Private Secretary

5th February 1919.

From

Pensioned Subadar, Major Md. Ghouse Sahib,

To

His Excellency the Right Honorable Jhon Baron Pentland
Of Lyth, P. C., G.C.I.E., G.C.S. I.,
Governor of Fort St. George,
Madras.

May it please your Excellency,

With feelings of due respects and humble submission
I beg to approach your Excellency with the following few
lines in the fervent hope that your Excellency will with
your usual benevolence and compassion give them your kind
and sympathetic consideration.

I beg to say that in July 1917 I submitted a
memorial to your Excellency (copy enclosed) praying that
my only son Abdul Rahiman might be exempted from the Exa-
mination rules and appointed as a Sub Inspector of Police
for which post he was physically well qualified and from
the kind assurance which was then conveyed to me in the
letter dated 10th August 1917 (~~copy enclosed~~) from your
Excellency's Private Secretary. I was quite sure that
my son would be selected at the final selection. But to
my great misfortune and disappointment, he was not selected
by the Inspector General, presumably because he was an un-
passed man. Subsequently my son secured a temporary
appointment on a salary of Rs. 33/- in the Office of the
Special Recruiting Officer, Vellore, where he was working

working very hard for a period of 9 months till his services terminated in November 1918, owing to the abolition of that Office. His Superior Officers were thoroughly satisfied with his work, conduct & character, which fact will I feel assured be borne out by a reference to Mr. M. V. Vellodi the then District Recruiting Officer (now Deputy Collector, on Special duty, Coimbatore District) and Mr. S.V. Vadavely Mudaliar now Sub Magistrate of Tirupathur Town who often expressed to me that they were pleased with his work. My son is now unemployed and my anxieties on this account are the more - aggravated by the thought that he will very shortly be over 25 years of age and the question of age bar will arise in his case. The difficulties and obstacles which retard~~ed~~ the educational progress of our sons have been clearly explained to your Excellency personally by the Military Pensioners whom your Excellency was pleased to interview^{there} at Vellore in August last and your Excellency was then pleased to assure us that the needful would be done in the matter of granting some concession as regards age limit to the sons of Indian Military Officers, who on account of their services in different and distant parts of the Empire are unable to devote special attention to the timely education of their sons. Coupled with these anxieties there is another apprehension that is all the more tormenting my mind and that is the thought that your Excellency will be bidding adieu to India shortly. In these circumstances I beg to crave your Excellency will with your usual generosity and clemency pass~~ed~~ an order exempting my son from the Examination rules, so that there may be no bar to his employment in the Government service and thus confer on me an estimable boon, for which not only myself and our family, but a very large circle of relations who have served under the British Flag will feel ever grateful to your Excellency and shall ever pray for the welfare happiness and prosperity of your Ex-

I beg to remain,

To

His Excellency the Governor of Madras,

O O T A C A M U N D.

May it please your Excellency,

With due deference, I beg to submit the following few lines in the humble hope that they will meet with your Excellency's benevolent and gracious consideration.

2. I am now a pensioned Subador Major having - served in the Indian Army for 21 years. Myself and my - brother Subador Abdul Ghani were in the battle field during the Burma War of 1885, and were awarded Medals and clasps for our armies flinching devotion to duty and loyalty to the Crown. My son-in-law Muhammad Burhamuddin also who was in the 28th Light Cavalry served in the Siesten Expedition and died in Quetta 18 months ago. And my nephew Jamador Syed Mhideen of 83rd Wallaja Light Infantry has gone to the front in Basara.

3. I beg to add that several of my ancestors as noted in the margin were Commissioned Officers in the Indian Army and some of my nearest relations are now in Civil &

Relatives served in the Military Employ, under the British
Department. Crown.

1. My brother Abdul Ghanni Subador in 83rd Regiment.
2. My brother-in-law late Subador Md. Azam, in 83rd.
3. My brother-in-law's father-in-law late Subador Major Habib Khan in 83rd.
4. My father-in-law's brother-in-law late Jamador in 83rd Regiment Abdulla Khan.
5. My aunt's son Retired Subador Major Md. Baig Sahib in 61st Poiner.
6. My uncle's son Md. Yaseen Sahib, Revenue Assistant Secretary, Deccan.

4. I beg to add that my only son Abdul Rahiman has been - Educated in the Voorhees College Vellore, where he has studied and completed the course for School Final, but he has not obtained a School Final Certificate and I

8 9
I attach copies of his certificates and marks. He is of good physique and well developed. He is 5' 10" in height and his chest measurement is 34". Owing to diverse circumstances I am unable to meet the expense of his education any longer, and I, therefore, submitted a petition, copy enclosed to the Inspector General of Police, Madras, to confer on him the post of a Sub Inspector.

5. The Inspector General of Police was kindly pleased to direct me to place my son before the District Selection Committee which was held on the 4th July 17. My son was selected by the Committee and found fit by the District Medical & Sanitary Officer, Vellore. But to my misfortune he has been kept in the Reserve solely on account of the Examination Rules.

6. There are several instances in which unpassed candidates have been exempted from these rules and enlisted as Sub Inspectors. To wit Mirza Ahmed Alli Sultan was a student in the same College was appointed before he was qualified for an appointment in the Public Service and is now acting as a Circle Inspector.

7. I beg therefore, to pray that in consideration of the faithful and distinguished services rendered to the British Empire by myself and several of my relations Your Excellency will be pleased to extend to my son the concession which has been granted to many others and exempt my son from the Examination Rules, in view to his being appointed as a Sub Inspector of Police and also to confer the appointment on him.

8. For which act of kindness and generosity I shall ever pray for your Excellency's long life & bright prosperity. Even praying for the speedy success of the British armies in the field.

I beg respectfully to remain,

My Lord.

Your Excellency's most obedient servant,

(Sd.) Md. Ghouse,
