Station M a d r a s , Dated the 7-1-1919

From (Name) The Honourable Mr. H. S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

As the sanction accorded in G.O. No. 1568 Home (Education) dated 13th December 1917 to the continuance of the temporary teacher on Rs. 25 per mensem employed in the Government Girls' School, Puthur, Palghat, expired by the 31st ^{ultimo} instant, I have the honour to request that Government will be pleased to sanction the permanent retention of the teacher with effect from 1st January 1919.

2. There are at present only 5 permanent teachers on the staff-1 Headmistress on Rs. 20, 1 assistant on Rs. 14 and 3 assistants on Rs. 12 each- while there are 8 standards in the school from the first to the 8th. The temporary

additional teacher has been on trial for the past 3 years during which the school has maintained its strength as will be seen from the marginally noted figures. In these

	Strength in 1916	Strength in 1917	Strength in 1918
VIII Standard	150	145	108
VII	3	6	9
VI	4	3	11
V	4	8	11

Total	150	145	108

circumstances the Inspectress recommends that the temporary additional teacher on Rs. 25 may be permanently retained from 1st January

1919 and I beg to support her proposal.

3. Provision for the salary of the teacher has been included in the budget estimates of the current and ensuing years.

4. In another communication I am addressing Government through the Accountant-General regarding the permanent retention of the temporary staffs in some of the other Government Girls' Schools and the employment of additional staff in a few cases, but as sanction in the case of this school expired by the 31st instant. I have addressed Government Separately about this matter.

I have the honour to be,
Sir,
Your most obedient servant,

G. H. K...

for Director of Public Instruction.

Subject:-

Permanent retention of the addl. teacher on Rs 25 p. M. in the Govt. girls' School, Puthur, Palghat.

The temporary teacher in question was for the first time employed in 1912 when the strength of the school was reported to be 150 distributed over seven standards including the infant. Since then, the VIII standard also seems to have been added; nevertheless the total strength of the class has shown a tendency to decline - from 150 in 1912 to 108 in 1916 & 1917. It is now reported that the school has 116 pupils on its rolls.

3. The Director asked that the temporary teacher, who has been employed for the past ^{six} ~~two~~ years, may be put on a permanent footing with effect from 1st January 1919. From para 1 above, it is evident that the school strength has been fluctuating, and to judge from the present attendance, the existing staff of five teachers is all that is admissible under Rule 81482 of the Educational Rules. It is therefore ruled: that from 1st January 1919, the

a case for making the post permanent, its abolition would seem to require consideration. The J. P. F. may be requested w/ ^(to state) if there are any strong grounds otherwise for the permanent retention or the further continuance of the temporary teachers.

No doubt the total number on the rolls has dropped from 150 to 116, but on the other hand the higher standard has increased in strength from 10 to 16. It must also be remembered that the Headmaster cannot devote all his time to teaching. His teaching, ^{including the Headmaster} cannot be considered satisfactory for 8 classes.

The Director does not deny how the existing staff of five ~~teachers~~ teachers excluding the temporary teachers in question is inadequate for a school containing 116 pupils in eight standards. Rule 81 ~~of the~~ ^{is clear and does not admit of} Educational Rules ~~is clear and does not admit of~~

If in spite of ^{fact} this ~~fact~~ ^{the} permanent detention of the teachers on Rs 25 is considered necessary, the case will have to be sent to financial.

The D.P.D has again conceded the point and given a definite opinion. We may not be justified in further questioning its correctness. He does not apparently consider that higher classes can be clabbed together for purposes of teaching. We may accept the proposal.
