Through:--

The Director of Public Instruction,

M a d r a s.

Sir,

Adverting to G.O. Educational No.594/29-5-1916 approving generally of the proposals of Mr. Harris for the improvement of the Elementary Education in the Agency tracts of the Vizagapatam District, I have the honour to state that the Special Assistant Agents in the District report that the monthly stipend of Rs.5/- originally approved by Government for each student undergoing training in the Hill training schools is quite unattractive as it is insufficient for the students to meet the cost of their living and that it should be raised to Rs.8/-. The Assistant Inspector of Schools is also of the same opinion. I am convinced that the present rate

2
rate of stipend (viz., Rs.5/-) is too low and that it is necessary to raise it to Rs.8/- per mensem, in order to ensure the success of the scheme and I therefore request that Government may be pleased to permit me to raise the rate of stipend to Rs.8/- with effect from the beginning of this year.

2. A sum of Rs.2000/- has been allotted in the current year's sanctioned budget for payment of stipends. An additional sum of Rs.304/- will be required for payment of the stipends at the enhanced rate as 3 of the 4 schools were opened in June last and the fourth is about to be opened. The additional amount required may be met from the savings under the head salaries of Training school masters provided in the budget as shown in the reappropriation statement enclosed.

I have the honour to be,

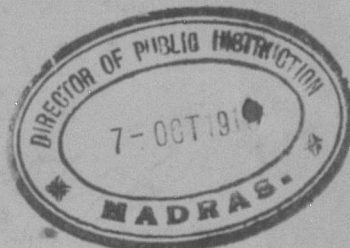

Sir,

Your most obedient servant,

(C.No. 2783 A). From the Agent to the Governor,
Vizagapatam, R.C.No.404, dated 1st October 1918

Subject.— Raising the rate of stipend payable
to students in the Hill Training Schools ^{in the Vizagapatam dt.} from Rs.5
to Rs.8/- per mensem.

In G.O.No.594, Educational, dated 29th May 16,
the Government approved certain proposals of the
Agent to the Governor in Vizagapatam for the improve-
ment of elementary education in the agency tracts of
the district. One of these was, to start four train-
ing schools in certain selected areas with a view to
training students for teaching work in hill schools and
to award a stipend of Rs.5/- per mensem each, to
students selected to undergo training in these schools.
Three of these four schools were started in June last
and the fourth also is about to be opened.

2. The Agent now reports that the rate of stipend
sanctioned by the Government is too low to attract
students to school and proposes to raise it to Rs.8/-
per mensem. The Director also recommends it. In view of
the peculiar conditions obtaining in the agency tracts
the proposal may be approved. It may, however, be
mentioned in this connection that ^{Savara} ~~several~~ pupils under-
going training in the ~~sessional~~ school at Parlakimadi
are paid only a stipend of Rs.5 per mensem each. (G.O.
No.1213, Home (Edcn.) dated 11th September 1918).

3. The extra cost during the current year is
reported to be Rs.304 to meet which the Director has
submitted a re-appropriation statement.

4. A draft order sanctioning the proposal is
submitted. If approved, it may be sent (u.o.) to

I am not sure however if C.S. intended that the rule increase of No. 3/- should be given as a temporary measure.

I would invite the Director's attention to his letter in HQ 5 and ask him to explain how he reconciles his recommendation for a decrease in one case and an increase in the other. He would it would be possible to get a reply from him quickly if it is thought that a reference to the Comd would cause delay.
