From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

(Through
Sir, the Accountant - General).

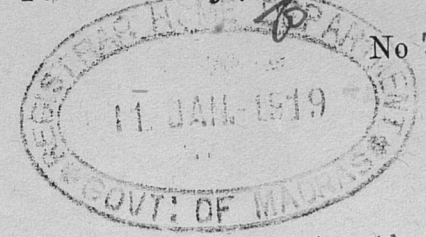

I have the honour to request that you will be so good as to obtain the sanction of Government, for the employment in the Kumbakonam College from the 15th instant till the 31st March next of a tutor in English on a salary of Rs. 75/- per mensem, and also of two tutors in English on Rs. 75/- each per mensem for a year from 1st July 1919.

2. The Principal states that the college has largely increased in strength during the past five years, the increase being marked in the Junior B.A. Class which now contains 98 students, that as many as 462 students of the college classes have to be practised in English Composition and that the present staff of four lecturers

and assistants in English including the Principal is quite insufficient both for lecturing work and for correcting the exercises in English Composition and Translation. It is reported that the amount of time devoted by these four officers to English amounts in all to 48 hours per week and that the difficulty experienced is not so much in the actual teaching of the several classes as in the efficient management of the English Composition work. Of the four lecturers and assistants, two have been placed in sole charge of the English Composition of the Junior and Senior B.A. classes consisting of 100 and 60 students, respectively, that these two have consequently in addition to their regular teaching work to correct 100 English Composition note books of the Junior B.A. class and 60 note books of the Senior B.A. class. The other two lecturers have therefore to look after the English Composition work of the Junior and Senior Intermediate classes with a total strength of 302, a number too large to be dealt with by two men without the help of extra assistants, especially considering the fact that the Principal, who is one of the lecturers in English, cannot spare much time for lecturing and valuation work as he has to attend to administrative and office work. The Principal therefore strongly recommends the employment of two English tutors on a salary of Rs. 75/- per mensem each. I consider his proposal reasonable, but I think that the immediate requirements of the English Department would be satisfied by the employment from the 15th instant until the close of the current official year of a single tutor in English on Rs. 75/- per mensem, the extra cost being met from the probable savings under salaries under "22 C. Education - Arts Colleges - General" in the current year's budget.

3. I would further request that provision may be made in the Budget Estimate for 1919-1920 for the pay of two English tutors at Rs. 75/- each in the college for eight months of that year.

I have the honour to be,
Sir,
Your most obedient servant,
