Vide G.O. No. 683 Edt., d/31st May 1918. It is presumed that it will ^{also} be necessary to sanction the permanent retention of the person employed under G.O. No. 778 Edt., d/17th July 1915 through the Director specifically refers only to the Subordinate establishment sanctioned.
- (E) G.O. No. 845 Edt., d/20th Sep. 1912.

The Director has fully ^{explained} ~~discussed~~ the necessity for revising the scale of pay of the post and it is for orders whether his recommendation to fix it at Rs 400-25-650 p.m. may be accepted.

The A. S. points out that the sanction of the Secy. of State is necessary. As regards recruitment, in the letter which will be drafted to the S. of S., they may be asked to advise the Secy. of State to recruit ^{with the qualifications mentioned in para 2 of the letter} one of a suitable officer. At the same time the vacancy may be intimated to the Secy. Labour & Employment Bureau; should that officer succeed in obtaining a substitute of the right stamp the indent on the Secy. of State may be cancelled, as is usually proposed in other cases.

The file may in the first instance be forwarded w/o to Financial for remarks.

It is proposed to apply to the Govt. of India for the permanent retention with effect from 10-2-1920 of one of the two posts of Manual Training Instructor, viz. the post attached to the Inspector of European and Training schools. It is not intended to effect any change either in the rate of pay of the appointment (Viz. 400-20-500), or in the existing arrangement under which the officer is classed as a first class officer for the purpose of travelling allowance rules and enjoys leave under the Indian Service leave rules and is eligible for the more favourable conditions set forth in Art. 202 (a)(1) of the C.S.R.

2. The existing two appointments of Manual Training Instructor are non-gazetted, and it is no doubt the intention that the appointment now proposed to be permanently retained should continue to be non-gazetted. Sir.

I am directed to address you on the subject of the permanent retention of one of the two posts of manual training instructor in this ~~Presidency~~

2-2
Presidency, the creation of which was originally sanctioned for a period of five years in the Secretary of State's despatch No. 274 Public dated 7th November 1913 communicated with the Government of India's letter No. 2365, dated 15th December 1913.

2. In para 2 of the Hon'ble Mr. Davidson's letter No. 845 A, dated 20th December 1912 it was stated that one of the instructors would be attached to the Teachers' college at Saidapet and that the other would work under the Inspector of European and Training schools, Madras. The present proposal is in respect of the latter. The question of the permanent retention of the instructor attached to the Saidapet Teachers' college is separately under the consideration of this Government.

3.
