Tatacharya is only a junior Professor of education here. He is wanted for Kanarese - rather an unimportant subject for Mysore. So I do not think that a salary of Rs 400 need be objected to.

2. Regarding the third of his requests, we do not know if the Durbar will agree. The pay must of course depend on the nature of his duties.

3 We may remit the letter to the Durbar for information.

For the A.S.

Please see para 3 of the A.S. endorsement on page 7 of. Under rule II of art 764, C.S.D., Mr Tatacharya can be granted the higher pay of Rs 400 p.m. But it is submitted that he is willing to accept the appointment only if the Durbar is prepared to give him, after the period of probation which shall not be longer than that for other university professors, a grade of Rs 500-500-1000. It is not known what the period of probation is. in Mysore. It is two years, it is understood, in Mysore.

Under rule IV (b) part. 764, C.S.D., Mr Tatacharya can be granted only an increment of 20 percent of the original pay or Rs 400 after three years of foreign service. ~~he cannot be granted the pay he asks for in his letter~~ ^{if the 8th July. The A.S. does not appear to have considered this aspect of the question. The file may, it is submitted,}

The rules in article 764 (IV) (b) regulate the increase of pay in foreign service in cases falling under article 764, Rule II, but they are not absolute, though they should not be departed from save in very exceptional cases and for strong reasons-Vide Government of India No.1262-P, F.&C, dated 23-2-04 embodied in para 1 under article 753 IV (a), (b) and (c), old Foreign service rules, page 132 Madras Supplement to the Civil Service Regulations. It would, therefore, be within the powers of the Local Government to sanction a relaxation of the rule in article 764 IV (b), if the case is considered to be sufficiently exceptional.

2/ Under this rule, however, the question of increase of pay in foreign service should be proposed by the foreign employer and only sanctioned by Government if it is justified with reference to the work of the officer and the nature of his duties. It would thus appear to be premature to consider the question of increase of pay before the officer enters the foreign service.

With reference to para. 1 of the A.L.'s note on page 3 ante it is submitted that in view of the onerous duties attached to the Professorship of Kannada, the case may be treated as exceptional.

2. As regards para. 2 of the A.L.'s note it is observed that the present proposal is merely to consult the Darbar on the terms proposed by Mr. Tatabhargya. If the Darbar agrees, the Government will sanction the loan of services on the terms proposed; and there can then be no infract of the rule referred to by the A.L. viz: that the higher rate of pay should be

proposed by the foreign employer. It is therefore for consideration whether the draft letter to the Resident already put up may issue.

3. Mr. Tatacharya has written a further letter requesting that an additional condition may be inserted viz. that the pensionary contributions may be borne by the Darbar. The Darbar has already agreed to bear the usual leave and pensionary charges. No special act seems therefore necessary in this matter.

4. The Resident requests early orders in regard to the loan of the services. Issue the ref. to the Resident.
