Sir,

I have the honour to enclose a bill for Rs. 54/ being the
capitation allowance payable to the teacher of the combined school
at the Kulasekharapatnam quasi-settlement in which the children of
the criminal Kurava tribe and other children are educated. The
payment is recommended by the Sub Assistant Inspector of Schools,
Tiruchendur Range. The claim is for the year 1917-18 and is pay-
able from the budget allotment for 1918-19, but there is no provi-
sion in the sanctioned budget estimate to meet this charge. Para-
graph 3 of G.O. No. 1225 Home (Judicial) dated 20th May 1918 also
requires that all charges on account of mixed schools including the
school at the Kulasekharapatnam quasi-settlement should be debited
to 22 Education. I therefore request that you will be good enough
to move Government to sanction this charge.

I have the honour to be,

Sir,

Your most obedient servant,

For District Magistrate.

The Govt. sanctioned in G.O. No. 4487 the grant of a capitation allowance of Rs 22-^(in the Kowwa school) to the teachers employed ^(for the year 1916-17) at the Kulasekharapur quasi-settlement and directed that the charge be debited to 20-H. Police Miscellaneous: & subsequently in G.O. No. 1225 & 20528 they declared the school as eligible for the educational grant it might earn and that such grant should be debited to "20-H. Police Miscellaneous" ^{for 1917-18} the allowance ^{now recommended} should therefore be debited to this head and not to the police budget as the D.G. ^(x) suggests. For this reason that no provision for capitation allowance was made in the current year police budget - vide Jndt & Finl. notes a pages 34-36 of G.O. No. 12248 & 20528. With reference to the concluding portion of
 G.O. No. 1224 Home (Judicial) Dated 20.5.18 the
 District Magistrate, Trincomalee, reported that the
 charges had spent a school and G.O. No. 1503
 Home (Judicial) Dated 25.6.18. Presumably the
 special payments referred to in the earlier G.O. are to
 cover the school and similar grants under the ordinary
 rules of the grant-in-aid code under 23rd Education. In
 that case capital expenditure will be inadmissible.

An elementary school for Korava children in the quasi criminal settlement at Kulasekharapatnam was opened in 1916. The govt sanctioned the employment of a teacher on Rs 12 per mensem and also paid a sum of Rs 4 a month towards the rent of the school building. In April 1918 sanction was accorded to the employment of an additional teacher on Rs 11 per mensem in the school. The govt have therefore been paying a sum of Rs 23 towards the salaries of the two teachers and a small sum for rent & contingencies. Besides this, a sum of Rs 22.8.0 was sanctioned in G.O. No. 44 Home (G.O.), dated the 7th January 1918, towards the payment of capitation allowance to the school teacher for the year 1916-17. Sanction is now sought for to the payment of a capitation allowance for

to Supra

for the year 1917-18. The D.P. I recommends the grant of this allowance and it may be sanctioned, the expenditure being debited to '22. Education'.

2. It may be noted here that in G.O. No 1224 Home (Jw.), dated the 20th May 1918, the Govt. sanctioned the proposal to convert the school at Kulasekharapet into a mixed school for the children of Korava and of the other employees in the factory at that place. They also decided that the contribution till ~~now~~ then paid to the school towards the salaries of the teachers and other minor expenses should be continued so long as the children of Korava were ^{freely} admitted into the school. The Govt. also suggested that the manager of the school should take steps to get the mixed school recognized by the Ed. Dept. so that it could become eligible for ~~govt~~ ^{under the grant in aid} grants. The D.P. I states that the school has not

Supra

not been included in the aided list for the current year and that from next year onwards the Inspector will be asked to include it in that list.

3. Under rule 15 of the grant in aid code ~~these~~ grants to elementary schools consist of

- (1) Teaching grant calculated for each teacher in the school,
- + (2) Capitation grant per pupil in average attendance.

These grant ~~made~~ with the manager's contribution are expected to meet the expenditure on the salaries of the teachers + other expenses connected with the school. As regard the Kulasekharapatnam school, the full expenditure in the payment of salaries ^{two} to teachers is met by govt; the other expenses of the school are also met by govt to some extent. ~~In the circumstances~~

It is not likely that additional teachers will be employed in the school at any rate, for
the

in consequence of the admission of the present, ~~and~~ ~~of the children of non-criminal classes~~ ~~admitted~~ to the school. If however any such additional teacher is employed in future and Govt. are not asked to meet his ^{whole} salary, the teaching grant admissible under rule 15 of the Grant-in-Aid Code may be sanctioned in his case. It is submitted that in assessing grants under the Grant-in-Aid Code, teaching grants should not be allowed in the case of teachers employed in the school, whose salaries are met by Government. The D.P.T. may be informed accordingly.

4. ~~in~~ In Govt. schools, teachers are paid capitation allowances in addition to their salaries ^{and} it appears but reasonable that the school in question should ~~be~~ be allowed to earn the capitation grant admissible under rule 15 of the Grant-in-Aid Code.

5. A draft order is subd. & approved. It may be sent up to Home (Tues) & Finl. for acceptance.

It has been recently decided to abolish the grant

Please see Home (ED%) Dept. note on pages 5-8 ante. The position is briefly as follows:-

(1) In 1916, a school for the education of the Korava children in the quasi criminal settlement at Hulasekharapatnam was opened under the management of the local agent of the East India Distilleries and Sugar Factories Ltd. and Govt. agreed to meet the cost of the teacher ⁽¹²⁾ required ~~employed~~ therein and the rent charged ⁽¹⁴⁾ of the building. - S.O. 641 Jul 8 9.3.16. For purposes of capitulation allowance, this school was treated as an institution under public management and not as an aided school; and capitulation allowance for 1916-17 was accordingly sanctioned in S.O. 44 Home (Jul 8) 8 7.1.18 under rule 83 of the Educational rules instead of under rule 15 of the grant-in-aid Code.

S.O. 641 Jul 8 9.3.16 A

S.O. 44 Home (Jul 8) 8 7.1.18 H

(2) In 1918, in view of the increase in the

number of Korava children attending the school, the Govt. sanctioned the entertained, at the cost of provincial funds, of another teacher⁽¹¹⁾ in the ~~same~~ school. Subsequently in the same year, the Govt. sanctioned an extension of the operation of the school so that it ~~may~~^{might} be a combined school for the children of the Koravas and of the other employees of the factory at the place and stated that they would continue the contribution previously paid to the old school and pay a further contribution not exceeding Rs 2 pm. for contingent charges - S.O. 1224 ED² 20-5-18.

(3) Under S.O. 1225 ED² 20-5-18, mixed schools, where pupils are not all crim. children and in respect of which Govt. have not undertaken to bear the net cost are eligible for the usual Educational grant ~~(+)~~ (under rule 15 of the grant-in-aid Code). The extended school ~~should~~^{is} therefore eligible for grants. ~~It is not eligible for grants under the~~ grant-in-aid Code. The contribution paid by Govt. on account of the salaries of teachers, house-rent, contingencies etc. will however be separate.

(4) The mixed school is not in the list of aided schools of the current year. It will be included in the list from next year onwards.

para 1 (1) above. The amount has been calculated
with reference to rule 83 of the Educational mles
The D.P.S. recommends the allowance. As the
allowance relates to a period prior to the extension
of the school ordered in 1918 and as for a similar
period (1916-17) a capitation allowance was
calculated and granted under rule 83 of the
Educational mles, it is submitted that the grant
of Rs 54 now proposed may be agreed to. The charge
may, as proposed, be met from the Educational
