From (Name) the Hon'ble Mr. H. S. Duncan, M. A.,

(Designation) Ag. Director of Public Instruction,  
MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION)

Department.

Sir, /Through the Accountant-General, Madras./

With reference to Rule 42 of the Rules of the Reformatory School sanctioned in G. O. No.158 Educational dated 20th March 1907, the Superintendent, School of Engineering, Vizagapatam, proposes to employ on the licensing system with the sanction of the Committee of Visitors, two Telugu pupils of the Reformatory School, Chingleput. They will be engaged in the School workshop in making furniture for the school and will receive instruction in Drawing. He has accordingly made arrangements with the Superintendent of the Reformatory School

2.

for the two pupils being sent to him and with the Manager of St. Aloysius works, Vizagapatam, for employing them in his machine shop at metal work part-time. As the pupils cannot earn their livelihood during the first year of their stay at Vizagapatam and meet their expenses for lodging and boarding without pecuniary assistance the Superintendent requests that a stipend of Rs.8 per mensem may be sanctioned for each of them from the date of their admission into the school till the close of the next school year. He thinks that after this period the work they will turn out will justify his paying them a living wage. As the two pupils selected have already learnt the use of simple tools at the Reformatory School, Chingleput, Sub Conductor England thinks that there is good ground for anticipating that they will profit by the instruction they will receive at Vizagapatam.

The proposal which is of the nature of an experiment is worth a trial and I have the honour accordingly to request that Government will be pleased to accord their sanction to it and to the payment of a stipend of Rs.8 per mensem each with effect from the date of admission of the pupils in the Engineering School in January 1919 up to the 30th June 1920.

2. The charge during the current year can be met from the lump provision of Rs.31,000 made for the school in the current year's budget and I request that the necessary provision may be included in the Budget Estimates for 1919-20.

I have the honour to be,

Sir,

Your most obedient Servant,

for Director of Public Instruction

[Special stipends to ~~two~~ two pupils of the Reformatory school, licensed to the Supdt Engineering school, Vizagapatam for employment in the school workshops.

[C. 27 B] From the A. P. J. R. C. No 9554 For the 9th.

The Supdt. Reformatory school proposes to license, under Sec 18 of the Reformatory schools Act, 1897, to the Supdt. Engineering school Vizagapatam, two Delinquent pupils for employment in the school workshops. In order to cover <sup>the</sup> lodging and boarding expenses of the pupils, the Supdt recommends the <sup>temporary</sup> grant of a special stipend of Rs 8 p. m each, whilst so employed, as they will be unable to earn a living wage during the first year of their training. The A. P. J. is in favour of the proposal. ~~but the circumstances explained in the proposal are not generally acceptable.~~

2 As observed by the Director the proposal is of the nature of an experiment. As this is the first of its kind no exact precedents are available. Attention is however solicited to G.O. No 295 Home (Ed) of 2.3.18 where in the case of four boys in

para. 1-p. 2, of

(R)

The Tonga Woodcar School of the Siddhapuram criminal settlement, receiving industrial training at Kolar, the Govt. sanctioned a grant of Rs 25 p.m. for a period of two years. A special scholarship of Rs 5 p.m. was also offered to one Tonga Kasari Boy who had been discharged from the Reformatory school to enable him to prosecute his studies in the Board Secondary school at Harpanahalli:—vide G.O. No 1001 Home (Edn) of 1.8.1917. It is observed from the annual report on the working of the School of Arts for 1917-18 that the discharged boys from the Reformatory school who have had some preliminary training in carpentry or metal work turn out good work when they are apprenticed to the School of Arts. The experiment now proposed is therefore likely to prove useful and may be accepted. It is submitted that the proposal to <sup>fix</sup> ~~grant~~ the stipend <sup>payable</sup> ~~may be~~ <sup>to each of the</sup> ~~accepted~~ <sup>at Rs. 5 p.m. also</sup> ~~accepted~~ <sup>may be</sup> ~~accepted~~. A draft order is submitted which, if approved, may issue with the concurrence of the Financial Dept.

ORDER.

No. 88, dated 22. 1. 1919

Ms.

In the circumstances

explained in the Director's letter read above, the Government sanction the payment of a monthly stipend of Rs 8 each to the two Dehugu pupils of the Reformatory school, Chingleput, who are to be licensed to the Superintendent, Engineering school, Vizagapatam, for employment in the school workshops. The stipend is tenable for the period extending from the date of admission of the pupils in the Engineering school up to the 30<sup>th</sup> June 1920.

Page 2 CF

The charge during the current year will be met from the lump allotment of Rs 31,000 provided for the Engineering school at Vijayapatam in the <sup>Civil</sup> budget estimates for 1918-1919.
