To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

I have the honour to state that the Inspector of Schools, III Circle, has, in consultation with the Special Officer in charge of the Chentsus, submitted for favourable consideration a petition from three Chentsu pupils of the Garapenta Chentsu School, Kurnool District, requesting that facilities may be granted to them for the continuance of their studies in the Fifth Class of the Board Middle School, Markapur. The request is supported and it is recommended that the pupils may be treated with special

consideration. I need hardly point out to Government the necessity of offering material inducements if Chentsu pupils are to be persuaded to study in higher classes nor that the usefulness of even a few better educated Chentsus may be very considerable in connection with the Special Officer's work. and therefore recommend that this Officer may be authorized to meet, in consultation with the Inspector of Schools, the cost of the education, viz., fees, boarding, books and clothing of the pupils out of the funds placed at his disposal for educational purposes. The additional allotment, if any, which may be required for the purpose during the current and next years may be provided by reappropriation from the funds of the Educational department.

I have the honour to be,

Sir,

Your most obedient Servant,

R. A. Arundell.

for Director of Public Instruction.
