does not want that Schools
as such should be
recognized for purposes of
the admission Exams: of
the Benares University the
case of private candidates
will have to be met.
If however it is considered
that the provision in Affair

recognizes the S. S. T. C.

practical purposes, the ref. as: certificate need not

avoid it except by getting the Benares

Copy of a letter no.64-c, dated the 10th December 1918, from the Secretary to Government, United Provinces, to the Secretary to the Government of India Department of Education (Education).

With reference to the correspondence ending with Mr. Inayatullah Khan's endorsement no.856, dated the 3rd October 1918, I am directed to address the Government of India on the subject of the appointment of officers empowered by local Governments and the Government of India for the purpose of certifying candidates to be fit persons to appear at the Praveshika examination of the Benares Hindu University. The procedure regarding the appointment of such officers is laid down in regulations 17 and 18 of Chapter XIV of the Regulations of the Benares Hindu University.

2. The 21st April 1919 has been fixed as the date for the next Praveshika examination, and the Registrar of the University is receiving letters of enquiry regarding the appointment of officers empowered to certify to the fitness of candidates applying for permission to appear at this particular examination. I am accordingly to request that the Government of India may be pleased to issue necessary orders and directions with reference to each Native State throughout India, as required by regulation 18 of Chapter XIV of the Regulations of the University. I am also to suggest that local Governments may be asked to appoint officers for this purpose as laid down in regulation 17 of the same chapter.

3. Copies of directions and orders issued in each province and in each State should be forwarded to the Registrar of the University in order to enable him to reply to enquiries.

4. In conclusion I am to request that, as the date of the examination is drawing near, the Government of India may be pleased to issue early orders on the subject.

The Benares Hindu Uni-
versity recognises the
Madra Matriculation and S.S.C.
(in the case of candidates declared to be admissible
to the University of Madras)
as equivalent to its
Admission examination
p. 243 of the Handbook (put up)

THE Syndicate has no remark
offer. The D.P.I. is of opinion that it is
Benares Hindu University to lay down its
regard to the information to be furnished
private candidates seeking admission
the University and to decide as to their
ness to appear for the admission examina-
tion.
It is, however, submitted that in
case of private candidates, who have not
undergone the full career in a High School
any amount of information furnished by them
to the Benares University will not enable
the latter to form an accurate idea of the
fitness of the candidates for the admission
examination without a certificate of fitness
from a recognised local educational authori-
ty. Apparently, the Director does not
desire to impose on the inspectors the duty
of testing the fitness of candidates.
The number of such candidates is
not likely to be large and the addition-
al

additional work involved in
heavy. It is for consideration
Director's recommendation should
accepted.

2. It may be noted in this connection
that, with reference to a suggestion
of the Govt of India on the subject of the
union of the schools in this Presidency
purpose of presenting candidates at
admission examinations of the Ben
University, the Director has reported
he is not in favour of any such recommendation.
The Govt of India have been requested to
more fully the object of their reference.
Perhaps, pending receipt of a reply to
reference, the present file may be re-
