Re No. 8405/18

Station M a d r a s, Dated the 3-12 1918

From (Name) The Honourable Mr. H.S. Duncan, M.A.,
(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Home (Education) Department.
Through the Accountant-General, M a d r a s.

Sir,

In their order No. 995 Home (Education) dated 30th
July 1917, Government sanctioned the proposal to open a hostel
for the Government Training School for Mistresses, Rajahmundry
in a rented building and the payment to the Superintendent
thereof of an allowance of Rs. 15 per mensem. The Inspectress
of Girls' Schools, Northern Circle, reports that this allowance
is found to be too low to secure the services of a suitable
and qualified Brahman lady for the superintendence of the
hostel which is intended for both Brahman and non-Brahman
students. She also states that in response to advertisements
in the Fort Saint George Gazette and in certain Telugu News

2
Newspapers calling for applications for the post in question, only one was received. She does not, however, consider the applicant suitable. The Headmistress of the School has recommended for the post G. Alivelu Mangammal, a Brahman lady belonging to a respectable family at Rajahmundry, but she, it is stated, is prepared to undertake the work provided she is offered a salary of Rs. 25/- per mensem. Since there is no Hindu Woman teacher in the school who could manage the hostel and since the services of a whole time Superintendent are considered very desirable, the Inspectress has no other alternative but to accept the condition specified, and she therefore requests that the salary of the post may be raised from Rs. 15 to Rs. 25/- per mensem with effect from 1st March 1919. In these circumstances I have the honour to support her proposal, and to request that the necessary provision for the increased charge may be made in the Budget Estimates for 1919-20.

I have the honour to be,

Sir,

Your most obedient servant,

G. V. Mangammal

for Director of Public Instruction.

Increase in the remuneration of the Supts. of the hostel attached to the Training School for mistresses, Rajahmundry.

Home (Ed. 2)

Le 2634/B, from the J. P. J., R.C. 8405/18, 2.12.18

The Govt. have practically accepted the liability to meet from Provincial funds the cost of Supts. in hostels attached to girls' schools; and the usual practice is to sanction a consolidated allowance to the Supts. or matron entrusted with the charge of the hostel, who pays from her allowance the wages of menial servants such as watchman, sweepers employed in the hostel. From the notes at pp 12 & 13 of the notes to G.O. No. 579 Edl., dt/ 26th May 1916, it will be observed that the net allowance left to the Supts. in the hostels attached to the Govt. Sec. & Training School for mistresses, Triplicane, the Training School at Karamattangudi & the Queen Mary's High School for Indian girls at Vizagapatnam ranges between Rs 15 and Rs 22 p.m.; the limits of Rs 22 having reached only in the Vizagapatnam Secondary School. Comparatively therefore, Rs 25 now proposed for the Supts. of the Rajahmundry Training School seems to be slightly high. But it has been

(VI)

noted that the Director anticipated in July 1917 that as many as 33 boarders (14 Brahmanas & 19 non-Brahmanas Hindus) would join the hostel. If this anticipation has been realized, the responsibilities of the Supdt. ~~should~~ ^{may} be considered to be ~~heavy~~ ^(quite) justifying an increase in remuneration. In this view it may be useful to know what exactly ~~is~~ the strength of the hostel is at present.

Please see pp 1-2 of D.O. 2's letter dt. 4.7.17, disposed of in G.O. No. 995, Home (Educn.), dated 30.7.17. It will be observed that the Inspectors of Girls' schools, Northern Circle had recommended an allowance of Rs. 20 for the Superintendent of the Hostel proposed to be opened in connection with the Govt. Training School.

for mistress, Rajahmundry; but the amount was fixed by Govt. at Rs. 15 in accordance with the S.O.'s recommendation. It will also be seen that the Inspector's intention was then was to leave the Hotel in charge of a married Brahman mission employed in the school. It is now urged, however, that there is no Hindu woman teacher in the school who could manage the hotel, and that the services of a whole-time Superintendent are considered very desirable. As this ^{letter} statement has not been supported by statistics relating to the ^{present} strength of the hotel, it is not possible to judge ^{independently} whether or not the a whole-time Superintendent is absolutely necessary. Financial may, however, agree to the entertainment of such a Superintendent, as long as there is no Hindu woman teacher in the school who could manage the Hotel. It is, however, for consideration whether her allowance should be fixed at Rs. 25 ^{in the circumstances} as proposed by the S.O.S., or whether it will not be sufficient to pay her ~~the~~ the maximum allowance for ~~allow~~ granted to Superintendents.
