Copy of letter from Mir-Zawar Hussain Sahib, B.A., Sub Assistant Inspector of Schools, Bezwa Muhammadan Range to the Inspector of Schools, 2nd Circle, Guntur.

In obedience to your R.O. No. 303 Sup/18 dated 7th November 1918 I have the honour to submit the following explanation.

The date of birth given by me in my application dated 9th November 1917 for the post of a Probationary Deputy Tahsildar was the one found in the school registers. It was not my correct date of birth, since it came to be entered wrongly by some mistake or other at school. On my representing this fact and on production of a strong evidence in support of my correct date of birth, viz., 21st November 1893, (which is the age given by me in my application dated 4th October 1918 for the post of a Probationary Deputy Tahsildar) the Director of Public Instruction was pleased to permit me in his Proceedings Dis. No. 2981 dated 16th May 1918 to enter this correct date in my service book. The date 1-6-1890 found in the quarterly list of officers is a misprint for 18-6-1890 as already pointed out in this office Dis. No. 77 G1/18 dated 27-8-18 and which was subsequently altered to 21st November 1893 as per Director of Public Instruction's Proceedings quoted above.

This is to certify that M. Zavar Hussain has been known to me for many years. He is now in the IVth. year College Class. As long as I have known him he has shown an exceptionally high character in every respect. His educational attainments are very good, his knowledge of English being considerably above the average. His social standing also is very high. He belongs to the family of the late Nawab of Masulipatam. He seeks an appointment as Assistant Inspector of salt and Abkari. I am confident that he would fill such a post to the utmost satisfaction of his superior officers.

Mir Zavar Hussain is known to me these two years. He belongs to a very respectable family being a member of the family of the late Nawab of Masulipatam. As a student in the Senior B.A., Class he attends my English Classes. He is a conscientious worker and his knowledge of English is very good. He has always taken much interest in College athletics and has been for three years the Captain of the College Football Team. He is a young man of high principles and good moral character and his deportment in College has always been most gentlemanly.

I understand he is anxious to secure a Government appointment and I heartily recommend him as I believe his sense of responsibility will enable him to discharge any duties that may be his to the best of his abilities.

To Under Secy

In his application for the post of
Proby. Dy. Tah. submitted last year Mir
Zawar Hussain, Sub Asst. Inspector of
Schools, Beywada Muhammadan Range, gave
the date of his birth as 18.6.1890 and the
application was not admitted as the applicant
was overage. Subsequently he applied pointing
out to the Director of Public Instruction that
his correct date of birth was 21.11.93 and
was permitted to alter the date in the service
register accordingly. In the application he
submitted to Govt for the post of Proby. Dy. Tah.
~~was~~ on 4.10.18 he gave 21.11.1893 as the date of
his birth, but the office of the D.P.S. overlooked
~~the fact that he had been its proceedings~~
authorizing the alteration and submitted
the application ^{on 12.10.18} with the remarks that his
previous application was rejected as he was
overage and that in the quarterly list of
officers the date given was 1.6.1891. In
om. No. 1400 C/18-1 d 21.10.18 the applicant

was therefore asked to explain the discrepancy. His explanation at p 10 seems satisfactory but the delay in communicating the call for explanation and in submitting the explanation to Govt. seems to have deprived him of the chance of being selected as a Deputy Tahsildar. The reference calling for explanation was despatched from this office on 22.1.18, but the office of the D.P.O. seems to have communicated it to the applicant only on 7.11.18. The date on which the applicant sent in his explanation is omitted in the copy submitted to Govt., and the explanation is submitted to Govt. on 10.12.18 long after the selection of Probable Deputy Tahsildars took place. The failure of the office of the D.P.O. to notice that the alteration in the date of birth was authorized seems to be unfortunate in view of the fact that the officer in charge of the office of Inspector of Schools had certified to its correctness. The failure of the D.P.O.'s office to ^{give} the date of the explanation seems to be significant in view of the delay in communicating, viz. no. 1400 C/18-1 d 21.10.18 to the applicant. There has presumably been a similar delay in submitting the explanation. The papers may, if it is submitted, be sent to Home (Edn.) for such

action as they may deem necessary

2 Another case in which the reply to a reference d 21.10.18 reached this office only on 13.12.18 is ~~submitted~~ from the D.P.J. ^{The reference to} is submitted linked. The date on which, the applicant in that case was communicated to him and the date on which he sent in his reply are not evident from the D.P.J.'s letter.

From the D.P.I. N.R. 8460 of 12-10-18
Applications for the post of Proby Dy Zaisildar
In his application for the post of
Proby Dy Zaisildar submitted last yr
Mir Zawan Husain, Sub Asst Inspector of
Schools, Buzwada Muhammadan Range gave
the date of his birth as 18.6.1890 and the
application was not admitted as the applicant
was overage. Subsequently he pointed out
to the D.P.I. that his correct date of birth
was 21-11-93 and was permitted to alter
the date in the service register accordingly.
In the application submitted to Govt for
the post of Proby Dy Zaisildar on 12-10-18 he
gave 21-11-93 as the date of his birth, but
the Office of the D.P.I. overlooking its
proceedings authorizing the alteration and
submitted the application on 12-10-18
with the remarks that his previous
application was rejected on the score
of overage and that the date of his
birth as given in the quarterly list of
officers was 1-6-1890. In O.N. No 1400C-
8 of 21-10-18 the applicant was therefore
asked to explain the discrepancy. His
reply calling for explanation was
despatched from the Rev Dept on 22-10-18.

but ~~the office of the D.P.D.~~⁴⁾ seems to have ^{been} communicated ~~it~~ to the applicant only on 7-11-18. It is not known when the applicant's explanation was received in the Director's Office, but that Office submitted it to Govt only on 10-12-18 long after the selection of Proby Dy. Tah^r took place.

The delay on the part of the Director's office in transmitting the Correspondence has deprived the applicant of the chance of selection as a Proby Dy. Tah^r.

A similar delay on the part of the D.P.D. Office is ~~also~~ noticeable in the case of Saigid Masud Shah, Sub Asst Inspector of Schools, Tinnevely Muhammadan Range, also an applicant for the post of Proby Dy. Tah^r. His application, 8-20-9-18 ^{was} forwarded by the D.P.D. Office on 5-10-18. A reference calling for the original of a certificate, copy of which was enclosed with the application, was despatched from the Rev Dept on 22-10-18, but the certificate was forwarded by the D.P.D. Office ^{only} on 12-12-18, also long after the date of selection of Proby Dy. Tah^r. The date on which the reference was communicated ^{to the applicant} again.

date on which the original Certificate was received in the Director's Office are not specified. The D.P.O. may be asked to inquire into the delay that has arisen in his Office in transmitting the Correspondence referred to ~~in~~ above. He may also be asked to ~~report~~ ^{report why} his proceedings authorising the Correction of the date of birth of Muhr Lawar Husain as entered in the service register, were overlooked ^{by his office} when the application was first submitted to Govt. and what action has been taken in the matter.

Particulars as regards the dates of the various stages through which the applications of the two Muhammadan Sub Assistants in question and the subsequent correspondence passed are noted below :

I. Application of Sayyid Masud Shah, Sub Assistant Inspector, Tinnevely Muhammadan Range -

- 29- 9-1918 - Date of receipt in this office of his application
- 2-10-1918 - Draft endorsement thereon was put up submitting the application to Government
- 4-10-1918 - Draft passed by the Director
- 5-10-1918 - Application and Director's endorsement despatched to Government

- 19-11-1918 - Date of communication of the above Memorandum to the Inspector for compliance
- 4-12-1918 - Date of receipt from the Inspector of the original testimonial required
- 12-12-1918 - Date of its despatch to Government from this office.

II. Application of Mir Zavar Hussain, Sub Assistant Inspector, Bezwada Muhammadan Range --

- 9-10-1918 - Date of receipt in this office of his application
- 12-10-1918 - Date of its despatch to Government from this office
- 23-10-1918 - Date of receipt of Government Memorandum calling upon the Sub Assistant Inspector to explain the discrepancy regarding the date of his birth
- 30-10-1918 - Date of communication by this office of the above Memorandum to the Inspector
- 21-11-1918 - Date of receipt of the Sub Assistant Inspector's explanation
- 10-12-1918 - Date of Director's reply to Government thereon.

6 days

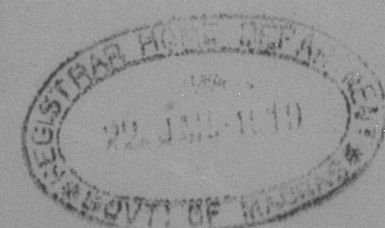

18 days

From the above particulars it will be observed that in the first case there was a delay of 26 days in my office in despatching the Government Memorandum No. 1287 C/18-1, dated 21st October 1918 to its destination and a week's delay in submitting to Government the original testimonial received on 4th November 1918. In the second case there was a week's delay in

despatching the Government Memorandum No. 1400 C/18-1, dated 21st October 1918 to the Inspector of Schools, 2nd Circle, and a delay of over a fortnight in submitting to Government Mir Zavar Hussain Sahib's explanation received on 21st November 1918. The Secretariat's remark that the above Memorandum was communicated to the Sub Assistant Inspector by my office on the 7th November 1918 is incorrect, as this date was the date of despatch of the Memorandum to that officer from the office of the Inspector of Schools, 2nd Circle.

As regards the observation that my office had overlooked Mr. Stone's Proceedings authorizing the alteration in the date of birth of Mir Zavar Hussain Sahib, I beg leave to point out that the omission was due to the failure on the Sub Assistant's part in referring in his application dated 4th October 1918 to the Endorsement of Government No. 3804 A/17-1, dated 17th November 1917 rejecting the application submitted by him in 1917 and to the Director's Proceedings Dis No. 2981, dated 16th May 1918 authorizing the alteration in the date of his birth.

The omission in my office to carry out the correction regarding age in the Quarterly Lists of Officers was not, as it should have been, brought to my notice by the Sub Assistant Inspector. At the same time my office should have noted the alteration. Due notice will be taken of the neglect on the part of my office.
