READ—the following paper :—

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 7th January 1919.

No.—Ref. on Cur. 6673/18.

In their Order No. 170, Home (Education), dated 12th February 1918, Government approved the Director's proposal to raise with effect from 1st March 1917 the minimum pay of trained teachers in boys' schools and of women teachers in girls' schools under public management to Rs. 11 and Rs. 12 per mensem respectively, and a tentative distribution among local bodies of the subsidy required for this purpose was sanctioned in G.O. No. 361, Home (Education), dated 18th March 1918, which was confirmed in G.O. No. 1203, Home (Education), dated 11th September 1918.

Local bodies were circularised in July last for particulars regarding the adjustment of the subsidies sanctioned in the Government Orders quoted above for which there is a provision of Rs. 1,22,891 in the current year's budget under 22-E. EDUCATION. In very many cases the replies received were of no help at all as there has been delay in utilizing the subsidies distributed in March 1918 and as subsidies for other purposes were included in the most confusing manner possible. Some replies are still due notwithstanding repeated reminders. Without therefore waiting for the remaining answers and entering into further correspondence which would involve delay, I have the honour to recommend that the distribution sanctioned in G.O. No. 361, Home (Education), dated 18th March 1918, may be repeated for the current year also as shown in the annexed statement except in regard to the Chingleput District Board. It is reported that the minimum pay of trained teachers in Board boys' schools in that district is already Rs. 11, the payment to them of grain compensation allowance having ceased. The grant of Rs. 1,656 to this District Board made in the Government Order mentioned supra on account of boys' schools will not therefore be required for the purpose for which it was sanctioned and I have accordingly made no provision in this regard for the Chingleput District Board for the current year. I would, however, suggest that the Board may be permitted to retain the amount in question which will be taken into account in connexion with my proposals, which I hope to submit to Government shortly for raising further, in conformity with paragraph 11 of the Resolution of the Government of India, dated 21st February 1913, the minimum pay of teachers in elementary schools under public management out of the Imperial recurring grant of Rs. 5.5 lakhs.

I solicit the favour of early orders on this communication.

Order—No. 61, Home (Education), dated 16th January 1919.

The Government sanction the distribution of a subsidy of Rs. 1,21,225 among local bodies as shown in the annexure to these proceedings towards the cost of enhancement of the minimum pay of teachers in elementary schools for boys to Rs. 11 per mensem and of those in schools for girls to Rs. 12 per mensem.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned at an early date.

3. The expenditure will be met from the provision of Rs. 1,22,891 in the current year's budget estimate under the head "22-E. EDUCATION—Government Schools—General—Payments in support of Municipal and Local Board schools—For raising the minimum pay of teachers."

It is reported that the minimum pay of trained teachers in boys' schools in that district is already Rs. 11, the payment to them of grain compensation allowance having ceased. The grant of Rs. 1,658 to this District Board made in the Government Order mentioned above on account of boys' schools will not therefore be required for the purpose for which it was sanctioned and I have accordingly made no provision in this regard for the Chingleput District Board for the current year. I would, however, suggest that the Board may be permitted to retain the amount in question which will be taken into account in connection with my proposals, which I hope to submit to Government shortly for raising further, in conformity with paragraph 11 of the Resolution of the Government of India, dated 21st February 1918, the minimum pay of teachers in elementary schools under public management out of the Imperial recurring grant of Rs. 5 lakhs. I solicit the favour of early orders in this communication.

Order—No. 61, Home (Education), dated 16th January 1919.

The Government sanction the distribution of a subsidy of Rs. 1,21,225 among local bodies as shown in the annexure to these proceedings towards the cost of enhancement of the minimum pay of teachers in elementary schools for boys to Rs. 11 per mensem and of those in schools for girls to Rs. 12 per mensem.
2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned at an early date.

No. 61, HOME (EDUCATION), 16TH JANUARY 1919

3. The expenditure will be met from the provision of Rs. 1,22,891 in the current year's budget estimate under the head "22-E. EDUCATION—Government Schools—General—Payments in support of Municipal and Local Board schools—For raising the minimum pay of teachers."

The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.
