From (Name) The Hon'ble Mr. H. S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

With reference to G.O.No.991 Home (Education) dated 29-7-18, I have the honour to state that it is not explicit from the notification published under the authority of the G.O that the 2 years' service prior to 6-8-17 referred to in clause (b) thereof should have been continuous and have immediately preceded that date though the last clause of para 2 of the above G.O requires that the 2 years' previous service should have been continuous. As some doubts have been expressed by Inspecting officers with regard to this point in dealing with cases of confirmation of unqualified persons

persons, who have acted in posts on Rs.20 for 2 years in the aggregate in one appointment or other in the superior service, I beg to be favoured with the definite orders of Government as to whether the service of 2 years referred to in the above notification should have been invariably continuous or whether Heads of departments can exercise their discretion in relaxing the restriction in exceptional cases.

I have the honour to be,

Sir,

Your most obedient servant,

G. V. S. Srinivasan

for Director of Public Instruction.

Subject

Interpretation of the note to Mr. 1 of the Public Service Notification, relaxing the provisions of the Article in the case of persons who held temporary appointments prior to the 6th August 1917

The D.P.I. has already been informed that the period of two years referred to in clause (b) of the notification published under G.O. no 921, Home (Edn) d/29.7.18 should ordinarily be continuous. He now enquires whether it should be invariably continuous or whether Heads of Depts may use their discretion in relaxing the restriction, in the case of deserving persons who have put in an acting service of two years in the aggregate.

2. Though the notification published under the G.O. quoted above is not quite clear on the point, the intention of the G.O., as may be seen from para 2 thereof, appears to be that the period of two years referred to therein should be continuous. It

It does not appear to have been the intention of Genl. that the provisions of Art. 10 of the P.S. Notification should be relaxed ^{at the discretion of departmental heads} so as to admit of the confirmation of persons who have put in a total acting service of two years with breaks in their service. For orders where the W.D.P. may be informed that the period of two years referred to in the notification published under Co. no. 791, Home Secy of 29.7.18 should be invariably continuous; any

Please see H.M.'s note in page 6 note file 50 951 of 29.2.18. He says of men acting in R.O. when 50 10215 of 6 Aug 1917 was passed. The intention is clear. The note applies only to men acting continuously for at least two years immediately ending on 6 Aug 1917. And the word of that notification does

Not include this interpretation.
