To

The Director of Public Instruction,

Sir,

In enclosing herewith a copy of the Koilpatti Taluk Board President's letter, R.O.C.No.691/18 dated 5-6-19, I have the honour to state as follows:-

A
In their order No.1677 Home (Education) Department dated 27-12-18, Government sanctioned a subsidy of Rs.3000 for the construction of an elementary school building for girls at Koilpatti and in G.O.No.203 Home (Edn.) Department dated 15-2-19 a sum of Rs.3,500 was sanctioned for the boys' school at Koilpatti. Now that a Middle School has been opened at Koilpatti from Provincial Funds, the latter grant is proposed to be utilized for the construction of the girls' school at the place as the grant sanctioned for it is found to be inadequate for the reasons stated in the Taluk Board President's letter referred to above. Further there is a balance of Rs.800 out of the grant of Rs.3,000 sanctioned in G.O.No.203 Home (Edn.) Department dated 15-2-19 for the Sivagiri school - the estimate for this work being only for Rs.2,200. This balance (Rs.800) is also proposed to be utilized for the girls' school at Koilpatti which is expected to cost about Rs.8,950 including the additional improvements recommended by the Superintending Engineer. I request that you will be good enough to approve of the proposal

Enclosure.

Copy of the Koilpatti Taluk Board President's letter, R.O.C. No.691/18, dated 5-6-19, to the President, District Board, Tinnevely.

With reference to your letter, R.O.C.No.417/19, dated, dated 29-5-19, I have the honour to inform you that an estimate amounting to Rs.4,650 is ready for the construction of the girls' school at Koilpatti. A grant of Rs.3,000 only has been sanctioned by Government for this work. The balance of Rs.1,650 required has been included in the list of schools for which grants have been applied for during 1919-20.

2. The Superintending Engineer while approving the estimate for the girls' school has stated that a latrine, well and a compound wall are necessary for the school and an estimate has been called for from the District Board Engineer for the improvements suggested.

The grant of Rs.3,500 was applied for from Government for the extension of the boys' school at Koilpatti with a view to extend the existing building to suit the additional requirements found necessary in consequence of opening additional standards therein. Now that a Middle School has been opened, the extensions are unnecessary and the grant of Rs.3,500 may with advantage be utilized for the girls' school.

There is a balance of Rs.800 out of the grant of Rs.3000 sanctioned for the Sivagiri school, the amount of estimate for the extension of the school being Rs.2,200. This balance also is proposed to be utilized for improvements to the girls' school.
