Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 3rd January 1919.

No.—Ref. on C. 7968/17.

While sanctioning the opening of 18 high and 49 middle schools under the management of local bodies Government agreed in paragraphs 2 (iv) and 4 (iv) of their Order No. 757, Home (Education), dated 11th June 1918—vide also G.O. No. 943, Home (Education), dated 16th July 1918, in this connexion—to bear the net cost of the schools and accordingly placed at the disposal of the local bodies in addition to the initial non-recurring cost one-half of the estimated recurring expenditure shown in columns 10 and 8, respectively, of Annexures I, II and III. I have now the honour to request that Government will be pleased to sanction the other half of the recurring cost aggregating Rs. 53,165 as shown in the appended statements A, B and C and authorize the Accountant-General to place the amount at the disposal of the local bodies concerned with a view to enabling them to meet the charges of the schools. The expenditure will be met from the balance of the provision of 2.09 lakhs in the current year's budget under "22. EDUCATION—Opening new Board high schools and new middle schools."

2. Should the proposal commend itself to Government, I beg to state that the subsidies sanctioned on account of the schools in question will be adjusted early next year as in the case of other schools of which the net cost is met from Provincial funds and the necessary advances for the ensuing year will be sanctioned by the Director.

3. I propose to address Government separately on the question of opening at the beginning of the next school year higher forms in the new high schools and as regards the consequential expenditure.

Order—No. 102, Home (Education), dated 24th January 1919.

The Government sanction the distribution of a further subsidy of Rs. 53,165 among local bodies in the current year towards the net cost of the new high and middle schools opened under the sanction accorded in G.O. No. 757, Home (Education), dated 11th June 1918, and G.O. No. 943, Home (Education), dated 16th July 1918, as shown in the annexure to these proceedings. The Accountant-General is requested to place the amounts at the disposal of the local bodies at an early date.

2. The expenditure will be met from the provision of Rs. 2.09 lakhs in the Civil Budget Estimate for the current year under "22. EDUCATION—Opening new Board high schools and new middle schools." This will leave a balance of Rs. 23,487. The Director of Public Instruction is requested to submit proposals at a very early date for the utilization of the amount in the current year.

2. It is respectfully sub^d that
it seems very desirable that the
D.P.I. should be urged by
Home(Edn) to incur as large an expenditure
as possible under "22 Education"
in 1918-19 and to ~~obtain~~ obtain the
sanction of Govt. at a very
early date for the disbursement
of subsidies to local bodies for
the construction of school
buildings and the like.

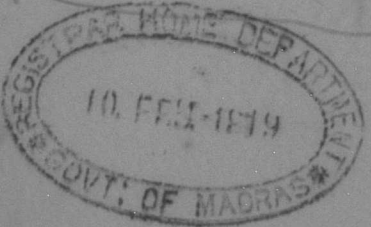

The R.R. for 1918-19 has
been placed at 106.77 lakhs
in the Second Edition; and
the G. of S. have been
told that the actual
expenditure would rise
to 109.77 lakhs
