Sir,

I have the honour to state that in regard to payment of capitation allowances under rule 83 of the Madras Educational Rules, the general practice is to distribute the total amount calculated on the average attendance equally among the trained teachers in the school subject to the conditions mentioned in that rule. The Vellore Taluk Board, however, decided to pay to the trained teachers only their share of the allowance, the share of the untrained teachers being allowed to lapse to local funds. The total amount of capitation allowances thus actually disbursed by the Board to trained teachers during 1917-18 was only Rs3,707-11-10. The allotment for the purpose provided

2

provided in their budget for 1917-18 was Rs1600, and a sum of Rs3,690 was paid to them out of the provincial subsidy of Rs14,926 sanctioned for the payment of capitation allowances in full to the Board Elementary schools in the whole district. Thus, out of the provincial subsidy of Rs3,690 paid to the Vellore Taluk Board, a sum of Rs2,107-11-10 only having been actually utilized in excess of their budget allotment, the balance, viz. Rs1,582-4-2 should, I consider, be refunded to Government and it should not lapse to local funds.

I have the honour to be,

TO

THE INSPECTOR OF SCHOOLS,

V. CIRCLE.

SIR, In submitting herewith a Statement of Capitation allowance for 1917-18 in this District. I have the honour to bring to your kind notice the irregular way in which the Capitation allowance has been paid by some of the Local Boards without paying any heed to Rule 83 of the Madras Education Rules and proceedings no 7219 of 13 dated 30th October 1913 and other departmental orders on the subject.

- 2 The Tirupattur Taluk Board distributed the full amount among trained teachers but the amount due for each school and for each teacher on its average attendance was not taken into account but the distribution was based solely on the individual pay of each teacher

Thus all teachers on Rs 20 and Rs 15 in the Taluk Board were uniformly paid double and  $1\frac{1}{2}$  times more, respectively than all teachers on Rs 10, irrespective of the amount earned by each school on its average attendance.

- 3 The Vellore and Cheyyar Taluk Boards allotted the amount equally among all the teachers that worked in each school whether trained or untrained and paid the trained teachers their shares only and allowed the shares of untrained teachers to lapse to the Board. The procedure adopted by the President Taluk Board Tirupattur was brought to your kind notice in this office R.O. no 694/m of 17 dated 9. 3. 18. The Director of Public Instruction has in his R.O. 4358 of 18 dated 18. 6. 18 ordered, that the amount that has lapsed to the Vellore Taluk Board should be refunded to government. I therefore request that the various Municipalities and <sup>other</sup> Taluk Boards in this District who have also lapsed large amounts into Local Funds as shown in the accompanying list may be

*M 9-108/1918*

With reference to Government Memorandum No. 4544-1 L., dated 3rd instant furnishing a statement showing the amount of capitation allowance paid by the Council in 1917-18 and the allotment made for the purpose, I have the honour to inform you that no allotment was made from Municipal funds during last year for payment of capitation allowance as shown in Col: 2 of the statement in question. The whole expenditure incurred by the Council in that year on account of this allowance came out of the Provincial subsidy of Rs. 2,040 sanctioned in G.O. No. 1104 (Edl.), dated 29th Aug: 1918. There is a difference of Rs. 170 between this figure and that entered in the Budget estimate of the Municipality

(P)

for the year 1917-18 under Grant II.(2)(ii)c. as the latter represents the amount applied for, while the former was the actual amount sanctioned. A correct statement shewing the actual transactions under this head is sent herewith. It will be seen therefrom that there is a minus balance of -- Rs. 6-8-7.

Sir,

In reply to Government Memorandum No. 4544-1-L dated  
the 3rd ultimo, I have the honour to state that the provision  
of Rs. 940 made in the budget under the head "Capitation --

itself. Hence the whole of provincial share was spent and to  
recoup the deficit, municipal funds was resorted to.

I therefore submit that there is no surplus under this

Please see the replies from the six councils in the <sup>North Arcot</sup> District on pages 11-23 Cf. It is pointed out therein <sup>that</sup> the amounts

of capitulation allowance sanctioned by Govt. in 1917-18 have been fully spent by the councils and that nothing remains due to Govt. As pointed out by the Quoragattam and Walajapet Chairmen, the amounts <sup>provided in the budgets under that head</sup> entered in column 2 of the statement on p. 6 of Cf. represent the total budget provision for the year <sup>(1917-18)</sup> and includes <sup>expenditure from</sup> Provincial subsidies (amount shown in column 3) for which credit was taken on the receipt side under grants and contributions from Govt. Home (Edn) may therefore be informed that the six municipal councils in the District have fully utilized the subsidies sanctioned and that there is nothing left for refund, especially as there

was nothing in G.O. No 1104, Home (Edn) of 24<sup>th</sup> August 1917, to indicate that the grants to municipal Councils for the payment of Capitulation allowance made under that G.O. were irrespective of and supplemental to the allotments provided in the municipal budgets under that head.

The D.P. I made a reference to the ~~the local board~~ Dt Board and municipal Councils enquiring why the savings in question should not be refunded to govt. The Chairman's replies indicate that in the payment of capitation allowances the provincial subsidies were utilized first & the amount required for payment in excess of the subsidies was paid out of their own funds. It seems to me that municipalities should use their own funds first <sup>only</sup> & after they have been exhausted they should draw upon the subsidies for the balance required for payment.
