SIR,

I have the honour to invite a reference to G.O. No. 1531 Home (Education) dated the 2nd December 1918 and the enclosure to it, viz. copy of letter No. 1626-M.3.E-3 dated the 15th November 1918 from the Government of Burma to the Government of Madras. In this letter the Government of Burma mention that they have addressed the Government of India for sanction to the payment of an honorarium of Rs750/- to Mr. Henderson in addition to 'Traveling and halting allowances'. From these terms, it would appear, that the Government of Burma intend that Mr. Henderson should be treated as having proceeded to Burma on duty under article 57, Civil Service Regulations, and not as being on deputation under article 81 Civil Service Regulations.

2. If the period of absence of Mr. Henderson is treated by the Madras Government as absence on tour and not as absence on deputation, no allowances will be admissible to any officer for

for being in charge of the office of the Superintendent during Mr. Henderson's absence, vide the last sentence of article 164 (a) of the Civil Service Regulations. I would respectfully request therefore that the nature of Mr. Henderson's absence in Burma may be more clearly defined, as if he is to be considered to be on deputation to Rangoon, that station should be considered to be his head quarters for the period of the deputation and he will not be entitled to halting allowance for the period of his stay there.

I have the honour to be,

Sir,

Your most obedient servant,

Personal Assistant, whom the Government placed in charge of the office in G.O. No. 1557 (6) dated 4th December 1918. I returned to Madras on the 25th December 1918 and resumed charge of my office on the 26th. I have the honour to recommend that he may be given a charge allowance, for the period he was in charge of the duties of my office. The late Mr. P. Ethirajulu Nayudu was given a charge allowance of Rs 50/- per mensem under article 161 and rule 2 under article 168, Civil Service Regulations, during my absence on privilege leave, and was also declared eligible under article 166 to draw the local allowance for holding charge of the — Marine Aquarium vide G.O. [The nature of Mr. Henderson's absence in Burma in connection with the Burma University Committee.]

[C No 28B] From the A.G. No G.A. 59-18930
of 3.1.18

For the U.S.

In applying for the services of Mr. J. R. Henderson in connection with the Burma University Committee, the Govt. of Burma stated that "the Govt. of India were being addressed with a view to obtaining sanction to the payment by the Local Govt. of an honorarium of Rs 750/- in addition to travelling and halting allowances to Mr. Henderson for his services". No further communication ^{on this point} has yet been received from them. From the terms of the Govt. of Burma's letter it appears that the case could not be treated as one of deputation under art. 81 B.S. R. As observed by the A.G., if Mr. Henderson is to be considered on deputation he cannot claim any halting allowance for the period of his stay in Rangoon which will naturally be considered to be his headquarters.

No exact precedent ^(to the present case) is traceable. Attention is, however, solicited to G.O. No 1657-B Public of S. X. 1916 ^{under} which Mr. Fisher, Supdt. Govt. Press, was deputed to Hyderabad for the period of a fortnight in connection with the re-organisation of the State Press of the Nizam's Govt. Mr. Fisher was paid by the Nizam's State on that occasion an honorarium of Rs 500/- in addition to his travelling allowance and his case was not treated as one of formally coming under the foreign service rules. It is for consideration whether the A.C. may be informed that Mr. Henderson's absence in Burma is to be treated as absence on duty under art. 57 of the C.S.R. The Financial Dept may perhaps be consulted.

NOTES.

The AG's point is that if Mr Henderson goes to Burma under 57 he is going 'out of' 150 so one can draw any acting allowance for acting for him - I am not sure if Home (Sir) examined this side of the question.

A further current from the Supd. Govt. Museum on the subject of the charge allowance for Mr R. R. Raghavan for being in charge of the office of the Supd. Govt. Museum during Mr Henderson's absence in Burma has been received and added to the file.

As explained in the notes above, Mr Henderson will be treated as having proceeded to Burma on duty under art 57, B.S.R. In the above circumstance no allowance will, as already pointed out by the AG, be admissible to Mr R. R. Raghavan for being in charge of the office.

of the Supd. Govt. Museum during Mr. Henderson's absence. It may, however, be noted that the late P. S. Thiapulu Nayudu was permitted on a previous occasion to draw such allowances for being in charge of the current duties. But this was in a privilege leave vacancy and the above precedent cited by the Supd. cannot hold good in the present case.

A draft order is submitted for approval.
