To The CHIEF ENGINEER
Secretary to the Government of Madras,
Public Works Department.

Sir,

I have the honour to report that in the case of the marginally noted three permanent executive lower subordinates of this Circle, no orders exempting them from the examination rules are traceable from the records. The suboverseers themselves are unable to

furnish any information on the point. Their service books do not throw any light on the subject nor do their personal files in the

Circle and Division offices. Their educational qualifications and other particulars are given below:--

2
G. Raghunatha Row.

This sub overseer is a passed draftsman of the College of Engineering. He was first entertained on 31st August 1918 as Assistant Draftsman on Rs. 20--30 Sub protem in the Trichinopoly Division and confirmed in that grade on 7th November 1890. He was in the draftsman establishment of the Fifth Circle Office and the office of the Consulting Engineer for railways till October 1896 when he was appointed as sub overseer II grade and in the Fifth Circle. The Superintending Engineer Fifth Circle promoted him to the First Grade (50--70) with effect from 20th October 1906. His first increment of Rs. 10 was granted from 1st November 1912. He was promoted by me to Rs. 70 from 13th May 1915 as he had already been promoted to the old First Grade. His reports are generally satisfactory.

W. Rajagopaul Mudaliar.

This suboverseer is a passed draftsman of the College of Engineering. He was first entertained on 20th January 1899 as a permanent Assistant Draftsman in No. 3 Party T.R.S. The Chief Engineer for Irrigation T.R.S. appointed this man as sub overseer III Grade and posted him to No. II Party T.R.S. which he joined as on 16th November 1901. On the reorganisation of the T.R.S. staff, he was transferred to the T.R.S. Division Fifth Circle. The Superintending Engineer Fifth Circle promoted him to II Grade in October 1906 and again to the First Grade in December 1910, when the reorganisation of the Executive Lower subordinate establishment sanctioned in G.O. No. 246-W dated 31st January 1913 was joined given effect to in this Circle. this sub-overseer was promoted to Rs. 60 with effect from 31st March 1913. Since that date he is drawing that pay. His reports are fairly satisfactory.

A.K. Rajarathna Mudaliar.

This sub overseer has obtained a certificate of the College of Engineering, Madras, as artisan and Maistry and also passed the Government Technical Examination in Building Materials and

3
Construction Elementary Grade. He was first appointed on 30th January 1898 as sub overseer III Grade sub pro tem in No. 4 ~~party~~ party T.R.S. and confirmed ~~in~~ in that grade from 1st November 1898. On the abolition of the T.R.S. Parties the sub overseer was transferred to the Fourth Circle whence the he was transferred to the Seventh Circle in May 1912 with the North Arcot Division. His pay then was Rs. 45, the maximum of the old II Grade. On the reorganisation of the lower subordinate establishment in January 1913 this sub-overseer was promoted by my predecessor to Rs. 50 and he is drawing that pay now. His reports except the last two are good.

It is likely that these men were exempted from the examination rules for promotion to the grades held by them but the orders are not traceable. I therefore request to be supplied with copies of such orders which may be available in your office or in the educational department of the Secretariat, If copies of such orders are not forthcoming and if fresh exemption is considered necessary for their promotion, I request that this may be obtained.

I have the honour to be,

Your most obedient servant,
