From (Name) The Honourable Mr. H. S. Duncan, M.A.,

(Designation) g. Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

I have the honour to invite attention to page 4 of this office letter No. 8562 dated 23rd June 1892 read in G.O.No.

① 559 dated 28th July 1892 regarding guardian allowances in the Government Training School for Mistresses, Calicut. It

2. It appears that guardian allowances were at first given to Mappilla 'pupils' as well as to Mappilla 'students', but they were subsequently discontinued by the Inspectress, Southern Circle, as she held that the grant of guardian allowances was admissible under the Government order to students only. It must be ad-

mitted that the passage relating to these allowances is by no

means clear; but I am assuming that the Inspectress' interpretation is correct. The result of their discontinuance from 1911 to pupils has been a steady decline in the number of Mappilla girls attending the school as will be clear from the following figures.

In 1911-12 there were	8	Mappilla girls.
1912-13	4	"
1913-14	1	"
1914-15	nil	"
1915-16	2	"
1916-17	1	"
1917-18	1	"

and during 1918-19 there are none.

3. The Inspectress consequently recommends that the value of the scholarships may be enhanced from Rs. 4 to Rs. 8 and the number reduced to 4.

4. This proposal does not involve any extra expenditure and the enhanced rate, it is believed, will attract Mappilla girls to the school.

5. I have the honour therefore to request that the recommendations of the Inspectress may be accepted.

I have the honour to be,

Sir,

Your most obedient servant,

Le. 2281/B, from the D.P.D., R.C. 5991/18, 1.11.18.

The words 'pupils' and 'Students' occurring in the Director's current letter are presumably used to signify candidates in the model section and those who undergo training in the training section respectively.

The model section of the Moyam Training School for mistresses at Calicut is one of the elementary grade, though secondary grade mistresses are admitted for training according to the original scheme for the opening of this institution, eight scholarships of the value of Rs 4 each are available to pupils in the model section attached to the school - Vide para 7 at p. 4 of G.O. No. 559 Edn., dt/ 28th July 1892. In this passage mention is made of guardian allowances also. From the current letter, it is observed that these allowances, though being paid to Mappilla girls in the model school originally, have been discontinued.

(11)

to them since 1911 and that this has considerably affected the no. of Mappila girls in attendance at the school so much so that there is not a single girl of that community in the current year. The Director ascribes this solely to the withdrawal of guardian allowances from 'pupils' as, according to his interpretation, students under training are alone eligible to them. This interpretation is probably based on Rule 118 of the Madras Educational Rules which permits of a guardian allowance ^{on certain conditions} to Hindu and Muhammadan women under training. As a compensation for non-participation in guardian allowances, the D.P.D. proposes to enhance the value of ~~the~~ pupil scholarships from Rs 4 to Rs 8, but reducing at the same time the number of such scholarships from eight to four so as not to result in extra cost.

2 For the interests of the education of Mappilla girls, it seems necessary to sanction the proposal, though the value of ordinary

ships is based on a graduated scale

of the 'guardian allowance' (sanctioned in G.O. no. 559 (Sd) dated 28. 7. 1892) ^{which is} ~~as a supplement~~ ^{in addition} to the Scholarship, to enable the girls to go along with their guardians to other towns and villages, where the schools in their native towns or villages do not contain the required higher form. ^{Since} ~~From~~ 1911 this ^{pupils} ~~guardian~~ allowance was discontinued to the ~~students~~ of the model section by the Inspectress, on the ground that the grant of ^{the} guardian allowance was admissible under the G.O. to the students of the training section only.

2 The S. P. J. now thinks, that the ^{present} ~~system~~ ^{withdrawing} of this guardian ^{allowance} ~~all~~ ^{has} resulted in a ~~steady~~ decline in the number of Mapilla girls attending the school, ^{is due to this discontinuance} ~~due to the fall~~ ^(the state of affairs) ~~the~~ Inspectress ^{Southern Circle} suggests (and the Director recommends) ^{that} ~~to enhance~~ ^{be raised} the monthly value of the scholarships ^{from} ~~Rs. 4 to Rs. 8~~ ^{their number} and ~~to~~ proportionately reduced ~~their number~~ ^{is} from 8 to 4

3 This proposal seems to involve the assumption that there will not be more than 4 Mapilla girls attending the school at a time in the near future. Consequently there is every probability of a new difficulty being experienced when the strength of the Mapilla girls increases ^{to} ~~for~~ more than 4 in an year. For orders whether it will not be preferable

Moreover the enhancement of the value of the scholarship from Rs 4 to Rs 8 will form an inconvenient precedent and it is

from the locality in which the school is situate or from places outside that locality; whereas guardian allowances are admissible only if the pupils come from outside on the ground that their native town or village does not have a school teaching up to the requisite standard.

Re. 2281/B, from the D.P.D., Re. 5991/18, 1.11.18.

c.f.

In the case of the school in the letter read above, it appears that the further ^{is} ~~inducement~~ ^{needed} in the case of pupils attending the Moyam Training School for mistresses at Lalien. ^{(It may however,} ~~be~~ ^{be)} suitably be in the shape of a few guardian allowances instead of an enhancement in the value of the scholarships as proposed by the D.P.D. It is therefore submitted that four guardian allowances of the value of Rs 4 each p. M. payable by girls in the practising dept. of the school may be sanctioned, reducing at the same time the number of scholarships available in the school from eight to four. If this suggestion is approved, there will be 4 guardian allowances and four scholarships instead of the existing eight scholarships.

2 The D.P.D. may be requested to state if he has any objection to the above suggestion.
