From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,

To The Secretary to the Government of Madras,

(Through HOME (EDUCATION) Department.
the Accountant - General).

Sir,

With reference to G.O. No. 1336, Home (Education), dated 11th October 1918 approving my proposal to raise with effect from 1st April 1918 the rates of stipendiary grants payable to students under training in aided training schools to the same rates as stipends subject to certain limitations I have the honour to state that the total amount required during the current official year if the enhanced rates are sanctioned with effect from 1st April 1918 comes to Rs 112,046 under stipendiary grants in training schools for masters and Rs. 53,591/- under stipendiary grants in training schools for mistresses, i.e., Rs. 165,637/- in all. The amount provided in the current year's budget is Rs. 58,000 + Rs. 36,000 under

stipendiary grants in training schools for masters and mistresses respectively and Rs. 47,000/- + Rs. 21,000/- provided under teaching grants to Training Schools for Masters and Mistresses respectively, i.e., Rs. 162,000/- in all. Out of this amount a sum of Rs. 5,145/- has already been set apart for the payment of stipends to the teachers under training in the L.T. class attached to St. Joseph's College, Trichinopoly.

As the balance available is only Rs. 156,855/- an additional amount of Rs. 8,782/- is required. I have the honour to submit the enclosed re-appropriation statement for the sanction of Government to meet the increased expenditure involved and request that the same may be sanctioned at an early date as I consider it highly desirable to give effect to the enhanced rates from 1st April 1918. But if Government with reference to the G.O. referred to above intend to restrict the expenditure during the current official year to the amount provided in the budget for this purpose I beg to request the sanction of Government for giving effect to the enhanced rates from 6th May 1918 so as to limit the expenditure to the amount available.

I have the honour to be,

S i r,

Your most obedient servant,

R. A. S. S.

for Director of Public Instruction,

Subject. Reappropriation statement to meet expenditure involved in raising the rates of stipendiary grants.

② Please see go. No 1336 Home (am), dated the 11th October 1918. Sanctioning the proposal of the D.P.I. to raise the rates of stipendiary grants in aided training schools to the same rates as stipends. In doing so, the govt imposed the condition that no expenditure in excess of the provision for grant in aid in the current year's budget should be incurred and that no additional allotment should be applied for on this account. The D.P.I. states that a sum of Rs. 8,782 is required in excess of the provision made in the budget if the increased rate of stipendiary grant ^{is to} be given with effect from the 1st April 1918 and

X withheld from
