Station VIZAGAPATAM, Dated the 24th January 1911

From (Name) M. R. KHARABAT, Esq. A.M.I.C.E.
(Designation) Superintending Engineer,
First Circle.

To The Secretary to the Government of Madras,
PUBLIC WORKS Department.

Sir,

I have the honour to state that One M. Subbarao an unpassed candidate joined this Circle as a Temporary clerk on Rs. 20/- in the year 1906 and continued to be a Section and Sub Divisional Assistant Clerk till 1913. When the Venkatapuram Sub Division of the Godavari Northern Division was formed, the Head Clerk's place of that Sub Division had to be filled in and owing to the usual difficulty in procuring passed and experienced candidates for service in the agencies of this Circle, a circular was sent round calling for applicants who volunteer to take up the appointment on condition that the clerk selected for the post would get the full pay sanctioned for the post (Viz. Rs. 40 plus 10 Local allowance).

A

and that his claims would be given preferential consideration to those of others who decline to go in filling up permanent appointments when vacancies occur, provided he gives satisfaction and stays in the agency Sub Division for at least 2 years. In considering the applications received in response to that Circular, the choice fell upon M. Subbarao who proved himself deserving of the selection and completed 2 years satisfactory service in the agency. On the expiry of the period, he applied for a transfer to the plains and for a permanent appointment as well and both were granted in 1916. On his transfer to the plains, the Executive Engineer, Godavari Northern Division (Mr. Wainwright) selected him for the Sub Divisional clerk's post at Rajanaundry where he has been working satisfactorily for the last two years. He requests that he may be permanently exempted from the Examination Rules to hold posts on a pay higher than Rs. 20/- per mensem. His application has been supported both by the Sub Divisional Officer and the Executive Engineer who have stated that the clerk's capabilities are on a par with those of an average passed candidate. He is reported to be intelligent and hard working and he has worked for 3 years on the whole in the Venkatapuram Agency out of his total service of about 12 years in the Department.

2. Owing to the depleted condition of the clerical staff in this Circle consequent on numerous deputations and the numerous agency localities, unpassed men have so often to be employed and when they remain in the agency for some years and creditably acquit themselves, some special consideration should be shown to them as an incentive to others to take up service in the agency. In view of this consideration and the satisfactory work done throughout by clerk M. Subbarao, I strongly support his case and request that Government may be pleased to exempt him permanently from the Examination Rules enabling him to hold posts in the permanent establishment up to Rs. 5/- . The currency of the exemption may be conditional and it may be sanctioned so long as the clerk continues to give satisfaction and do as well as passed men.

3. I take this recommendation partly because the present day School Final candidates available in large numbers are not competent enough to hold any responsible posts even after some service and experience in the Department, and partly because service in the agencies should be made more popular by recognition of the specially good work of deserving men.

4. An application for exemption from the Examination Rules and the clerk's petition are appended.

No. 1162 of 19.10.18. Rajahmundry Sub Division.

Forwarded to the Executive Engineer for very favourable consideration, as the applicant's case is one, which in every way is worthy of recommendation for the sanction of the exemption, being in every way competent enough for the duties demanded of passed men. I think very highly of him & his work and cannot say enough in words to express my appreciation of his work.

Exemption of unpassed clerk M. Subba Rao I am

CN 279 AS from the SE, I circle No 82 W 723-1-19
P. file

Secretary

The SE, I circle, applies for the exemption
from the examⁿ rules of Mr. Subba Rao
an unpassed clerk for promotion up
to Rs 50/-

The clerk has put in a total service of
12 years & is well reported on by the Sub
Div Officer & the Executive Engineer. He has
worked in the agency tracks for 3 years. The
SE strongly supports the request & says that
the exemption may be sanctioned subject
to the condition that the clerk continues
to give satisfaction. The clerk will be
given promotion only if his work is
satisfactory and if otherwise the SE can
either reduce him or stop giving him
further promotion even without the
condition mentioned by the SE. It is
therefore unnecessary to stipulate any
such condition. Attention is invited
to para 5 of memo No 4300 C 822-7-1A

certain unpassed clerks in the I circle
are given. In the majority of the
Cases, exemption was granted for
appointments up to Rs 30/- only. In
G.O. No 834 Home (Edn) D.D. 6-18, Mr. Subba
Rao a clerk in the II circle was granted
exemption for promotion up to Rs 30/-.
Subsequent to this G.O. some other
clerks in the II circle have also been
shown the same concession. They have
all put in about a total service of 10 years

3 Attention is invited to the notes at
pp 3 to 8 + pp 11 + 12 of memo no
4300C of 22.7.18 in which ^{was fully discussed} the
question of granting exemption from
the Ex. rules to permanent clerks on
Rs 20 in the Dept, to ^{admit of} ~~enable~~ their
promotion to the higher grades. It
was decided by the then Chief
Revenue (Mr. Murray) that such of
the unpassed clerks who have
done good work should be so
exempted. ~~The limit of exemption~~
~~up to which~~ to enable them to
rise to posts up to Rs 30 p.m. In
accordance with this decision a
number

number of clerks in the II circle have since been so exempted. ~~All of~~ Every one of them had put in about 10 years since in the Dept. On the above principle it seems that the same concession may be allowed in the case of these unpassed clerks who are specially recommended, as in the present case. ~~It does not seem necessary to recommend exemption for permanent promotion beyond this limit. If the man's services are required to fill up temporary posts on higher pay than Rs. 30 p.m. in the Agency tracks, it is open to the S.E. to apply again for temporary exemption, with reference to the particular post to be filled.~~

4. The S.E. reports that the clerk in question was appointed as a temporary Clerk in the Agency on Rs 40 p.m. for some years. He then applies at p. 6 C7 - Vide column 7 thereof - the S.E. says that the present apply is the first made on this clerk's behalf. ~~It does not seem necessary to recommend exemption for permanent promotion beyond this limit. If the man's services are required to fill up temporary posts on higher pay than Rs. 30 p.m. in the Agency tracks, it is open to the S.E. to apply again for temporary exemption, with reference to the particular post to be filled.~~ The Clerk's ~~agency~~ appointment on Rs 40 in the Agency without obtaining exemption
