Thro' The Sub Collector, Tellicherry.

Sir,

Chiralakandy Mappila Elementary School in this town is at present held in a rented building. The building itself is not sufficiently roomy and there is no play ground, garden or latrine arrangements attached to it. In spite of this the owner of the building has demanded payment of an enhanced and reasonable rent or in the alternative to vacate the building. There is no suitable building available on rent in the neighbourhood to hold the school and the owner has already filed a suit to take possession of the building.

selected a site to erect a building of its own and application has been made to the revenue authorities towards its acquisition. Proceedings in this connection are being pushed on and Government in their order No. 1430 (Home) - (Education) dated 8th November '18 have sanctioned from the balance of provincial grants received for equipment of elementary schools in this town to utilize a sum of Rs. Rs. 790/- for the acquisition of the site. An estimate for Rs. 2056/- for the erection of the building is now pending sanction of the superintending Engineer IV Circle, Coimbatore, and there is still a balance of Rs. 1720/- left under provincial grants over and above Rs. 790 diverted for acquiring the site. As the building has to be erected at as early a date as possible and as there is no immediate use of the grant ^{now} ~~more~~ remaining unspent, the Municipal Council at its meeting held on the 21st December '18 resolved to apply to Government for sanction to utilize this sum and to meet the balance of Rs. 336 from Municipal funds towards the erection of the building in question as will be seen from copy of its resolution No. 25 enclosed.

3. I have the honour therefore to request that considering the present very low state of the Municipal finances and the very urgent nature of the work itself Government may be pleased to accord the necessary sanction as early as possible.

I have the honour to be,

Sir,

Your most obedient servant,
