No. *348*

Station MADRAS

Dated the *22nd* January 1919.

From (Name) The Hon'ble Mr. H. S. Duncan, M.A.,
(Designation) Acting Commissioner for Government Examinations,

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I have the honour to submit herewith a copy of the scale of fee for setting question papers and valuing answer papers for the different subjects in the scheme of the Special Test Examinations as revised from time to time, the last Government order being that dated the 25th October 1918 (No. 2381 - Home (Judicial)) and to request that the sanction of Government may be accorded to the adoption of the scale.

2. A copy of the scale which was adopted year after year up to the examination of 1917 is enclosed, the modifications necessary in consequence of the revision of the scheme of examinations being indicated in it, for favour of sanction with

reference

reference to the examinations of 1918. The examinations in the Civil Judicial and Translation tests under the revised scheme are to be held for the first time in October next. Although the scale as it appears in print has been in existence for a number of years, I beg to state that no order of Government sanctioning the rates can be traced. The Curator, Central Records Office, Madras, to whom a reference was made on the subject, refers me to para 12 of the notification in G.O.No.598, Public, dated the 26th April 1861, which gave full powers to the Commissioner in regard to the Special Test and other Government Examinations and states that nothing is mentioned about the scale of remuneration in that order. The Accountant-General, Madras, states that his office has no information on the subject.

3. In their order No.1360, Home (Education), dated the 22nd October 1918, Government have empowered me to sanction the payment of honoraria to examiners if the remuneration is calculated at the rates laid down by Government, and the Accountant-General is authorized to pass bills for payment of honoraria supported by my certificate. In para 3 of the letter from the Government of India (Department of Education), No.749, dated the 31st August 1918 read in the G.O. quoted above, it is stated that the local Government can authorize the Accountant-General to pass bills for such honoraria as may be supported by a certificate of the Registrar of Departmental Examinations or of some other authorized official that certain specified work had been done. The Secretary to the Commissioner for Government Examinations has usually been counter-signing the bills at the instance of the Commissioner and I accordingly request that the continuance of the practice may be authorized. It will be a convenience if the certificate in support of bills is permitted to be signed by the Secretary under my orders instead of by me in each case.

4. I am anxious to pay the Examiners as early as practicable, and I beg that Government will be pleased to pass early orders.

I have the honour to be,

Sir,

Your most obedient servant,

D. A. Hobday

For Acting Commissioner.
