Acquisition of land
for a playground for
the P. S. High School,
Mylapore

Name (Edm.)

6.10/13, from the Secy. of Madras, R.O. No. 1086, 2/29
G.O. No. 161 Edm., 26/12/14

In 1917 the Govt. undertook to acquire
under the Land Acquisition Act R.S. No. 3543
of Mylapore for the P. S. High School. The
entire site, estimated to cost Rs 50,976
approximately, was meant for a double
purpose, viz: (a) for the construction of a
building for the school, the cost of the
portion of the site required for the purpose
being estimated at Rs 12,744; &
(b) for a playground - estimated cost
of site, Rs 38,232.

Govt. further agreed to pay a half
grant (Rs 6372) in respect of (a) above, and
to acquire the plot needed for play-
ground entirely from Provincial funds,
the latter ^{being retained by Govt. as their own property} ~~to be retained by Govt. as their own property~~
~~being retained by Govt. as their own property~~
lent ^{to the school for use as a} ~~to the school for use as a~~
play-ground.

2 The portion required for building
purposes has since been acquired and the
grant for the purpose raised to Rs 10,413
owing to the enhanced cost of acquisition
and the acquisition of a slightly larger
area than at first intended (G.O. No. 1073, 2/29)

3 The Collector now submits a draft notification for the acquisition of the plot needed for the playground. The estimated cost of acquisition is put down as Rs 45,746 as against Rs 38,232, anticipated in 1917. This is apparently due to the steady rise in the market value of land and has ~~not~~ to be accepted. Before acquisition is proceeded with, the D. P. D. may be requested w/o to state whether he can find the amount needed from the current year's budget provision for building grants.
