Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 9th December 1918.

No.—R.C. 6245.

With reference to Government Memorandum No. 1368-A-1, Home (Education), dated 6th July 1918, I have the honour to state that the Presidents of District Boards, Bellary, Kurnool, Chittoor, Cuddapah and Kistna, have informed me that the taluk boards concerned are willing to open, with the aid of provincial subsidy, schools for children of criminal tribes at the places proposed by the Inspectors of schools, second and third circles [vide pages 9, 17 and 18 of G.O. No. 1225, Home (Judicial), dated 20th May 1918]. The President, Bellary District Board, however, informs me that a school for Thandas is already in existence at Bande Basapur in Kudligi taluk. Excluding this, therefore, there will be in all seventeen schools—seven in Bellary, six in Kistna, two in Kurnool, and one each in Cuddapah and Chittoor. The details of the cost, recurring and non-recurring, involved in their establishment are worked out in the annexure to this letter and it will be seen that the total annual recurring expenditure amounts to Rs. 4,780 and the non-recurring to Rs. 4,920. The rate of expenditure is much the same as that originally proposed by the Inspectors, except that capitation allowance has been fixed at a uniform rate of Rs. 25 for each teacher. A similar amount has been allowed for the schools in the second circle though in the original estimate provision under this head has not been made by the Inspector. To place all the schools on a uniform footing, I have also included a sum of Rs. 20 for books and slates on account of each of the new schools in the third circle under initial expenditure. The peon proposed for the schools in the latter circle has however been disallowed.

2. The schools may be opened on 1st March 1919 and I request that special provision on this account amounting to Rs. 4,780 or Rs. 5,000 in round numbers may be inserted under '22-E. Education—Payment in support of local bodies' in the budget estimate for 1919-20 now under the consideration of Government. If the schools however are to start work on 1st March 1919, it will be necessary to arrange beforehand for the accommodation and equipment required. I would accordingly request that, if these proposals commend themselves to Government, the Accountant-General may be authorized to place at the disposal of the district boards concerned now the amounts specified in column 15 of the annexure to this letter, the charge being met from the balance of the provision of Rs. 11,000 for night schools in the current year's budget.

Order—No. 166, Home (Education), dated 10th February 1919.

The Government approve the proposal of the Director of Public Instruction to open, with effect from the 1st March 1919, seventeen elementary schools under the management of local bodies for the benefit of the children of criminal tribes at the places mentioned in the annexure to these proceedings. The subsidies payable for the purpose to the district boards concerned will be as follows:—

	Per annum.
	RS.

Kurnool do. ...	434
Chittoor do. ...	216
Cuddapah do. ...	217
Kistna do. ...	1,939
Total ...	4,324

2. To enable the local bodies to meet the initial charges on the provision of sheds and equipment for the schools, the Government sanction the payment in the current year of the sums specified in column (15) of the annexure. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned at an early date.

3. The expenditure of Rs. 4,920 will be met from the balance of the provision of Rs. 11,000 for night schools in the current year's budget estimate.

NOTES CONNECTED WITH G.O. No. 166, HOME (EDUCATION),
DATED 10TH FEBRUARY 1919

[SUBJECT.—*Schools for criminal tribes.*]

I

G.O. No. 1225, Home (Judicial), dated 20th May 1918.

[Memorandum to the Director of Public Instruction, No. 1368/A-1,
dated 6th July 1918—II.]

III

From the Director of Public Instruction, dated 9th December 1918, No. 6245.

With reference to paragraph 2 of G.O. No. 1225, Home (Judicial), dated the 20th May 1918 and Memorandum No. 1368/A-1, dated the 6th July 1918, the Director of Public Instruction submits proposals for opening, with effect from the 1st March 1919, new schools under the management of local bodies for the benefit of the children of criminal tribes. The places selected for the location of the schools are those recommended by the Inspectors of Schools of the second and third circles—pages 9 and 18 of G.O. No. 1225, Home (Judicial), dated the 20th May 1918. A school for Thandas at Bande Basapur in the Kudligi taluk of the Bellary district is reported to be already in existence. Excluding this, the number of new schools proposed to be opened is 17.

2. *Recurring expenditure.*—The estimated annual cost of each school is based mostly on the recommendations of the Inspectors concerned as detailed on pages 9 and 18 of G.O. No. 1225, Home (Judicial), dated the 20th May 1918. Excluding house rent, the annual cost of each school with a single teacher comes to about Rs. 240 and, including it, to Rs. 300. The cost of a new school opened under G.O. No. 1585, Home (Education), dated the 15th December 1917, is about Rs. 217. The difference in cost is due to the fact that, in the estimate now submitted, the pay of the teacher is fixed at Rs. 15 per mensem, instead of at the usual minimum rate of Rs. 11 per mensem. Also the estimates include a special provision of Rs. 10 per annum for each school on account of the supply of books, slates and clothing to the pupils. The Inspector of Schools, Third Circle, states that, as the schools will be situated in out-of-the-way places, a remuneration of at least Rs. 15 per mensem will have to be offered to the teacher (page 18 of G.O. No. 1225, Home (Judicial), dated 20th May 1918). In his u.o. note, dated 5th July 1917, the Director of Public Instruction (Mr. Stone) also stated that "if the schools are to be really useful, teachers will have to be selected with care and the schools will have to be comparatively expensive" (page 7 of notes to G.O. No. 1225, Home (Judicial), dated 20th May 1918). It is however observed that in the criminal settlement schools at Kalichedu, Kulasekharapatnam and Stuartpuram there are teachers who draw less than Rs. 15 per mensem—some draw Rs. 12 and some others Rs. 10 (pages 2, 3 and 8 of G.O. No. 1225, Home (Judicial), dated 20th May 1918). The pay of the teacher employed in a Chentchu school is however Rs. 18 per mensem (paragraph 5 of G.O. No. 1061, Revenue, dated the 12th April 1917) and special rates of pay are also allowed to teachers employed in the Agency tracts. It is for consideration whether

the rate of Rs. 15 per mensem suggested by the Director of Public Instruction may be accepted. The provision on account of supply of books, slates and clothing to the pupils may be allowed in view of the special character of the schools proposed to be opened. The remarks of Judicial may be invited.

3. Two teachers—one on Rs. 20 and one on Rs. 15—are proposed for the school at Lakkavaram as it is intended to teach about 50 pupils. The proposal to employ two teachers may be accepted but it is for consideration whether the head teacher need be paid Rs. 20 as proposed (page 9 of G.O. No. 1225, Home (Judicial), dated 20th May 1918). Perhaps a pay of Rs. 16 will be sufficient.

4. *Capitation allowance.*—The Director of Public Instruction has recommended a uniform capitation allowance of Rs. 25 per year for each single teacher school. The Government have recently accepted the recommendation of the Educational Conference of 1916 that the system of capitation allowances should be abolished, but, as the orders will come into force only after the necessary revision of salaries of teachers has been effected, the provision for capitation allowance may for the present be allowed to stand.

5. *Non-recurring expenditure.*—The schools in the Kistna district are to be located in rented buildings. For the other schools, the Director of Public Instruction suggests a non-recurring subsidy of Rs. 250 for the construction of sheds for each school. He also recommends a grant of Rs. 120 (Rs. 250 for the school at Lakkavaram which will teach 50 pupils) for each school on account of equipment and the provision of books, and slates for children. Having regard to the special character of the schools, the proposal may, it is submitted, be accepted.

6. The Director of Public Instruction recommends that the subsidy on account of non-recurring charges may be placed at once at the disposal of the local bodies to enable them to open the schools with effect from the 1st March 1919. He has also indicated the source from which the cost can be met in the current year. His proposals may, it is submitted, be accepted.

7. The file may be sent u.o. to Judicial and Financial for remarks.

N.K.—6-1-19.

The Director of Public Instruction may be requested u.o. to state whether, in view of the fact that in other criminal settlement schools teachers draw less than Rs. 15 per mensem, it is necessary and advisable to fix the minimum pay in the new schools proposed at Rs. 15. He may also state whether the second teacher at Lakkavaram may not be paid a salary less than Rs. 20.

The rates of pay were suggested for the reasons given on page 1 of the Secretariat notes, and I would prefer that they should be retained. If Government do not see their way to agree to this proposal, Rs. 16 may be fixed for the second teacher at Lakkavaram and Rs. 13 for schools in which there is a single teacher.

The present proposals are the outcome of the orders in G.O. No. 1225, dated 20th May 1918, and are meant for the benefit of the children of criminal tribes in certain districts. Many of the tribes for whose benefit the schools are being opened have not been notified under the Act—vide this department notes, dated the 28th March 1918, at page 16 of notes to G.O. No. 1225, dated 20th May 1918. The expenditure is to be met from the educational budget, to be paid as subsidies to the local boards. The proposals, including the rates of pay proposed for the teachers in the Education Department notes on page 2 ante, may be accepted in this department and the file passed to Financial.

(Please see pages 9, 16 and 18 of correspondence in G.O. No. 1225, Home (Judicial), dated 20th May 1918, and paragraph 2 of the order on page 19 *ibid*).

It is proposed to open, with effect from 1st March 1919, 17 new schools (vide statement with the Government Order) for the benefit of children whose parents have not been placed in criminal settlements. The schools will be opened by local bodies who will be subsidized by Government.

2. The expenditure involved is :—

(a) Initial (sheds and equipment)—Rs. 4,920.

The Director of Public Instruction proposes to disburse the grant in the current year and to meet it from the provision of Rs. 11,000 for night schools (page 122, Civil Budget Estimate).

(b) Recurring (pay of teachers, capitation allowance, contingencies, house-rent, furniture and apparatus, books and maps, books, slates and clothing for children).

The total cost is estimated by the Director of Public Instruction at Rs. 4,780 per annum. Adopting the reduced rates of pay suggested by the Director of Public Instruction in his note, dated 9th January 1919, on page 2 ante, the annual cost will be Rs. 4,324.

The Director of Public Instruction asks that this amount should be provided in the budget for 1919-20 under "22. Education". Submitted that the amount involved is comparatively small and can very easily be reappropriated by the Director within the total provision of 30.37 * lakhs for subsidies to local bodies for Education (page 131, Civil Budget Estimate).

(* This is only an approximate figure, and there will be savings when the amount comes to be distributed among individual local bodies.)

3. Submitted that the proposed expenditure may be accepted in Financial.

With reference to Government Memorandum No. 1363-A-1, Home (Education), dated 6th July 1918, I have the honour to state that the Presidents of District Boards, Bellary, Kurnool, Chittoor, Cuddapah and Kistna have informed me that the taluk boards concerned are willing to open, with the aid of provincial subsidy, schools for children of criminal tribes at the places proposed by the Inspectors of schools, second and third circles [vide pages 9, 17 and 18 of G.O. HOME (EDUCATION) DEPARTMENT.
NOTES CONNECTED WITH G.O. No. 166, HOME (EDUCATION),
DATED 10TH FEBRUARY 1919

[SUBJECT.—Schools for criminal tribes.]

I
[Memorandum to the Director of Public Instruction, No. 1368/A-1,
dated 6th July 1918.]

II
From the Director of Public Instruction, No. 6245, dated 9th December 1918.

With reference to paragraph 2 of G.O. No. 1225, Home (Judicial), dated the 20th May 1918 and Memorandum No. 1368/A-1, dated the 6th July 1918, the Director of Public Instruction submits proposals for opening, with effect from the 1st March 1919, new schools under the management of local bodies for the benefit of the children of criminal tribes. The places selected for the location of the schools are those recommended by the Inspectors of Schools of the second and third circles—pages 9 and 18 of G.O. No. 1225, Home (Judicial), dated the 20th May 1918. A school for Thandas at Bande Basapur in the Kudligi taluk of the Bellary district is reported to be already in existence. Excluding this, the number of new schools proposed to be opened is 17.

2. *Recurring expenditure.*—The estimated annual cost of each school is based mostly on the recommendations of the Inspectors concerned as detailed on pages 9 and 18 of G.O. No. 1225, Home (Judicial), dated the 20th May 1918. Excluding house rent, the annual cost of each school with a single teacher comes to about Rs. 240 and, including it, to Rs. 300. The cost of a new school opened under G.O. No. 1585, Home (Education), dated the 15th December 1917, is about Rs. 217. The difference in cost is due to the fact that, in the estimate now submitted, the pay of the teacher is fixed at Rs. 15 per mensem, instead of at the usual minimum rate of Rs. 11 per mensem. Also the estimates include a special provision of Rs. 10 per annum for each school on account of the supply of books, slates and clothing to the pupils. The Inspector of Schools, Third Circle, states that, as the schools will be situated in out of the way places, a remuneration of at least Rs. 15 per mensem will have to be offered to the teacher (page 18 of G.O. No. 1225, Home (Judicial), dated 20th May 1918). In his u.o. note, dated 5th July 1917, the Director of Public Instruction (Mr. Stone) also stated that "if the schools are to be really useful, teachers will have to be selected with care and the schools will have to be comparatively expensive" (page 7 of notes to G.O. No. 1225, Home (Judicial), dated 20th May 1918). It is however observed that in the criminal settlement schools at Kalichedu, Kulasekharapatnam and Stuartpuram there are teachers who draw less than Rs. 15 per mensem—some draw Rs. 12 and some others Rs. 10 (pages 2, 3 and 8 of G.O. No. 1225, Home (Judicial), dated 20th May 1918). The pay of the teacher employed in a Chentsu school is however Rs. 18 per mensem (paragraph 5 of G.O. No. 1061, Revenue, dated the 12th April 1917) and special rates of pay are also allowed to teachers employed in the Agency tracts. It is for consideration whether

the rate of Rs. 15 per mensem suggested by the Director of Public Instruction may be accepted. The provision on account of supply of books, slates and clothing to the pupils may be allowed in view of the special character of the schools proposed to be opened. The remarks of Judicial may be invited.

3. Two teachers—one on Rs. 20 and one on Rs. 15—are proposed for the school at Lakkavaram as it is intended to teach about 50 pupils. The proposal to employ two teachers may be accepted but it is for consideration whether the head teacher need be paid Rs. 20 as proposed (page 9 of G.O. No. 1225, Home (Judicial), dated 20th May 1918). Perhaps a pay of Rs. 16 will be sufficient.

4. *Capitation allowance.*—The Director of Public Instruction has recommended a uniform capitation allowance of Rs. 25 per year for each single teacher school. The Government have recently accepted the recommendation of the Educational Conference of 1916 that the system of capitation allowances should be abolished, but, as the orders will come into force only after the necessary revision of salaries of teachers has been effected, the provision for capitation allowance may for the present be allowed to stand.

5. *Non-recurring expenditure.*—The schools in the Kistna district are to be located in rented buildings. For the other schools, the Director of Public Instruction suggests a non-recurring subsidy of Rs. 250 for the construction of sheds for each school. He also recommends a grant of Rs. 120 (+ 250 for the school at Lakkavaram which will teach 50 pupils) for each school on account of equipment and the provision of books, and slates for children. Having regard to the special character of the schools, the proposal may, it is submitted, be accepted.

6. The Director of Public Instruction recommends that the subsidy on account of non-recurring charges may be placed at once at the disposal of the local bodies to enable them to open the schools with effect from the 1st March 1919. He has also indicated the source from which the cost can be met in the current year. His proposals may, it is submitted, be accepted.

7. The file may be sent u.o. to Judicial and Financial for remarks.

N.K.—6-1-19.

The Director of Public Instruction may be requested u.o. to state whether, in view of the fact that in other criminal settlement schools teachers draw less than Rs. 15 per mensem, it is necessary and advisable to fix the minimum pay in the new schools proposed at Rs. 15. He may also state whether the second teacher at Lakkavaram may not be paid a salary less than Rs. 20.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

The rates of pay were suggested for the reasons given on page 1 of the Secretariat notes, and I would prefer that they should be retained. If Government do not see their way to agree to this proposal, Rs. 16 may be fixed for the second teacher at Lakkavaram and Rs. 13 for schools in which there is a single teacher.

Submitted that the file may be sent u.o. to Judicial and Financial for remarks. The Director of Public Instruction's alternative suggestion above may be adopted.

HOME (JUDICIAL) DEPARTMENT.

The present proposals are the outcome of the orders in G.O. No. 1225, dated 20th May 1918, and are meant for the benefit of the children of criminal tribes in certain districts. Many of the tribes for whose benefit the schools are being opened have not been notified under the Act—vide this department notes, dated the 28th March 1918, at page 16 of notes to G.O. No. 1225, dated 20th May 1918. The expenditure is to be met from the educational budget, to be paid as subsidies to the local boards. The proposals, including the rates of pay proposed for the teachers in the Educational department notes on page 2 ante, may be accepted in this department and the file passed to Financial.

FINANCIAL DEPARTMENT.

(Please see pages 9, 16 and 18 of correspondence in G.O. No. 1225, Home (Judicial), dated 20th May 1918, and paragraph 2 of the order on page 19 ibid).

It is proposed to open, with effect from 1st March 1919, 17 new schools (vide statement on page 6, current file) for the benefit of children whose parents have not been placed in criminal settlements. The schools will be opened by local bodies who will be subsidized by Government.

2. The expenditure involved is :—

(a) Initial (sheds and equipment) Rs. 4,920.

The Director of Public Instruction proposes to disburse the grant in the current year and to meet it from the provision of Rs. 11,000 for night schools (page 122, Civil Budget Estimate).

(b) Recurring (pay of teachers, capitation allowance, contingencies, house-rent, furniture and apparatus, books and maps, books, slates and clothing for children).

The total cost is estimated by the Director of Public Instruction at Rs. 4,780 per annum. Adopting the reduced rates of pay suggested by the Director of Public Instruction in his note, dated 9th January 1919, on page 2 ante, the annual cost will be Rs. 4,324.

The Director of Public Instruction asks that this amount should be provided in the budget for 1919-20 under "22. Education". Submitted that the amount involved is comparatively small and can very easily be reappropriated by the Director within the total provision of 30.37* lakhs for subsidies to local bodies for Education (page 131, Civil Budget Estimate).

(*This is only an approximate figure, and there will be savings when the amount comes to be distributed among individual local bodies).

3. Submitted that the proposed expenditure may be accepted in Financial.

The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.
