From (Name) W. Hutton Esq., A.M.I.C.E.,

(Designation) Supg. Engineer, V Circle.

To The CHIEF ENGINEER,

PUBLIC WORKS DEPARTMENT, MADRAS.

Sir,

With reference to para 3 of G.O. No. 1392-W., dated 4th October 1912, I have the honour to forward herewith an application for exemption on behalf of one P. Vedantachari a permanent clerk on Rs. 20 of the P.W.Stores and to recommend that in the circumstances explained he may be granted exemption for holding the Home Invoice Clerk's place on Rs. 30-2-40 vacant in the Technical Section of the P.W.Stores.

2. Two vacancies in the Technical section of the P.W.Stores having occurred early in July, they were advertised and 89 applications were received in response. Several of the passed men were inexperienced and some of the experienced men were unpassed. However a passed man with some technical experience

experience was selected for the S.P.T. Home Invoice clerk's place on Rs. 30-2-40 but he declined to take up the appointment after he was sent for and personally interviewed by the Superintendent, P.W.Stores. As the vacancy remains unfilled for the past six months and work suffers in consequence and as the present man recommended is the best available for the post I recommend his permanent exemption up to Rs. 40, the maximum pay of the Home Invoice clerk's post in the technical Section of the P.W.Stores.

3. Extracts of para 4 of letter No. 545-S.E.V., dated 18th Septr. 1918 and para 2 of letter No. 615-S.E.V., dated 18-11-18 from the Superintendent, P.W.Stores, recommending P. Vedantachari for the post are herewith enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

Supg. Engineer, V Circle.

Enclos:

Extract of para 4 from letter No. 545-S.E.V., dated 18th Septr. 1918, from H.F. de Courcy Esq., A.M.I.C.E., Superintendent, P.W.Stores, Madras, to the Supg. Engineer, V Circle:-

4. In case clerk, Jesudasan is promoted as Temporary Ledger Verifier on Rs. 50 his place as S.P.T. Home Invoice clerk on Rs. 30-2-40, will have to be filled up, and for this I can find no other clerk who can readily take up the work, but P. Vedantachari clerk on Rs. 20 in the Circle scale, now working in the Accounts Section of this office. He has been a clerk of this office for the past 9 years and has thoroughly acquainted himself with the full details of the store accounts. I believe that he will prove more useful and better fitted for the place than any outsider that may have passed technical examinations. He is an unpassed candidate, but this should not, I think, be a bar to his promotion in the technical section, which requires only men of technical experience, general educational qualifications being only secondary. Considering his experience I do not hesitate to request you to kindly recommend him to Government for exemption up to Rs. 40, as this will encourage him to do more useful work.

Extract of para 2 from letter No. 615-S.E.V., dated 18-11-18 from H.F. de Courcy Esq., A.M.I.C.E., Superintendent, P.W.Stores, to the Supg. Engineer, V Circle, Madras:-

2. The nature of work to be done by and the experience required of the Home Invoice clerk have been described by Mr. H.B. Peirce in his letter No. S.264-S.E.V., dated 8-2-1912. As the vacancy is ~~only~~ S.P.T. only, and as it is difficult to secure the services of men possessing the required experience, I suggested that the place may be given to P. Vedantachari clerk of my office. I would in this connection invite your special attention to para 4 of my No. 545-S.E.V., dated 18-9-1918 wherein I have said that P. Vedantachari with his experience of 9 years,

work in this office and knowledge of the store accounts, will prove to be better fitted for the place than any outsider. I therefore once again suggest that the place may be offered to P. Vedantachari, and a clerk sent in his place to do duty in the accounts section.

The applicant is a permanent clerk on Rs.20/- in the Circle scale and with his -- knowledge of P.W. Stores accounts for over 9 years, has gained sufficient experience to take up the duties of the Home Invoice clerk immediately. The work of the Home Invoice clerk viz. the pricing of the Home Invoices etc., and the accounts work of the P.W. Stores go side by side, and neither can be done effectively and accurately, unless one has had practical experience at it for a -- sufficiently long period. As the efficiency of the Stores Ledgers and consequently of the Stores accounts depends on the accuracy of the work of the Home Invoice clerk and as no outsider can readily take up this peculiar work and prove to be useful, this clerk though -- unpassed is recommended for the place.
