From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

H O M E Department.  
(EDUCATION)

Sir,

I have the honour to address Government regarding  
four students reading for Group I in the Junior B.A. Class of the  
Ceded Districts College, Anantapur.

2. Under Regulation 389 of the Madras University  
a certificate signed by the Professor or Lecturer concerned is  
required stating that these students have undergone a course of  
practical instruction during the year.

The course of practical instruction in the case  
of the four students in question is in Physics. It was expected  
that the apparatus required for this course would have arrived by  
July last, but owing to war conditions the apparatus has not been

2

received. Consequently it is impossible for these students to comply with the conditions laid down in Regulation 388 (2). The Principal of the College represented to me the desirability of taking steps to prevent the students from losing a year's study owing to these exceptional circumstances.

I therefore addressed the Principals of the other first grade Government Colleges and enquired whether they could spare the necessary apparatus. The reply in each case was in the negative. The only course therefore open to me was to take advantage of Regulation 387 and transfer these students for the remainder of this year to the Presidency College. The Principals and Professors concerned approved of the adoption of this course and under my orders the four students have joined the Presidency College. I have the honour to request that my action may be approved.

I shall address the Syndicate shortly with reference to Regulation 387.

3. A further question arises. Three of the students are reported to be poor and to be unable to continue their course in the Presidency College without pecuniary help. As their transfer to Madras and their residence away from home necessarily involve additional expenditure, which they can ill afford, I have the honour to recommend that special scholarships taking the form of a whole remission of the fees due for the short term may be sanctioned to them on the analogy of those which under G.O.No. 380 Edl., dated 19th June 1911 are granted to students of the Presidency College.

4. I beg also to recommend that the students in question may be allowed travelling allowance at double third class railway fare for their journey from Anantapur to Madras.

I have the honour to be, Sir,  
Your most obedient servant,

*R. A. Arneve*

for Director of Public Instruction.
