Communicating to the Syndicate of the — the report on the audit of the accounts of the University for the year ending the 31st March 1918.

READ—the following paper :—

Letter—from A. NEWMARCH, Esq., Accountant-General, Madras.
To—the Secretary to Government, Home (Education) Department.
Dated—the 3rd January 1919.
No.—O.A. 9-18912.

I have the honour to report that the accounts of the University of Madras for the year ending the 31st March 1918 have been audited. The statements A to J annexed show the transactions relating to the several accounts which are mentioned below :—

- (1) Fee Fund Accounts,
- (2) Endowment Fund Accounts.
- (3) Accounts relating to grants paid by Government for inspection of colleges and travelling expenses of Fellows and members of Boards of Studies.
- (4) Accounts relating to grants paid by Government for University Vacation Lectures.
- (5) Accounts relating to grants paid by Government for Tamil Lexicon.
- (6) Accounts relating to Imperial Non-recurring grants.
- (7) Accounts relating to Imperial Recurring grants.
- (8) Accounts relating to the University Expansion Fund.

2. *Fee Fund Accounts.*—During the year under report Rs. 1,14,000 out of the amount held in fixed deposit with the Bank of Madras was withdrawn and utilized in the purchase of 5 per cent War Loan Securities of 1929-47 of the face value of Rs. 1,20,000; and securities of the 3½ per cent Loan of 1865 for Rs. 1,80,000 were also converted into War Loan Bonds of the face value of Rs. 1,36,800. The invested balance at the close of the year consisted of Rs. 5,00,000 in 3½ per cent securities of 1865 and Rs.2,56,800 in 5 per cent War Loan securities of 1929-47. A net sum of Rs. 16,000 having also been transferred from fixed deposit to cash to meet current requirements, the balance in fixed deposit with the Bank at the close of the year was reduced by Rs. 1,30,000 to Rs. 1,75,000. Besides these items a sum of Rs. 58,750 was also invested in treasury bills. The receipts of the fund during the year amounted to Rs. 3,8,203-4-6 and the charges to Rs. 3,43,466-0-4 which resulted in a net surplus of Rs. 24,737-4-2. This surplus, together with the opening cash balance of the year amounted to Rs. 84,280-0-1, and as out of this amount a net sum of Rs. 42,750 was invested in deposits and treasury bills, the resultant cash

balance on the 31st March 1918 amounted to Rs. 41,530-0-1. The balance acknowledged by the Accountant-General however is Rs. 36,336-10-1, and the difference of Rs. 5,193-6-0 is explained below :—

	RS.	A.	P.
(1) Amount of unspent balance on 31st March 1918 which remained with the Public Works Department out of the sums placed at its disposal by the Accountant-General.	180	6	0
(2) Permanent Advance of the Registrar	5,000	0	0
(3) Amount short credited to the University Fee Fund in the books of the Accountant-General (part since adjusted).	13	0	0
Total	5,193	6	0

3. The permanent advance of Rs. 5,000 has been acknowledged by the Registrar as due from him on 31st March 1918. This advance is deposited in the Bank of Madras in a separate account in the name of the Registrar. This account also includes certain undisbursed sums due to the setters of question papers, residing in places outside the Presidency, which were paid to the Registrar for the purpose of remittance to the parties concerned. The amount at credit of this account on 31st March 1918 is accounted for as follows :—

	RS.	A.	P.
Permanent advance	5,000	0	0
Add uncashed cheques	2,322	14	0
Total	7,322	14	0
Deduct paid bills and cash in hand	2,018	10	0
	5,304	4	0
Add remuneration to question paper setters	4,093	0	0
Total as per Bank pass book	9,397	4	0

4. The amount of compensation received during the year from the several Governments for the loss of income to the University on account of the introduction of the Secondary School-Leaving Certificate Examination was Rs. 29,636-3-10, which includes Rs. 24,000 from the Government of Madras.

5. The increase in receipts during the year under report, as compared with the previous year, of about Rs. 7,000 is due to increases under certain heads which were partly counterbalanced by decreases under other heads as shown below :—

	RS.
(i) Sale-proceeds of University publications	+ 7,000
(ii) Interest on securities and deposits	+ 4,000
(iii) Fees for arts examinations other than Matriculation and Intermediate.	+ 5,000
(iv) Fees for medical examinations	+ 3,000
Total increase	+ 19,000
(v) Fees for Intermediate examination	- 7,000
(vi) Law examinations	- 5,000
Total decrease	- 12,000
Net increase	+ 7,000

The expenditure also rose during the year by about Rs. 53,000, which is accounted for by increases and decreases as shown below :—

	RS.
(i) Fees to Examiners	+ 13,000
(ii) Remuneration to Superintendents	+ 4,000
(iii) Remuneration to Editors of Text Books	+ 7,000
(iv) Repairs to Senate House	+ 3,000
(v) Contingent charges at Madras	+ 23,000
(vi) Contingent charges in districts	+ 2,000
(vii) Studentships	+ 2,000
(viii) Secondary School-Leaving Certificate tabulation charges (a new charge).	+ 1,000
(ix) Cost of University lectures delivered under Regulation 394	- 2,000
Net increase	+ 53,000

6. An annual contribution of £10 is made to the Universities Bureau of the British Empire. This contribution being of the nature of a grant-in-aid to a foreign body and also of a recurring nature would seem to require the sanction of Government.

7. It was noticed in the course of audit that there is scope for effecting economy in the use of printed forms and stationery by the University.

8. The S.P.C.K. Press is allowed a commission of $12\frac{1}{2}$ per cent on the sale-proceeds of University publications. The commission during the years 1916-17 and 1917-18 amounted to Rs. 1,300 and Rs. 2,300 respectively in round figures. The commission for 1918-19 is expected to amount to more than Rs. 3,000. It is for consideration whether in view of the growth of sales the commission should continue to be paid at the same uniform rate of $12\frac{1}{2}$ per cent as previously on the entire sale-proceeds, or whether a graduated scale may not with advantage be introduced whenever the sales exceed certain fixed limits.

9. *Endowment Fund Account.*—The transactions of this fund are shown in statement D. Government securities to the nominal value of Rs. 15,850 were purchased during the year and securities for Rs. 600 purchased in previous years from the unspent cash balance of certain endowments were sold in order to meet current expenditure.

An endowment of the value of Rs. 1,500 was accepted from His Excellency the Governor on account of the 'Lord Pentland Mussalman Medal.' Another endowment of the value of Rs. 6,000 from the Secretary to the Mackenzie Memorial, Hyderabad, was received on account of the 'Mackenzie Memorial Prizes' and a third of the value of Rs. 750 was accepted from Dr. P. C. Ray on account of the 'Sir William Wedderburn Prize'. The first two endowments are invested in $3\frac{1}{2}$ per cent Government securities of 1865 and the third in the 5 per cent War Loan of 1929-47.

10. The annual rent of Rs. 480 due from Government on Tumkum property in Madura (Johnston of Carnsallach scholarship) for the year 1917 was received during the year.

11. The increase of over Rs. 2,000 in charges as compared with the expenditure of the previous year was due largely to the enhanced cost of medals and freight and insurance on them on account of war conditions.

12. The total amount of securities as well as the balance in cash with the Bank at the end of the year agreed with the Bank's acknowledgments after allowing for a difference of Rs. 62 due to uncashed cheques.

13. *Accounts relating to grants paid by Government for inspection of Colleges and travelling expenses of Fellows, etc.*—This account (statement E) opened with a balance of Rs. 16,962-1-0 and closed with a balance of Rs. 13,536-7-9 which was found to agree with the balance acknowledged by the Bank after allowing for a sum of Rs. 1,390-8-0 on account of uncashed cheques.

14. *Accounts relating to grants paid by Government for University Vacation Lectures.*—The expenditure under this head relates to the scholarship paid to Mr. S. Ramanujam, a University student at Cambridge, and includes the cost of printing a report on the mathematical work done by him during the year. The balances in securities and cash agreed with those acknowledged by the Bank.

15. *Accounts relating to grants paid by Government for Tamil Lexicon.*—The Tamil Lexicon account opened with a balance of Rs. 12,678-11-8, exclusive of the permanent advance of Rs. 10 held by the Chairman of the Lexicon Committee. The closing balance agreed with that acknowledged by the Bank after allowing for a sum of Rs. 2-8-0 representing the sale-proceeds of some unserviceable deal wood boxes brought into the books on the 27th March 1918 but credited in the Bank on the 4th April 1918.

16. *Accounts relating to Government grants (non-recurring).*—A sum of Rs. 4,00,000 was withdrawn from fixed deposit and invested in War Bonds of 1920; other sums aggregating Rs. 18,000 were also withdrawn from fixed deposits to meet current expenditure. There was also an increase of Rs. 40,500 in the amount under deposit by transfer of a portion of the accumulated interest to fixed deposit. The balance at the end of the year in war bonds, fixed deposit and current account agreed with the certificate of balance furnished by the Bank after allowing for a sum of Rs. 150 on account of an uncashed cheque.

17. *Accounts relating to Government grants (recurring).*—The recurring grant of Rs. 65,000 from Government drawn during the year was added to the fixed deposits. A further sum of Rs. 9,500 was also transferred from cash to fixed deposit. The expenditure consisted of Rs. 2,641-2-3 paid on account of special advanced lectures, Rs. 7,614-13-0 on account of the Professorship in Indian History and Archæology, and Rs. 15,439-7-2 on account of the development of study upon modern lines of the languages of Southern India, and Rs. 742-2-7 on account of contingencies. To meet these charges Rs. 28,000 had to be withdrawn from fixed deposit during the year. The expenditure in connexion with the development of study upon modern lines of the languages of Southern India was less by Rs. 10,000 during the year as compared with the expenditure in the previous year, owing to the readerships having been terminated in August 1917. The balance at the end of the year in fixed deposit and cash agreed with that acknowledged by the Bank after allowing for a few uncashed cheques amounting to Rs. 863-1-1.

18. *Accounts relating to the University Expansion Fund.*—A sum of Rs. 200 was received during the year on account of the final instalment of the contribution of Rs. 1,000 given by Mr. K. Raghava Achariyar. Interest realized from Government securities during the year amounted to Rs. 377. On the expenditure side there was a single item of Rs. 2-11-8 incurred in connexion with printing charges. The balance at the end of the year in securities and cash agreed with that acknowledged by the Bank.

The minor defects noticed in the course of the monthly audits of the several accounts have been pointed out from time to time to the Registrar of the University for rectification.

4. The amount of compensation received during the year from the several Governments for the loss of income to the University on account of the introduction of the Secondary School-Leaving Certificate Examination was Rs. 29,636-3-10, which includes Rs. 24,000 from the Government of Madras.

5. The increase in receipts during the year under report, as compared with the previous year, of about Rs. 7,000 is due to increases under certain heads which were partly counterbalanced by decreases under other heads as shown below:—

6. An annual contribution of £10 is made to the Universities Bureau of the British Empire. This contribution being of the nature of a grant-in-aid to a foreign body and also of a recurring nature would seem to require the sanction of Government.

7. It was noticed in the course of audit that there is scope for effecting economy in the use of printed forms and stationery by the University.

17. *Accounts relating to Government grants (recurring).*—The recurring grant of Rs. 65,000 from Government drawn during the year was added to the fixed deposits. A further sum of Rs. 9,500 was also transferred from cash to fixed deposit. The expenditure consisted of Rs. 2,641-2-3 paid on account of special advanced lectures, Rs. 7,614-13-0 on account of the Professorship in Indian History and Archæology, and Rs. 15,439-7-2 on account of the development of study upon modern lines of the languages of Southern India, and Rs. 742-2-7 on account of contingencies. To meet these charges Rs. 28,000 had to be withdrawn from fixed deposit during the year. The expenditure in connexion with the development of study upon modern lines of the languages of Southern India was less by Rs. 10,000 during the year as compared with the expenditure in the previous year, owing to the readerships having been terminated in August 1917. The balance at the end of the year in fixed deposit and cash agreed with that acknowledged by the Bank after allowing for a few uncashed cheques amounting to Rs. 863-1-1.

18. *Accounts relating to the University Expansion Fund.*—A sum of Rs. 200 was received during the year on account of the final instalment of the contribution of Rs. 1,000 given by Mr. K. Raghava Achariyar. Interest realized from Government securities during the year amounted to Rs. 377. On the expenditure side there was a single item of Rs. 2-11-8 incurred in connexion with printing charges. The balance at the end of the year in securities and cash agreed with that acknowledged by the Bank.

The minor defects noticed in the course of the monthly audits of the several accounts have been pointed out from time to time to the Registrar of the University for rectification.

No. 52, HOME (EDUCATION), 16TH JANUARY 1919
The S.P.C.K. Press is allowed a commission of 12½ per cent on the sale of proceeds of University publications. The commission during the years 1916-17 and 1917-18 amounted to Rs. 1,300 and Rs. 2,300 respectively in round figures. The commission for 1918-19 is expected to amount to more than Rs. 3,000. It is for consideration whether in view of the growth of sales the commission should continue to be paid at the same uniform rate of 12½ per cent as previously on the entire sale-proceeds, or whether a graduated scale may not with advantage be introduced when ever the sales exceed certain fixed limits.
The transactions of this fund are shown in statement D. Government securities to the nominal value of Rs. 1,58,500 were purchased during the year and securities for Rs. 800 purchased in previous years from the unspent cash balance of certain endowments were sold in order to meet current expenditure.
An endowment of the value of Rs. 1,500 was accepted from His Excellency the Governor on account of the Lord Portland Musgrave Medal. Another endowment of the value of Rs. 8,000 from the Secretary to the Mackenzie Memorial, Hyderabad, was received on account of the Mackenzie Memorial Prize, and a third of the value of Rs. 150 was accepted from Dr. P. C. Ray on account of the St. William Wedderburn Prize. The first two endowments are invested in 3½ per cent Government securities of 1885 and the third in the 5 per cent War Loan of 1920-41.
The annual rent of Rs. 480 due from Government on Tankam property in Madurai (Johnston of Carnatehallah scholarship) for the year 1917 was received during the year.
The increase of over Rs. 2,000 in charges as compared with the expenditure of the previous year was due largely to the enhanced cost of medals and freight and insurance on them on account of war conditions.
The total amount of securities as well as the balance in cash with the Bank at the end of the year agreed with the Bank's acknowledgments after allowing for a difference of Rs. 62 due to uncashed cheques.
Accounts relating to grants paid by Government for inspection of Colleges and travelling expenses of Fellows, etc.—This account (statement E) opened with a balance of Rs. 16,962-1-0 and closed with a balance of Rs. 13,586-7-9 which was found to agree with the balance acknowledged by the Bank after allowing for a sum of Rs. 1,380-8-0 on account of uncashed cheques.
Accounts relating to grants paid by Government for University Lectures and Lecturers.—The expenditure under this head relates to the scholarship paid to Mr. S. Ramaswami, a University student at Cambridge, and includes the cost of printing a report on the mathematical work done by him during the year. The balances in securities and cash agreed with those acknowledged by the Bank.
Accounts relating to grants paid by Government for Tamil Lectures.—The Tamil Lexicon account opened with a balance of Rs. 12,678-11-8, exclusive of the permanent advance of Rs. 10 held by the Chairman of the Lexicon Committee. The closing balance agreed with that acknowledged by the Bank after allowing for a sum of Rs. 2-8-0 representing the sale-proceeds of some unserviceable deal wood boxes brought into the books on the 27th March 1918 but credited in the Bank on the 4th April 1918.
Accounts relating to Government grants (non-recurring).—A sum of Rs. 4,00,000 was withdrawn from fixed deposit and invested in War Bonds of 1920; other sums aggregating Rs. 18,000 were also withdrawn from fixed deposits to meet current expenditure. There was also an increase of Rs. 40,500 in the amount under deposit by transfer of a portion of the accumulated interest to fixed deposit. The balance at the end of the year in war bonds, fixed deposit, and current account agreed with the certificate of balance furnished by the Bank after allowing for a sum of Rs. 150 on account of an uncashed cheque.
