QUESTIONS NOS. 1 TO 7 FOR THE MEETING OF THE LEGISLATIVE COUNCIL TO BE HELD ON THE 12th AUGUST 1919.

Submitted that two copies of each of the

Questions may be forwarded to the departments concerned with reference to Nos. (1) and (4) of the rules regulating secretariat procedure in dealing with these questions in the Legislative Council. The point whether questions and resolutions should be admitted at the meeting of the 12th August was discussed in the Executive Council and the decision was against this course. The questions so far received have however been submitted to His Excellency with the recommendation that the Additional Member should be told that his questions cannot be admitted and that he can put them at a later meeting. His Excellency has at the same time been requested that in the decision in the Council is to be departed from and the questions are to be admitted for this meeting, telegraphic orders may be sent to this department whether they are or are not to be accepted in the former case whether question 5 may be admitted with the omission of the argumentative portions enclosed in brackets in the copy. His Excellency's orders will be communicated to the departments as soon as received.

The Hon'ble Mr. B. V. Narasimha Ayyar.

5 Q.—Will the Government be pleased to state
if in the Coimbatore College newly taken up by Government, in the lower classes such as
the fifth standard, a new principle of moderation has been introduced for the first time this year,
as the result of which children that passed their annual examination are 'plucked' and kept back
in the same class for absence or poor marks at half-yearly and quarterly examinations;
if such a principle is not applied in the other institutions at Coimbatore or in other places—
so far as the standards I to V are concerned;
if dissatisfaction to parents and the public caused thereby has been communicated to the
Government; and
if they will kindly lay down, for the guidance of heads of institutions, some more humane
and satisfactory principles for their guidance and if they can redress the grievance this year?

[Meeting of the 12th August 1919]

case to anticipate H.E.'s orders as
to admission. If it is eventually
ordered that the question should
be admitted, we may say in
reply that we have no information
at present if necessary that we will
call for a report.

No. Camp: 263/989-8-1

A memorial to H. E. S. was submitted through the D.P. by Mr. K. V. Srinivasan, High Court Vakil, Combaratore, father of a boy who was not promoted in June 1919 to the next higher class in the school department of the Combaratore College. I sent it to the Principal of the College for remarks; it has just been received back and is being submitted to Govt.

If the question is admitted, I might suggest the following reply:
"Promotions in all educational institutions are made by the Head of the institution and Govt. are not prepared to restrict the discretion of the Head of an institution or direct him in his authority in making promotions. I may not be able to anticipate H.E.S. orders on admission. If it is eventually ordered that the question should be admitted, we will have to see to it."

Home (Ed. 2)

Please see intimation from Legat at Slit (S) saying that the Adm. Member has withdrawn his question since on the ground that the matter is being pending with the Director. The Director's report is in the linked file. Even otherwise no questions or resolutions are to be admitted at the ensuing meeting - slit (R). The papers may
