The Secretary to Government,

Home (Judicial) Department,

Fort St. George, Madras.

Through,

The Second Presidency Magistrate and

the Chief Presidency Magistrate, Madras.

Sir,

I beg to submit the following representation with full hopes that it will receive the Government's sympathetic consideration:—

2. I have been the Cashier of the Presidency Magistrate's Court, George Town on Rs. 50/- for over eight years. My total

Forwarded: Government service which has been spent entirely in the Egmore and George Town Courts is over twenty five years. During this long period I have served in various capacities as Summons Clerk, Calendar Clerk, Record - Keeper, Correspondence Clerk, Statistical Clerk and Cashier and have thus become thoroughly conversant with every branch of the office work connected with the Presidency Magistrate's Courts. How far I have discharged my duties hitherto to the satisfaction of my superiors will be evident from the testimonials (Copies enclosed) which I have earned from them.

3. I have passed the Matriculation Examination and the Precise - Writing Test. Being a Matriculate I could not appear for the Criminal Judicial test and have not therefore qualified myself either for the Chief Clerk's post or the Accountant's post under the Old Public Service Examination Rules. Nor could I qualify myself for the interpreter's post as I am afflicted with natural impediment in my speech. Under the new rules recently published the Criminal judicial test has been eliminated and the account test alone prescribed as qualifying for the post of -

accountant.

✓ 3

accountant in the Presidency Magistrates' Courts. As however I have not passed the account test I have no prospects of permanent promotion in this office. In fact on at least five different occasions the Government have on the recommendation of the Chief Presidency Magistrate exempted me temporarily from the account test so as to enable me to be promoted to the accountant's post in short vacancies. I am unable now to apply myself seriously to study for the account test as I am now 50 years old. Nor have I the time for such study as I am full of family cares and office responsibilities.

4. I may be permitted to add that the accountant posts in the Presidency Magistrates' Courts do not require any more knowledge of the financial codes than what is required for the cashier's post which I hold. I beg to submit that I am thoroughly conversant with all the duties of accountant and that I have an adequate and workable knowledge of the financial codes for the disposal of work in these Courts.

5. In the circumstances set forth above I beg to request that the Government will be graciously pleased to exempt me permanently from the account test so as to enable me to hold the post of accountant in the Presidency Magistrates' Courts. There are at present two long standing vacancies which have not been permanently filled up and to either of which I could have been promoted if I am exempted and as I have only a few years more to complete my service a promotion at this stage will enable me to earn a small increment to my pension.

Hoping that my representation will elicit the favourable order of Government.

I beg to remain,

Sir,

Your most obedient servant,

M. Jagannatha Rao
Cashier.

During the time in which I acted as Chief Presidency Magistrate (on 4 occasions) M. Jagannatha Nayagar correspondence and Statistical clerk, proved himself an efficient and pains taking servant of Government, he is a respectable young man of good -- abilities and has discharged his duties to my satisfaction.

/SD/ W. E. Clarke,
Nilgiris.

Copy of Endorsement on the application of M. Jagannathen clerk, Chief Presidency Magistrate's Court, Egmore, Madras, for the post of the Head Clerk vacant in the office of the Sanitary Engineer to Government, Chetpet, Madras.

...
In forwarding this application which I have granted Jagannathen permission to do, I have the pleasure of stating that Jagannathen is deserving of promotion; but in this office he has little chance of obtaining it, as vacancies are rare. During many years he has worked satisfactorily and has gained considerable experience in office routine work.

/Signed/ W. E. Clarke,
Chief Presidency Magistrate,
Madras, 21st September 1906.

Presidency Magistrates' Court,

George Town, Madras,

22 - 9 - 06.

I know Jagannatha Naicker for several years. He is a willing and efficient clerk and may be expected to do good work.

/SD/ P. Rajaratna Mudaliar,
Third Presidency Magistrate.

I fully endorse the opinion so passed by Mr. Rajarathna -
Mudaliar. Jagannada Naiker is a well behaved man of good character.
I shall be glad to hear of his advancement in the Public Service.
I am confident that he will give satisfaction wherever he may be
employed.

/SD/ Mir Sultan Mohideen.

Presidency Magistrate.

Copy of endorsement of the Chief Presidency Magistrate, Madras,
on the application of M. Jagannathen, clerk, Presidency Magistrate's
Court, Egmore to the P.W. Accounts Chepauk for a post carrying not
less than Rs.50/- per mensem.

...
In forwarding this application I have nothing to add to the
testimonials I have already given to M. Jagannathen except to say
that I have always found him willing to work and in many ways he
has been of assistance to me. Unfortunately for him there is
little or no chance of his obtaining promotion in my Court. I
shall be glad therefore, if he can obtain promotion elsewhere. I
believe he will be found worthy of promotion which certainly he
deserves, and if anything I can urge on his behalf would be of
avail, I can recommend him as a respectable man and good and one
who has served Government well and long.

/SD/ W. E. Clarke,
Chief Presidency Magistrate,
Madras, 23/8/07.

M. Jagannatha Naicker, Correspondence and Statistical clerk,
with a service of over 14 years, has proved himself a most excel-
lent correspondence clerk and thoroughly conversant with all office
details. He might, with advantage, be a little quicker in dispo-
sing of his work; but if this would entail inferiority in the

quality

quality of his work, he must do it in his own way and that is an excellent one. I record with pleasure my satisfaction with him during an experience of several years; he is most obliging and never shirks hard or extra work, altogether a valuable servant.

Madras, 30th October 1907.

/SD/ W. E. Clarke,
Chief Presidency Magistrate.

Endorsement of W.S. Marshall Esq., Third Presidency Magistrate dated 21-5-1913 on the application of M.Jagannatham to the Sanitary Engineer to Government, Madras for Head clerk's post on Rs.70.

...
F o r w a r d e d.

The applicant is to my thinking a quiet and well behaved man, and he is also, as far as I have been able to see, careful in his work. He also holds several good testimonials and I believe him to be straightforward and honest.

/SD/ W.S. Marshall,
Third Presidency Magistrate.

Presidency Magistrates' Court,
Egmore, Madras, 1st October 1913.

I have much pleasure to certify that M.Jagannatha Nayagar, Cashier of the Presidency Magistrates' Court, G.Town, is a well-behaved and hard working clerk deserving encouragement. His conduct has been satisfactory.

/SD/ S.M.V. Oosman,
Ag: Chief Presidency Magistrate.

M.Jagannatham who is now the Cashier at the Georgetown Court is well acquainted with the multifarious duties of the office. He is a quiet, painstaking and accurate clerk and I have been well satisfied with his work.

/SD/ F.D. Bird,
Chief Presidency Magistrate.

M. Jagannada Naicker was Cashier and Statistical clerk of the Georgetown Police Court all the four years that I presided over that Court and I am glad to say that his work and conduct were uniformly satisfactory. He is a thoroughly reliable subordinate and I wish him every success.

/SD/ M. Bazlullah,
8-10-17
Revenue Officer,
Corporation of Madras.

Forwarded to the Chief Presidency Magistrate with the recommendation that the application may be favourably endorsed.

The applicant has had twenty years service in the Presidency Magistrates' Courts; from the testimonials he has obtained from all the Magistrates under whom he has served, it can be seen that he has uniformly been considered as honest, hardworking and reliable clerk. I can safely confirm this opinion from personal knowledge of the applicant.

Being only a Matriculate he has not been able to appear for any of the Special Tests except Precis; with the result that he has been unable to get further advancement in these Courts, although it is now six years since he was promoted to Rs.50/-.

The applicant belongs to an old and respected Indian Christian family of Nayakars.

/SD/ L.A. Cammiade,
Second Presidency Magistrate.
17-10-17.

Forwarded for favourable consideration. Applicant is an honest and hardworking man who can be relied upon to do his work conscientiously.
