From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,

(Designation) As Director of Public Instruction

To The Secretary to the Government of Madras,
Home (Education) Department

Sir,

With reference to G.O.No.1422 Home (Education) dated 7th November 1918, I have the honour to state with regard to paragraph 2 thereof that Mr.S.R.Gershom desires to study the practice as well as theory in connection with the leather industry. It will be necessary therefore for him to have manual work and not merely academic work. I am not, however, in a position to make any special recommendations as to the particular course of training which he should follow.

2. With reference to para 3 (1) of the G.O. particulars required in the case of both the scholars submitted.

Submitted. Mr. Gershom is now employed under Messrs. Bird & Co.,
Calcutta.

3. As regards the bond referred to in para 3. of the G.O. quoted above, an early reply is requested to this office telephonic message dated 22-11-1918 as in the absence of information as to the penal sum to be entered in the bond, I am unable to submit the scholars' bonds to Government. Mr. Gershom submitted a draft bond but it is not in order and will be returned to him for resubmission as soon as the information regarding the penal sum has been received.

4. In regard to para 4 of the G.O., both scholars have expressed their readiness to sail next month. The certificate of physical fitness on behalf of Kolandavelu will be submitted immediately on its receipt from the Surgeon-General who has been reminded. As regards Gershom orders are requested as to whether he should be requested to proceed to Madras for examination. If not, it is suggested that Government may be pleased to arrange with the Bengal Government for his examination.

I have the honour to be,

Sir,

Please see the form of the bond to be executed by State Technical Scholars printed as Annexure II on page 627 Home (Edn) of the 16.5.18. From a perusal of the Condition imposed in the bond, it would appear that the penal sum referred to therein is to include all sums that have been paid to a scholar or on his behalf in respect of the scholarship held by him, tuition fees and travelling expenses and not merely the amount of the scholarship awarded to him. It is not possible to forecast what these several items would amount to, in respect of each scholar executing the bond. Perhaps it may be sufficient to enter the amount of the scholarship ~~awarded~~ alone as the penal sum. The point is not free from doubt. It is therefore for consideration whether the Govt of India may be addressed in the matter. The following telegram is for approval.

The D.P.I. has forwarded the bonds executed by the scholars. They are on plain paper. It is submitted that the bonds executed by scholars holding scholarships at the Victoria Technical Institute, Bombay, are usually on stamp paper. It would appear that the bonds executed by the State Technical scholars in the present case should also be on stamp paper. In this connection attention is solicited to G.O.No.1384, Educational, dated the 10th December 1915 and the notes thereto. In the present case, the amount of the bond is not specified and the stamp duty cannot therefore be calculated with precision. The value of the scholarship for two years is £ 300 and the tuition fees, ~~and~~ travelling expenses and ~~and~~ ^{second} class passage to and fro may come to at least £200. Total ~~£200~~ £ 500 or Rs.7,500. The stamp duty payable may come to Rs.37½ (at the rate of Rs.2-8-0 for every 500). This appears ^{rather} a large sum for the scholars to pay, especially as they will have to incur, at the outset, heavy expenditure in providing themselves with the necessary outfit for the voyage. It is therefore submitted that as in the case of Miss Myers, the Govt. may agree to bear the stamp duty on the bonds. The remarks of Financial and Separate Revenue may be invited.

3. As the scholars have to arrive in England early in March or April, the A.G. may be instructed to make the necessary arrangements for the ~~passage~~ ⁱⁿ passage.
